## Grand Knight's Message

To all Brother Knights and their families,

It's that time when our kids are back in school. So be safe and slow down. Hope your summer was a good time.

Please support the up-coming Church Festival on September 30th. Father is asking all Knights to help with set-up and break-down for the Sunday event (Sept. 30th)

Again, we need to prepare for our next fundraiser in November.

Please try to invite a new member into the Knight's. Thanks for all you have done for the Knights and the Church. God bless you, and may God bless America

SK Chris Anders  
Worthy Grand Knight  
Council 15343

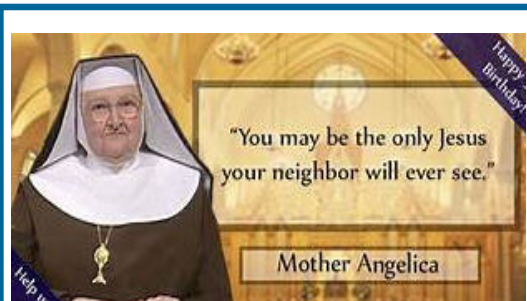

## Deputy Grand Knight's Report

Brother Knights,

Our Free-Throw program with our youth is just around the corner. All youth between the ages of 10-14 should consider participating. Contact me for further information. My phone number & email address are noted in the list of Officers.

~ Vivat Jesus, **Russell Cantu, Deputy Grand Knight**

Brothers, It's times like this that our faith is very much tested, and prayer warriors need to unite to pray for our priests, Church, and lay-people to keep God first. The devil has, and will continue to throw up road blocks, and attempt to destroy the foundations of your Faith. Continued prayer is your weapon against evil. Always remember the instructions we were given at our Admission Degree; the our sword is prayer, our shield good works informed by faith. God bless each of you, and your family, and God bless America!

## Knights of Columbus INSURANCE

George E. Martinez, FIC, FICF  
Field Agent  
830-279-8411, [www.georgemartinezinsurance.com](http://www.georgemartinezinsurance.com)  
[george.martinez@kofc.org](mailto:george.martinez@kofc.org)

Dear Brother Knight:

Like physical health, maintaining financial health requires frequent checkups. Financial needs are a moving target so they must be looked at periodically. We can't treat our retirement plans with a "set it and forget it" philosophy.

The Knights of Columbus' portfolio of protection should not be any different. Start by meeting with your local field agent. It will be a friendly encounter that will include a fraternal update and a complimentary financial checkup. Likely, the agent will look at your current financial situation and its impact on your family's retirement goals, security and general welfare. He also will discuss the Order's "Tradition of Protection," explaining our founding mission and current events. He will talk about benefits relevant to you, and explain how those benefits can augment and safeguard your portfolios. A confidential "Family Service Record" is then updated and individualized recommendations are made.

The field agent exists solely to ensure your full financial protection. If he finds that you are well-situated, then you have the increased peace of mind that comes from this validation. If he discovers some gap or oversight, then you have an opportunity to implement a remedy before a small problem becomes a disaster. The meeting has no risk and can be a major win. When members obtain their protection from the K of C, they are availing themselves of exclusive benefits that non-members cannot access. These exclusive benefits not only help their families, but the good works and mission of the Order. If our members are the bone and fiber of the Order, then the insurance is the lifeblood

Fraternally yours,  
George Martinez

## District Deputy Corner

Greetings To All My Brothers

We are off on another fraternal year, and the activities are starting to ramp up. So, what are the Councils doing to gain the confidence and support of the congregation, the Church, and the community?

Clearly the people have to know who we are, and what we do in the Knights of Columbus. We can tell them we are about charity, unity, fraternity, and patriotism all day long. But we have to put meaning behind these words if we are to gain confidence, respect, and support.

I have been encouraging lately about a simple act that each and every Brother can do for the Knights of Columbus, and for their Councils. I encourage everyone to wear their shirts to Mass or wear a symbol showing that you belong to the Knights of Columbus. It's a tool to be used for saying who we are. This way, people can then grasp some of the meaning when we speak on behalf of the Knights of Columbus.

Advertise your activities in the weekly bulletin at Church. If you are holding a fundraiser, advertise in the bulletin four weeks ahead of time. Let people know that the Knights of Columbus are active in the community, and please state how the proceeds will be used. If funds go for a special project for the priest, say so. If it goes to support another ministry within the Church, say so. It will go a long ways to gain that confidence and support within the community. And please say thank you to the community after the event whether in person, from the pulpit, or in the bulletin.

I know each Council likes to keep money on hand in the treasury. Think about establishing a minimum balance the Council will not go below. And please refer to those monies as "emergency funds". And use them wisely, in case of emergency, as the intended purpose.

Thank you for what you do and for belonging to our honorable organization. I believe we are all here for the same purpose - To Serve. Thank you for your service, your hard work, your dedication, and your loyalty. Perhaps from a retention standpoint, if active members are wearing their shirts, maybe might entice some inactive members to be moved to get back involved with the Council.

God Bless You and Yours  
God Bless America!

**SK Paul Gurley, DD54**
