Worthy Brother's & Sir Knight's,

#### PRAYER REQUEST:

I woke up this morning and as soon as I turned my cell phone on, I had a message from our Worthy Chancellor Tony Terbrueggen letting me know his Father Dave had died today from a fall. Please read Tony's request for prayers on UKnight.

#### FISH FRY'S:

The next six Friday's are important to our Parish Family including Priests, Deacons and everyone that help keep the doors open including our Parishioner's. It is important for our Knights and their families to come together and serve as an example to our Community.

**Pencils, Recruiting, Membership Cards & Badges will be available at all 6 Fish Fry's.** Volunteers needed. Please reach out to JP Kidwell.

#### 4<sup>th</sup> Degree 120<sup>th</sup> Anniversary of the KofC on 2-22-2020:

Our newest **Sir Knights** for our **Fr. Mychal Judge Assembly #3086** are:  
S.K. Jeff Kroeger, S.K. Bill McGinn & S.K. Michael Rooney  
Congratulations!

#### Baby Bottle Campaign & How to Use Text GIVING:

Over the years, our family participated in the St. Brendan's Baby Bottle campaigns and we encouraged our children to participate and have to say that this new Text GIVING concept is remarkable. I used it this past Sunday and knowing that there is a large portion of our society that does not like carrying cash, this was fantastic because I used a credit card. Please click on this link how to use Text GIVING:

[https://drive.google.com/open?id=1IbqTGEVdWZFILSdA0eIH5hpeyJwrL6\\_Q](https://drive.google.com/open?id=1IbqTGEVdWZFILSdA0eIH5hpeyJwrL6_Q)

I've been fortunate to have worked with **Whispering Hope/Cumming Women's Center** and had the **Pregnancy Aid Center (PAC) in Roswell** provide the following letter to all five of our children and eight of our grandkids to remind them how they were raised and how we expect them to act in this secular society. We provided a donation for their help with this. To see the PAC letter to my family, click here:

I love the idea of **Text GIVING**. **Saving a life via texting** and helping pay for an **ultra sound machine**.

## Grand Knight Corner (Continued from Page 1)

### **Newsweek Article about Caregiving & Alzheimer's – The Kidwell Family, June, 2007:**

A number of my dear friends with the Knights have and are experiencing friends or family with Alzheimer's. I share this article with all of you and the way our family attempted to deal with this terrible disease and the caregiving. Click on link: <https://drive.google.com/open?id=1zn2G3Y2YxnpcDyA6M6AJgfdvRz9WfGG>

My Father was providing my Mom's caregiving and despite his excellent health as a runner and marathon runner most of his life, he developed leukemia. My older brother Tim (oldest of 8) quit his Advertising job in Chicago and took on with his wife Mary and children to care for my folks. My sister Alice and I would help but being in Mexico City and Atlanta we could not offer the full time care my Mom needed. My Mom died in a Catholic Home a year and a half later. My Dads prayer to God was simple: "God please let me be with Grace (my Mom) at the end". My Dads prayer was answered and he died 6 months later.

### **All Membership Cards & Badges Must Be Picked-up at Fish Fry's:**

Every badge and membership card will be available for pick-up at the next 6 Fish Fry's. Come see us at the Knights table and check the list of badges and cards we have. If not picked up over the next six week you will have to set up a special meeting and pay for these items. You will not be able to pick up at Council Meetings any more.

### **Mass Captains are a Tremendous Success!**

Thank all of our Mass Captains and your helpers for a tremendous job with the Baby Bottle campaign. Keep up the good work.

### **Boy Scout Merit Badges:**

Our 1st merit badge class was taught by **Sir Knight Matt Brech** on February 20<sup>th</sup>. Five Boy Scouts from 3 different troops came and had positive feedback that this was so great to offer scouts. Thank you, Matt, for your service and dedication to our Council and Knights.

Loving God, I thank you for the gift of life you gave and continue to give to me and to all of us.

Merciful God, I ask your pardon and forgiveness for my own failure and the failure of all people to respect and foster all forms of life in our universe.

Gracious God, I pray that with your grace, I and all people will reverence, protect, and promote all life and that we will be especially sensitive to the life of the unborn, the abused, neglected, disabled, and the elderly. I pray, too, that all who make decisions about life in any form will do so with wisdom, love, and courage.

Living God, I praise and glorify you as Father, Source of all life, as Son, Savior of our lives, and as Spirit, Sanctifier of our lives.

Amen.

MARK ZIMMERMAN IS A REGULAR PARTICIPANT IN THE GSGA ADAPTIVE GOLF PROGRAM AT PHIPPS.

