Brothers,

I hope everyone had a good Holy Week and a Happy Easter.

We had great amount of success during our six Lenten Fish Fries. Thank you to all who helped make this a success. Final tallies are not available at time of this writing but on April 12 we served a total of 669 meals. I do believe that is a new record.

On May 4 St. Brendan's will have a First Communion at 11 am and 2 pm. An honor guard has been requested. Please inform **James Borzak** if you can take part in the honor guard.

On May 7, will be holding a First Degree Exemplification. Candidates should report to Faith Formation building upstairs by 6:30 pm. The FDE will start at 7 pm.

June 10 will be our annual reunion picnic behind the Faith Formation Building.

**JP Kidwell** and I will be putting together a Committee next week to build our Team to help us with our St. Brendan's KOFC Council 12942 **Knights Survey** project. Let us know if you are interested in helping with this.

James reminded the council of the "Made for Greatness" half day retreat scheduled for April 27<sup>th</sup> from 8:30 am to 1:00 pm with **Father Matthew Kaderbak** and **Christopher Carter**. ## Georgia's "fetal heartbeat" Abortion Bill

### Georgia's 'fetal heartbeat' abortion bill: What you need to know

Nicquel Terry Ellis , USA TODAY Published 4:52 p.m. ET April 2, 2019 | Updated 4:30 p.m. ET April 3, 2019

Republican Georgia Gov. Brian Kemp could sign a controversial bill this week [that would ban abortions](#) after a heartbeat is detected.

#### When is the governor expected to sign the bill?

Kemp must sign the bill by May 12, which marks the 40-day threshold following the end of legislative session.

#### When would the law go into effect?

The law, named the Living Infants Fairness and Equality (LIFE) Act, would become effective Jan. 1, 2020.

#### Who plans to challenge the law?

The American Civil Liberties Union of Georgia indicated it will go to court to fight Georgia's law. Hollywood celebrities signed a letter saying they will urge TV and film production companies to abandon Georgia if the law is passed.

#### Are there exceptions for this law?

The bill's exceptions include cases that involve rape or incest on the condition that the victim files a police report or someone files one on their behalf.

Lawmakers say the Department of Community Health and the State Medical Board will determine the process for getting an abortion after a police report is filed.

Other exceptions include when a doctor determines the pregnancy would cause death or bodily harm to the mother or the fetus would not be able to live after birth.

There is no exception, however, for women who say they don't know they are pregnant at six weeks.

#### Would the six-week abortion ban be unique to Georgia?

No. Georgia would join Kentucky and Mississippi, which passed six-week abortion bans in recent weeks. Republican lawmakers in several other states, including Tennessee, South Carolina, Ohio and Florida, are considering similar bills.
