"A family that prays together stays together. Just an old adage that is still relevant today. **What brings a family together, going to the sacraments, a family meal, a family vacation, and things that individuals do in our family that makes us proud.** Keeping Christ in Christmas allows us to celebrate what **Christmas is truly about.** Giving joy to others in any way we can is part of the "Keeping Christ in Christmas poster contest. These beautiful expressions of faith are the foundations of a blessed life and a long-ing, deep in our hearts, for the joy Christ gives us."

Michael Madda's Mother greeted me last week at the 9:00 Mass and said the following below:

"JP, thank you for your help in coordinating the "Christ in Christmas campaign". Our son, Michael, always enjoyed doodling, but it seems the art contest fueled his desire to really work at drawing. Currently, his favorite creations are military (guns, tanks) and high-end cars (Ferraris, Lamborghinis). **Of course, as a mom, I'm most proud when he draws a beautiful monsternce while we are at Adoration.**

Thank you for all you do for St Brendan's Knights of Columbus and Christ, Susie Madda"

Interesting reading Matthews comments above brings home the fact that as Knights we are not just a Brotherhood but a Family! My estimates are we have served and shared over **4,340 meals** this past Columbian year via Polish Dinner, Hope for Rebecca, Monthly Socials, Fish Fry's, Santa's Breakfast, Council Meetings and many more.

Thank you, Joe Simone and your entire Team of committed Knights!

At each of these Family events, **prayers** were said and our Knights that felt the calling volunteered! Please pray for St. Brendan's Knights of Columbus Council #12942 that the other half of our card-carrying Members can also feel the calling to pay both their dues and volunteer!

Your Humble Servant (needs your prayers also)

- Meet Your Officers -

Christopher Bell **Deputy Grand Knight**

Hello, Brother Knights of Council 12942. I have been a Knight for the past seven years and this year I was asked to be the Deputy Grand Knight. I am honored to be able to serve our council and with your help we can grow our council and our charitable programs. I would like to first share what my responsibilities are in the office of Deputy Grand Knight, as outlined in our guidelines:

- Assists the Grand Knight with operation of the council and any other duties assigned to him by the Grand Knight
- In the absence of the Grand Knight, presides at council meetings
- Is recommended to serve on the council's Retention Committee
- Makes sure bulletin/pulpit announcements are taken care of
- Makes sure all special events are coordinated and in place with each person responsible for heading up the event.

I am very passionate about giving back and helping others. With your help I'd like to get some new programs that show the community, not just our church, what the Knights of Columbus is all about. Three of the new programs we are rolling out are the Tootsie Roll campaign, Boy Scouts of America Merit Badge courses, and assisting elderly parishioners in and out of church via the temporary ramp. In addition, we would like to expand the Baby Bottle campaign, Keep Christ in Christmas, and Monastery Christmas Sales. Now, more than ever with the addition of these new programs, we will need brothers to share their time in volunteering. A wise man once said, "Many hands make light work." Let's all offer our hand at helping with one of these new or existing programs. Please reach out to me with your interest in volunteering at christopher-bell6790@yahoo.com.

I have enjoyed living in Cumming, Georgia for the past 15 years. I was blessed to marry my best friend, Elizabeth, 17 year ago. Originally from Wisconsin, we are die-hard "cheese heads" aka, Packer fans as well as Wisconsin Badger fans. We have two wonderful children, Lucas (age 11) and MacKenzie (age 9), three dogs, Bandit, Smokey, and Snowflake and a numerous amount of salt water fish. Our house and lives are never dull!

We have been members of St. Brendan's since our relocation to Georgia and over the years have made many wonderful friends and relationships. As a family, we try to lead by example by volunteering and giving back to the community in areas we see a need.

I have spent the last 20 years of my career in Sales, first as a National Accounts Manager selling automotive after-market accessories. After 18 years of flying five days a week, 300+ days a year, I gave it up to take a job that would allow me to come home every night and spend quality time with my family. I currently work for Hilti North America as an Account Manager. Our family loves to travel and enjoys life's adventures together.

Your Worthy and Humble Deputy Grand Knight

September is Life Insurance Awareness Month

Richard Langton
Field Agent

I don't know about you, but I don't want to buy life insurance...I want to buy what life insurance provides: no change in lifestyle for the survivors...in the house where they want to be. It'll pay for a daughter's wedding, a child's college education and much more.

September is Life Insurance Awareness Month. It's the one month each year that the life insurance industry coordinates a campaign aimed at educating folks about the importance of life insurance and helping them get the coverage they need.

I don't want to bore you with lots of statistics, but a recent survey from LIMRA (Life Insurance Marketing Research Association) found that only 59% of Americans own life insurance and about half of those are underinsured. So that means that 70% of the population either has no life insurance or has too little life insurance.

So what does that have to do with the Knights? The historian, Christopher Kauffman, spent several years at the Supreme Office and at the Museum, researching the book that he wrote on the 100th anniversary of our founding. That book, Faith and Fraternalism, notes on page 13, "...he [Fr. McGivney] was deeply interested in pursuing the topic of a Catholic fraternal insurance society among groups of Catholic laymen of New Haven." Then on page 35 Mr. Kauffman goes on, "...he [Fr. McGivney again] spent his energy in promoting the insurance feature...his emphasis on business was his pastoral concern for the social and financial security of the family."

Fr. McGivney lived both the social and the financial *insecurity* of a desperate family, with the breadwinner suddenly taken, that had to be supported. He left the seminary to work and support his mother and siblings. He didn't want other Catholic families to find themselves in such a predicament. That, and uniting men of faith, was the impetus for establishing our Order. Everyone who joined in those first years was insured; that was part and parcel of being in the organization. Now every member has a choice and every member should know what we do, and how we do it. Here's the process I use when I meet with families:

1. Discover – Identify & prioritize your financial goals
2. Gather Data – Collect facts & figures based on your current situation
3. Analyze – Input data, run calculations, identify shortfalls
4. Recommend – Propose a financial strategy designed to satisfy your goals
5. Implement – Choose a financial strategy and implement
6. Periodic Review – Review regularly, measure success, make adjustments

As you can tell, this is a painless process. But it can help any family, at any age, determine if they have blind spots in their coverage. It can help you avoid the pain of being underinsured. With a variety of life insurance products we offer we can help just about any person within any budget.

I don't know about you, but I don't want to buy life insurance...I want to buy what life insurance provides: no change in lifestyle for the survivors...in the house where they want to be. It'll pay for a daughter's wedding, a child's college education and much more.

What does life insurance provide? Peace of mind, security, freedom from anxiety, a safeguard from the unknown.

That's where I can help.

Vivat Jesus!
