Grand Knight's Message

Brother Knights,

As we still live with the effects of the Corona virus, let us remember that we must always help our neighbors. Let us all take the time to pray for those struggling during this time, and ask God for His mercy on them. Remember the 40 Days For Life prayer vigil starts on September 23rd. Let us all do our part to end the sin of abortion, and return our Country to a culture of life.

Peace be with y'all!

Knights of Columbus INSURANCE Our Field Agent

TERM LIFE INSURANCE - A Part of K of C's Suite of Insurance Products.

Term life insurance provides affordable protection to your loved ones for temporary needs. It's simple and straightforward. It may be an ideal solution for people with time-bound financial obligations who are interested in protecting their young family on a tight budget. Shielding their family against the remaining payments on their mortgage, so that they aren't drowning in debt or forced to move if you die unexpectedly. Supplementing or replacing your income in case you die, so that your family can continue to live with the same level of financial comfort that they did when you were alive. Term life insurance also provides funds for your children's college education in case of the unexpected. It also enables loved ones to pay off your personal debt (like credit card or auto loan debt) should you pass away suddenly. Knights of Columbus term insurance is designed to provide you with a maximum amount of coverage at affordable and competitive rates. Unlike permanent insurance, term insurance is temporary, and is designed to expire as your financial obligations expire. Our term insurance rates are guaranteed for the life of your policy, as is the amount of money that would be paid to your family should you pass away. Term insurance is also convertible. Depending on how you and your Knights of Columbus field agent customize your term insurance policy, you can convert some or all of your insurance to permanent coverage at a later date, without providing further proof of insurability. So, if your health changes and you have an active term policy, you can secure permanent coverage that you may otherwise have been denied. Talk to your K of C Field Agent and discover the options you have with Term

Life Insurance: 10, 15, or 20 Year Term, also Annual Renewable Term, and a special product (Young Adult Insurance) for Knights and their spouses ages 18-29 to help them start their insurance protection. For additional features and benefits, contact your Field Agent today.

District Deputy Corner

- **Greetings Brother Knights**

A new month, and continued prayers for an end to this pandemic, good health and well-being of all our Brother Knights and families.

The challenges that we've faced often seem overwhelming, but keeping our faith in our loving God, and his guidance will take us through it. I've often admired the big oak trees around San Antonio, considering I grew up in an area of Texas that was a bit void of trees....but I remind myself that those trees got started from a small, persistent little nut. So our challenge will always be to continue to be persistent, facing our challenges knowing that we

will through God's help, become stronger and rise above this pandemic, and social unrest. We have a wealth of information on-line. If you go to kofc.org, you'll find a wealth of information on how to make our Council grow, and be more effective within our parish, and community. The Benefits presentation noted below is a 'must see' program, sponsored by our Knights of Columbus Insurance. So please register to attend, and ask others Catholic friends (don't have to be a Knight) to join us.

You'll also note below, that our Archdiocese of San Antonio, and USCCB has three Sunday, Respect Life services scheduled. Attending can be documented and help with receipt of the ACE Wings. Also September normally brings a little cooler weather (below 90) and chance to enjoy being outdoor with your family. Be the big oak tree (A Knight) to your family, parish, and community....continuing to pray together. God bless you and your family, and God bless America.

David McKnight graduated from Brigham Young University with Honors in 1997. Over the past 22 years David has helped put thousands of Americans on the road to the zero percent tax bracket. He has made frequent appearances in Forbes, USA Today, New York Times, Fox Business, CBS Radio, Bloomberg Radio, Huffington Post, Reuters, CNBC, Yahoo Finance, Nasdaq.com, Investor's Business Daily, Kiplinger's MarketWatch and numerous other national publications. His bestselling book *The Power of Zero* has sold over 250,000 copies and the updated and revised version was published by Penquin Random House. When it was launched in September of 2018, it finished the week as the #2 most-sold business book of the world,

In 2019 The Power of Zero was ranked as the #9 best financial resource in the country by Forbes Magazine. This book was recently made into a full-length documentary film entitled The Power Of Zero: The Tax Train Is Coming. As the President of David McKnight & Company, he mentors hundreds of financial advisors from across the country who specialize in the Power of Zero retirement approach. He and his wife Felice have seven children.
