Remember that silence is sometimes the best answer.

Live a good, honorable life. Then when you get older and think back, you'll enjoy it a second time.

It doesn't take a very big person to carry a grudge.

Good judgment comes from experience, and a lot that comes from bad judgment.

Live simply. Love generously. Care deeply. Speak kindly. Leave the rest to GOD.

The End is Near

Look out! Here it comes, the end of another year. I enjoy looking back as Christmas approaches. This year Eva and I married our last child, visited Asia and Hawaii, remodeled our kitchen and shared some great times together. I was privileged to see my wife use a jack-hammer and read to our grand-children.

While you look back on your own year, don't forget to look ahead. When was the last time you updated your financial and insurance planning. What legacy would you leave if you were gone today? Have you remembered to include charity in your estate plan? Please call me right now if you cannot answer these questions without hesitation. Let's start the next year with confidence and optimism.

From the Desk of the District Deputy Going Beyond Your Council

Many years ago, my Dad often reminded me that if something were worth doing, then it was worth doing right and I should put everything I could into it. More than anything he taught me, I remember this lesson best.

As the Christmas season approaches I am reminded that when we give out of love of Christ and our fellow man we receive so much more back in spiritual satisfaction. Many of you are already generous to the Knights with your time, talent and treasure. But some of you may wonder if there is more that you could do? Well there is. I call it going beyond your council.

First, look for opportunities to support the efforts of other councils. There are golf tournaments, dinners and city-wide activities that you can participate in. Our Tucson Chapter sponsors an annual appreciation dinner for our priests. Attend the dinner and show our priests and Bishop your appreciation.

Next, consider volunteering for activities at the state level. Our ceremonial teams are always in need of new members and we are always looking for those who may want to serve on state committees or even chair those committees. After all, to lead is to serve.

So you don't need to be a state officer of district deputy to go beyond your council. If these ideas interest you, contact me and I will help.

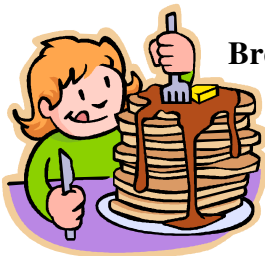

May the peace and joy of our Lord Jesus Christ be with each of you this Christmas season and always.

Pete Karculias
District Deputy #5