### Georgia Golf JAN/FEB 2020 ADAPTIVE GOLF PROGRAM

The development of the GSGA Adaptive Golf program has made Georgia one of the leaders in the movement to make the game more accessible to individuals with mobility or cognitive challenges. The goal is to make playing golf a reality for the 20 million disabled men and women who would like to play the game.

The GSGA program, led by PGA professional David Windsor, began in 2015 and is open to all ages. It provides specialized equipment that allows golfers to control their swing. The goal is to enhance the life of the participants through golf.

Windsor is one of the pioneers in the adaptive golf movement. In 1999, he started conducting adaptive golf clinics when he was a professional in Florida and continues to work tirelessly to meet his goals to expand the borders of the game. In 2015 he received the Patriot Award from the PGA of America, a national honor given for his work with veterans with disabilities.

Windsor said, "It is so gratifying. That's the driving force. At the end of the day, you know we've made a difference and people are appreciative of it. They come up and tell you how it saved their life. We've had folks that have been through it all."

One of the largest growing areas for inclusion is veterans who are suffering from the effects of PTSD and those who are trying to recover from the effects of a stroke.

"Every 40 seconds someone in the United States has a stroke," Windsor said. "So it's just a great way to get them back out there. A lot of it is building back the confidence and being around others who are dealing with the same issues. That really helps give them a boost."

The GSGA became the first allied golf association in the country to conduct an Adaptive Golf Championship, which was hosted at Bobby Jones Golf Course in Atlanta in October 2019. The competition drew players from 16 states, as far away as California, Arizona and Michigan.

Tracy Ramin of Minnesota won the first event. "This was a really good event. It felt professionally-run — between the scoreboard, the caddie bibles — they really took care of us," Ramin said. "It definitely felt that we were important and this was a serious championship. I loved seeing how well it was portrayed by the GSGA. I'd love to come back and defend my title. Very proud to be the winner of the inaugural GSGA Adaptive Golf Championship."

There are ongoing opportunities for adaptive golf throughout the state in Atlanta, Savannah, Augusta and Valdosta. Seventeen different facilities serve as sites for adaptive clinics and instruction, with more sought by the program's organizers. There are more than 70 trained coaches and volunteers in Georgia, with a need for more. ☐

*RV Gregory is a freelance writer based in Atlanta and frequent contributor to Golf Georgia. Stan Aubrey is editor of Golf Georgia.*

IT DEFINITELY FELT THAT WE WERE IMPORTANT AND THIS WAS A SERIOUS CHAMPIONSHIP. I LOVED SEEING HOW WELL IT WAS PORTRAYED BY THE GSGA. I'D LOVE TO COME BACK AND DEFEND MY TITLE. VERY PROUD TO BE THE WINNER OF THE INAUGURAL GSGA ADAPTIVE GOLF CHAMPIONSHIP. — RAMIN

## Fr. Michael J. McGivney Stained Glass Window Knights of Columbus Council 12942 FUND RAISER

### Who is the Venerable Father Michael J. McGivney?

On an icy Monday morning on February 6, 1882, the New Haven, Connecticut Probate Court heard the case of 19-year-old Alfred Downes, one of 14 children whose father Edward had died suddenly.

Under Connecticut law, the Probate Court had the right to assign children to public institutions if the family had no way to provide for them. To avoid the separation of Alfred from his widowed mother, brothers and sisters, someone would have to post a \$1,500 bond to ensure the court that the fatherless child would not be neglected.

The judge asked if anyone was present in the courtroom who could enter into a guardianship for Alfred Downes.

A man wearing a black cassock stood up. He was a Catholic Priest, and the sight of a Priest in a public, government facility was very unusual for that time. But this was no ordinary Priest. He was **Father Michael J. McGivney**, the assistant pastor at St. Mary's Catholic Church, and he had come to the courthouse because a Catholic family was in trouble.

This priest's obsession to do something about the hardships suffered by Catholic families would define his short life and eventually lead the Catholic Church to consider him for sainthood.

Father McGivney is the founder of the Knights of Columbus, the world's largest Catholic men's fraternal organization.

Please consider honoring the founder of our Knights of Columbus with a donation to purchase a stained-glass window installation in St. Brendan's the Navigator Church

<https://kofc12942.square.site/council>

As a Council we have reached our \$8,500 goal. Thank you all for your participation and donations.

## St. Brendan's Makes St. Valentine's Day Special

**Father Juan Pablo, Alona Capehart, Phil Capehart, Father Matthew Van Smoorenburg  
At St. Valentine's Day Couples Evening**

Alona and I Celebrated Valentine's Day at our Church's annual Valentine's Day Couples Evening with a special Valentine's Mass which included a wedding vows renewal, followed by dinner, then a presentation and blessing by our Guest Speaker Father Juan Pablo Duran, who was also the Mass celebrant.

