Brothers,

With the historic election of Pope Francis, the Knights of Columbus has a unique opportunity to express our solidarity with the Holy Father by expanding our charitable outreach and growing our membership. In taking his name from St. Francis of Assisi, “the man of poverty,” and identifying himself so closely with the poor by his public acts and statements, the Holy Father has shown himself to be dedicated to charity. Since our Order’s guiding principle is charity, there is no better way to express our solidarity with Pope Francis than to build each council in its charitable outreach by serving those in need. With this in mind, I am pleased to introduce a Membership and Programs Special Incentive in Honor of Pope Francis. During the next three months (April-June), each time a council takes part in a First Degree exemplification that brings at least one member into that council, it is entered into a competition for one of two all-expense-paid trips to Italy – including tours of Rome and Assisi — in early October 2013 for the grand knight and membership director and their wives.

GW—Is this serious?????? Text me if you want it in the Newsletter.
