HAPPY NEW YEAR! What? This isn't the 1st of January! You're right it's the 1st of July; the beginning of our COUNCIL NEW YEAR. You voted for your new Council Officer's and now you can sit back and let them do all the work. WRONG! Just give 24 hours of your busy time this year and you can make a positive difference in your council. 12 hours to meetings, 2 hours to PWID, 2 hours to corporate communions, 2 hours helping with a service activity, and 6 hours a year enjoying a council social function. Think about it...

A prayer for healing

Dear God, we place our worries in Your hands. We place our sick in Your care and humbly ask that You restore Your Servants to health again. Above all, grant us the grace to acknowledge Your holy will and know that whatsoever You do, You do for the love of us. Amen.

Grand Knight's Comments

Heavenly Father, we thank you for the many generous gifts You have given us. You have blessed us with life, and through the Light of Christ, the sure promise of eternal life. You have given us faith to strengthen our hearts, hope to encourage our journey, and love so that we might rest secure in You and share that love with others.

We praise You for the many material blessings You have showered upon us. Make us good stewards of Your bounty, using our time, talent, and treasure, to fulfill our purpose according to Your holy will.

Grant us continued faith, hope, and charity as we take this step forward to build council and church community for Your greater glory. We ask this through Jesus Christ our Lord. Amen.

What Happens to Them if You Can't Care for Yourself?

Raising a family is costly. For many of us, there's not much left over for long-term goals...such as saving for our children's education or for retirement.

Ideally, caring for a sick parent wouldn't have to be part of that equation. Yet as with so many things in life, the reality is quite different. Today, many people start families in their 30s and 40s – while their parents live well into their 70s, 80s and 90s.

If one day you require nursing care, you might have to ask your children for help just when they're ready to send their own sons or daughters off to college. This is, in fact, a common dilemma among middle-aged people today. Experts have even coined a term – “the sandwich generation” – to describe those who are squeezed between these conflicting financial obligations.

Knights of Columbus Care – a long-term care insurance plan – is the newest addition to the Knights' portfolio of insurance plans. It is available to members and their spouses ages 40 through 85, subject to underwriting requirements. You have a choice of nursing-home-only coverage, or comprehensive coverage – which also covers at-home and hospice care.

In addition, you choose your daily benefit amount, benefit duration, and elimination period. This flexibility allows you to determine both your coverage and the premium you will pay. I can furnish details.

Nursing-home care can cost upwards of \$45,000 per year (Source: HCIA Inc./Arthur Anderson LLP, The guide to the Nursing Home Industry, c. 1998.) That could easily force you to deplete assets or to rely on your family for help.

Contact me to find out how long-term care insurance can give you peace of mind.
