A Word from The Grand Knight by: Gary Wisniewski

Brother Knights,

I wanted to thank all of you for everything that you do to make our council and our Parish a great place to be. There are many knights who don't get recognized for their efforts but are always working hard behind the scenes.

This first year as your Grand Knight has been very enjoyable because of all the help I/we receive towards our goals and programs. I am always amazed at the spirit of giving back that resides in Our council.

Now that the fraternal year is 1/2 over, let's make a concerted effort to bring in New Members and to revive the members who we have not seen lately. Please take the time to talk to "**Just One**" other member who has been absent for the last year. Encourage them to attend a meeting or one of the upcoming events. We could always use more help.

At the State Mid-year meeting, as I looked around the crowd, I recognized a similar trait that I see at all of our meetings. The attendees are either Grey headed or Bald!!!! I applaud all of the senior members (myself included) for all they do, but the Knights can't exist without new and younger blood to carry the message forward. Please be on the lookout for young men who you feel would make a good knight.

Vivat Jesus

Lenten Fish Fry

Brother Knights,

I am looking forward to leading this wonderful event for our Council and our Parish this year. Just think, next year, you can have the honor. We have a wonderful opportunity this year to have as many Knights volunteer in one way or another. The secret handshake is to go to the website, click on "Event Calendar". Go to February 15th and click on Fish Fry. Click the "Click Here to Sign Up" button. Type in your member number, it is on the piece of paper in your wallet dated 2009. Select the number of hours you intend to volunteer. If you are a committee chair, feel free to add the number of committee members while there. After that step up and click the button "Sign Up". The website will redirect you to a new page that asks for you to type in the "Tasks I Will Perform / Things I will Bring:". You can write as little or as much as you want. The more information the better as it will be shared with the co-chairs. If you are new to the Fish Fry Friday, you can just type in "put me to work" and please note when you intend to arrive so that we can assign you accordingly. Tasks to perform include: thawing, boiling mac and cheese, washing dishes, setting up tables and chairs, breading, frying, washing dishes, green bean guru, slaw monitor, washing dishes, emptying trash, sweeping, serving, cooking, runners (of the food, don't go there), washing dishes, having fun, putting dishes away and finally, washing dishes.

Happy Birthday!!
