## GRAND KNIGHT'S CORNER

Brother Knights:

After our January 2018 Council meetings, were we discussed the appeal I made in the last Council newsletter, I have come to understand the frustration Past Grand Knight David Santos expressed in quite a few of his Grand Knight's Corner articles.

The response to my appeal to get our Council to participate in an attempt on how to best improve our Council's membership experience & spiritual growth was not successful. One person agreed to participate and work through how we might change. Another said we should just focus on the programs we already have. That is it for feedback; guess some feedback is better than none. Or perhaps silence IS the feedback that is not sinking into my hard head!

If we want to continue the path we have been on for the past few years then silence is the answer that the Council should just keep walking the same worn trail. I believe that if we continue down this trail of apathy we will eventually come to the end of the trail for this Council.

Unless we all get together to figure out how to cut a new trail, or at least improve our current trail, the small band of Brothers carrying the Council for the past few years will tire out and stop participating, or will quit and go to other Councils, as some are contemplating now, or will leave the KofC organization, and/or some of us will die off. Anyway you cut it we will not have a viable Council. A sad state of affairs!

Some may be thinking, you are the Grand Knight! Figure out what we need to do and improve the Council! I know I beat myself up with that thought; but I also know that I cannot do it alone or even with a handful of people. The Council needs everyone's HELP!

Are you willing to help? Please send me an email ([enriqueldm9@gmail.com](mailto:enriqueldm9@gmail.com)) or call/ text me at 916 730-8780, and come to the next meeting February 13<sup>th</sup> and/or the planning meeting on February 27<sup>th</sup>.

Alternatively, if you do not feel it is worth taking improvement actions, please let me know that also. At least we will know for sure where we stand...

God help us discern the correct next steps for our Council.

# LETTER OF APPRECIATION

St. Paul Catholic Church  
Social Justice Ministry

Dec 27, 2017

Knights of Columbus  
Mother Seton Council # 6922  
P. O. Box 292280  
Sacramento, CA 95829

Dear, Grand Knight Henry Loret de Mola / Knights of Columbus

On behalf of St. Paul Social Justice Ministry, we would like to thank you The Knights of Columbus Mother Seton Council # 6922 for such a generous donation of \$500 to our Social Justice Ministry winter sock drive.

Our sock drive was a huge success!

We were afforded with your help to purchase not only socks this year but beanies, gloves, thermals, tarps, hand warmers etc.

From your \$500.00 Donation I had the pleasure of purchasing the following:

168 Pairs of socks

160 Hand warmers

34 Beanies

32 Tarps

23 Thermals

28 Pairs of gloves

11 Ear muffs

3 Sleeping Bags

With a grand total of \$499.93 with .07 change

On December 17, 2017 the St. Paul Youth group SPYM kids helped assemble care bags with toiletries, socks, gloves, chap stick and other items gathered throughout the year.

On December 18<sup>th</sup> we delivered to Loaves and Fishes over 1000 pairs of socks along with all the other useful items mentioned that our brothers and sisters on the street could use.

It truly is because of people like the Knights of Columbus and our St. Paul parishioners that so many less fortunate people are just a little warmer these cold days and nights.

Most importantly our brothers and sisters who call the streets home know they are not forgotten.

When dropping off our donations we are always asked "Who is this from?"

As always, we say "from St. Paul Catholic Church Social Justice Ministry and

St. Paul Church parishioners

This time I had the privilege to also say from our St. Paul Catholic Church

Knights of Columbus

Council # 6922

Thank you once again, for all your support.

God Bless,
