## Message From Our Field Agent Stephen Znoj

### *Plan for this Tax Day and into the Future*

April 15 (tax day) is right around the corner. It's become popular this time of year to encourage the opening of an IRA or similar retirement annuity, or the depositing of additional funds into an existing account, as a tax savings vehicle. Or perhaps someone has tried to convince you to open an account, touting the rate of interest that money in one of these accounts can earn. Let me join the chorus of folks encouraging you to open or add funds to an annuity, but for a different reason.

Certainly, contributing money to a Knights of Columbus annuity will allow you to save some money on your income tax return. And, our annuities do pay a very competitive interest rate, consistent with our primary goal of absolute safety of principal. Opening or adding to an annuity for these reasons, however, strikes me as taking a short-term view of a product that is designed to provide long-term security. How much security? How does retirement income that you cannot outlive — guaranteed — sound to you?

Here at the Knights of Columbus, you can open a retirement annuity for as little as \$300. Consistent and disciplined savings placed into that annuity over time can — properly structured — guarantee you an income at retirement that you cannot outlive. That guarantee — along with the fact that no one has ever lost money left in a Knights of Columbus annuity (remember — absolute safety of principal) — really will provide you with peace of mind.

I am happy to meet with you — at your convenience — to explain in detail the benefits of opening a Knights of Columbus annuity, along with the benefits of our top-rated life insurance, disability income and long-term care insurance plans.

Vivat Jesus

## Lenten Mission with Fr. John Bartunek LC

Father John Bartunek, LC, S.Th.D, received his B.A. in history from Stanford University in 1990, graduating Phi Beta Kappa. He comes from an evangelical Christian background and became a member of the Catholic Church in 1991. After college he worked as a high school history teacher, drama director, and baseball coach. He then spent a year as a professional actor in Chicago before entering the religious Congregation of the Legionaries of Christ in 1993. He was ordained a Catholic priest in 2003 and earned his doctorate in moral theology in 2010.

Father Bartunek provided spiritual support on the set of Mel Gibson's "The Passion of the Christ" while researching the 2005 Catholic best seller, "Inside the Passion," the only authorized, behind-the-scene explanation of the film. Father Bartunek has contributed news commentary regarding religious issues on NBC, CNN, Fox, and the BBC. He also served as the English-language press liaison for the Vatican's 2005 Synod of Bishops on the Eucharist.

His most widely known book is called *The Better Part: A Christ-Centered Resource for Personal Prayer*. His most recent books are *Seeking First the Kingdom: 30 Meditations on How to Love God with All Your Heart, Soul, Mind, and Strength*, and *Answers: Catholic Advice for Your Spiritual Questions*.

Father Bartunek currently splits his time between Michigan – where he continues his writing apostolate and serves as a confessor and spiritual director at the Queen of the Family Retreat Center – and Rome, where he teaches theology at Regina Apostolorum. He answers questions about the spiritual life at [SpiritualDirection.com](http://SpiritualDirection.com). His online, do-it-yourself retreats are available at [RCSpirituality.org](http://RCSpirituality.org).
