Grand Knight Corner

****Fish Fry**** what more I can I say? Well there is lot to be thankful for, we've had as many as 70 people volunteering each Friday to make our fish fries a big success. Thanks to all who have helped.

Additionally, in first three weeks Knights served over 300 more dinners than last year. The final Fish Fry is April 12.

Quinten Skinner continues to work almost daily for all fish fries. He has provided much support as several of our key Knights have had various health problems this year. **Joe Simone** continues to provide guidance through out our efforts. **Ron Michelis** continues his great work on setting up our outside kitchen and drive through. **Jack Breier** is supporting our social hall set up before going into the kitchen and continually helping. There many others who throughout the week, filling propane, getting supplies and fish all prior to Friday. A big thank you to all involved. It takes all to make this a success.

I have to mention that each fish fry is a recruiting opportunity. We need new Knights to meet our goals this year. There are recruiting materials available at the ticket table. A simple post card completed would allow our Knights the opportunity to follow up on that interest in the Knights.

The implementation of Supreme's "Faith in Action" continues. This change has introduced many new programs and forms. All program leaders are working on the details of all the great work we have done this year. Please understand this change has rearranged all of our good work, be receptive if you asked details on programs from more then one person.

Message From Our Field Agent Stephen Znoj

The Value of Life Insurance for Children

As a father, you worry about your children and do everything you can to protect them. You try to raise them right and make sure they are prepared to become adults. But have you ever thought about buying life insurance for your child?

When you insure a child, you are protecting his or her future. Did you know that one out of every six adults get rated, postponed, or denied for insurance coverage? If you purchase a policy for your child from the Knights of Columbus with a guaranteed purchase option, it guarantees that more insurance can be purchased for that child at certain set dates, without proving insurability.

Unfortunately, as fathers we don't have a crystal ball, and we don't know what the future may have in store for our children's health. But did you know that right now you can purchase a child's policy, in many cases, for less than \$10 a month?

I've heard it said that people don't want to "profit" from the death of a child, so they won't purchase coverage on their children. God forbid something tragic happens, those funds can come in handy at a time when finances will be the last thing on a parent's mind. I have never heard a story about someone who regretted buying coverage on their child.

Contact me today to discuss the many policy options for child plans.

INSURE YOUR MOST PRECIOUS GIFTS

Advantages of Life Insurance for Your Child:

✓ **Guaranteed Future Insurability***

In the unfortunate event that your child develops a medical condition, he or she would be eligible to purchase additional insurance through guaranteed purchase options, regardless of health.

✓ **Lock in Lower Premiums**

Buying a permanent policy on your child allows you to buy more coverage at a much lower cost and keep the same premium for life.

✓ **Show the Importance**

By having life insurance on your child, you are showing him or her the importance of taking care of loved ones.

✓ **Start Them on the Path to Saving**

A permanent life insurance policy includes a savings element that builds accessible cash value over time.

✓ **Help Plan for the Future**

Someday your child is going to go off to college, buy a car, get married and buy a home. All of these will involve some debt. A life insurance policy will help secure a loan with a bank.