What a beautiful way to celebrate the special day dedicated to love by also being with those who celebrate the Love for our Faith. The two longest married couples in attendance are blessed with 61, and 60 years of togetherness.

Father Juan Pablo is the Director of "Three to Get Married" for the Archdiocese of Atlanta. He previously served as President of Our Lady of Bethesda Retreat in Maryland. He grew up in Atlanta and was assigned here after numerous years studying and working in Italy, Spain, Connecticut and Maryland.

Father Juan Pablo's presentation "Together Forever" not only provided tips for a fulfilling marriage, but also the biblical insights on how marriage is a gift from God, designed from the very beginning in Genesis; and elevating it to a Sacrament (of Matrimony) with Jesus' first miraculous act at the wedding in Cana, thus making God through Jesus the third person in a marriage.

The gift of marriage paves the way to the gift of family, which is what God intends for us have, and to be. God became one of us in our humanity in a family, through the birth of Jesus with Mary and Joseph as His earthly parents; and through the new covenant that Jesus established we become God's adopted sons and daughters.

## Meet Your Officers

### Stephen J Herzog

#### Treasurer

**Stephen J Herzog**  
Treasurer

Brother Knights,

You may ask, who is that guy up there with the big black check book who never seems to be paying attention during the Council Meetings? I have been referenced by some as The Money Man, The Man with the Check Book, The Banker, The Paymaster and by some St. Brendan Council 12942 Treasurer for Life. To be clear, I am just a volunteer for the Council who is honored to have been selected by his brothers to serve as your elected Treasurer.

The treasurer is responsible for managing the council funds. He receives, deposits, and disburses the funds of the council in cooperation with the Financial Secretary, the Trustees, and the Grand Knight. Finally, he balances and verifies the ledger while providing a monthly report to the Council.

I have been a parishioner here at St. Brendan since converting and completing the first Catechism class conducted by St. Brendan back in 2001 while we were meeting in the South Forsyth Middle School gym. I later was enlisted upon and became a charter member of the Knights of Columbus Council # 12942 in October of 2001. I have witnessed both the Church and Council grow in numbers while embracing the multitude of changes. My faith journey has been enriched by participating with the Eucharistic, Lector and Usher ministries.

I am not your cradle Catholic but I was privileged to be raised with Christian virtues and strive to honor my family living my faith in God through my Catholic faith journey.

I consider myself a true Southern Gentleman having lived in the suburbia Atlanta, Georgia region the majority of my life.

I was given the name Zog by upper classmen in high school when I was a freshman as there were too many Steve's on the team. Needless to say, the name stuck and there has not been any confusion of who they are referring to when Zog is called upon.

I am a graduate of The University of Georgia and continue to bark loudly particularly in the fall. My family was instrumental instilling the outdoors in my blood as I am an avid Outdoorsman, which is more than being a hunter or fisherman, who believes conservation is instrumental to preserving His creation.

I have been asked where are you these days as it seems you are constantly on the road. I do travel with my current position at CDK Global who I have over 34 years of tenure.

My latest project in which I am most proud to pursue, is the restoration of a building that my granddad built 30 years ago commemorating the 125<sup>th</sup> Anniversary of the church in his community. It is a replica of the original church building in which Minnie Pearl attended. I have moved the building to a small piece of land I own in Tennessee that I consider heaven on earth as the view proves to be spectacular each and every instance.

I am honored to be your fraternal brother and to serve as the Treasurer.

Vivat Jesus,

Steve Herzog (aka Sir Zog)

## Knights Tee 'em High

Brother Knights,

Stay warm over the winter and we'll pick back up in the Spring!

Some thoughts to ponder as we reflect on our golf game:

"It's not how you drive, it's how you arrive"

"When it's breezy, swing easy"

"You drive for show and putt for dough"

Over the years, many of us have come into contact with old coins and stamps. Some times they are acquired by being handed down through family members. You may even have collected on your own. Usually these collections lay dormant for years in safety deposit boxes or in the attic. In most cases, the current value of the collection is only a guess. That doesn't need to be the case.

Since 1956, as a fifth grader, I have been involved with coins and stamps. It has been my passion. I'm offering an appraisal service that will update you on the current value of your holdings. I have the expertise to make that happen and you owe it to yourself and other family members to have that information. I will do the traveling so that you don't need to leave your home. Just give me a call to discuss the details. Thank you.
