COUNCIL 9058 NEWSLETTER

Grand Knight's Report

The Grand Knight would like to thank all the volunteers who helped with the move to the new Food Pantry.

The monthly Planning meetings continue to be a valuable tool. The meetings are broken down into a Dinner Committee and a Planning Committee. During the Dinner Committee portion of the meeting, current processes are reviewed by the committee and revised as needed. In addition, the last month's meal experience by both the Knights and guests are reviewed for what went right, what didn't and what could we improve on. These usually result in a lively discussion which in the end gives us new ways or processes to try at the next meal. The goal is to provide the best experience we can while also improving on our efficiencies.

The Planning Committee reviews events other than the meals such as the Free Throw or Coat Drive and makes sure the proper people and resources are in place for a successful event.

All are welcome at this meeting held on the last Wednesday of each month and are encouraged to attend. The next Planning and Dinner Committees meeting is Wednesday, February 27th

The State Quarterly meeting was recently held on January 27th in Suncook. At this meeting, the State reported on such things as membership status across NH councils. Currently, all councils combined have reached approximately 50% of new membership goals for the year with 6 months to go.

The 12th annual Birth Right Dinner is February 9th at 6pm at St. John the Baptist Parish Hall in Allenstown. Cost is \$15.00 per person. Tickets will be sold at the door.

A bus trip to New Haven and the Knights of Columbus Museum is scheduled for Saturday, April 6th. The meeting place is St. Thomas Aquinas in Derry and price is \$50 per person.

A Trivia Night is scheduled for Saturday, February 9th at the Sacred Heart School in Hampton, NH. Doors open at 5pm and trivia begins at 6:30pm. The host council is 5093 out of Hampton. Cost is \$10 per person to play.

At the meeting we were presented the Columbia Award. The award is given to councils who conduct at least four major programs in each of the Faith in Action categories. Once the council qualifies, they have to submit a Columbia Award application by June 30th. This award is for the 2018 year.

Knight of the Month this month is Nick Maselli. Nick is one of our founding members of our council. His work as Financial Secretary has been exemplary and is very deserving of this award.

Puzzles and Riddles

1. A car's odometer shows 72927 miles, a palindromic number. What are the minimum miles you would need to travel to form another? (a palindrome can be read both forwards and backwards, like "Kayak")
2. A large truck is crossing a bridge 1 mile long. The bridge can only hold 14000 lbs, which is the exact weight of the truck. The truck makes it half way across the bridge and stops. A bird lands on the truck.

Does the bridge collapse? Give a reason.

3. Who makes it, has no need of it. Who buys it, has no use for it. Who uses it can neither see nor feel it. What is it?

On The Lighter Side

A priest, a minister and a rabbi are discussing when life begins. The priest says, "It begins at conception". The minister says, "Life begins at 24 weeks gestation". The rabbi says, "You are both wrong, Life begins when the kids move out of the house and the dog dies."

Man: What is a million years like to you?

God: Like one second.

Man: What is a million dollars like to you?

God: Like one penny.

Man: Can I have a penny?

God: Just a second.

A priest was driving and gets stopped for speeding.

The state trooper smells alcohol on the priest's breath and then sees an empty wine bottle on the floor of the car. He says, "Father, have you been drinking?"

"Just water," says the priest, fingers crossed.

The trooper says, "Then why do I smell wine?" The priest looks at the bottle and says, "Praise be to God! He's done it again!"

Trivia Answers

110 miles. (73037)

No it does not collapse. Because it has driven a half mile - you would subtract the gas used from the total weight of the truck
