

The Shield and Anchor Knights of Columbus

One of Our Own Makes It

In April of this year, a member of Council 12387 achieved the highest honor as the State Deputy for the Knights of Columbus in Indiana. This would be Scott Cunningham, who has worked tirelessly for many of the Knights projects since he first joined.

We have watched as he ran for State Advocate a few years ago when a number of the Council members helped with his election. From that time, he has helped the State to weather some storms and also continued his active membership with the Council.

We should be very proud as Knights to acknowledge Scott's achievements. Volunteer work sometimes is not always rewarding, but, in the end, hard work and dedication always pays off. We wish for Scott a productive two years and we cannot help but ask the next question: Is there something bigger in the future?

Father Sam

Another member of the Council, Fr Sam Futral, is leaving us to take an assignment in two parishes near Lafayette. (I mention Lafayette because that is the center of the Universe for Ye Olde Ed). We will miss Fr Sam especially for the several study sessions that he led including the Catholic impact of the Lord of the Rings books and movies. We wish him well in his new assignment.

Final Report From the 2014 Fish and Fun Frys

In his final performance as chairman of the Fish(Fun) Frys, Jim Bagnoli outdid himself. Total meals served in six weeks was 4,153. While this was slightly less than 2013, total income and total profit increased. From 2008 when Jim took command, we increased profit fivefold. While most of the money goes to the Council operating fund (and much of that to KofC charities), the parish, the Lord's Pantry and the Loaves and Fishes Ministry also benefited. Once again, the Boy Scouts helped out in many ways and a check for \$1500 was presented to the Troop. We must thank our many sponsors and all the Knights who helped along with the students from Guerin High and the Knights of the Holy Temple. Thanks again, Jim, for a great run.

There are 22 Knights who still have not paid their Council dues for 2014 despite multiple contacts from the Retention Committee. Please continue your Council membership by sending a check for \$35 to Dick Stadler, Financial Secretary, 4717 Cheval Pl, Carmel, IN 46033. Thank You!!!

Pancakes and Tootsie Rolls

A big note of thanks to Tom Beck for chairing the Pancake Breakfasts and Kris Hodel for the Tootsie Roll fundraiser. Proceeds from the breakfasts go towards scholarships to Guerin High and colleges while the monies collected from the Tootsie Roll collections go towards the Special Olympics. Great job, men.

New Council Website

You may be wondering what has happened to the new Council website that we are creating through a company called UKnight. We did not realize in the beginning how much work needed to be done just to set up the site but that effort is now behind us. The next step is to load the site with information of interest to all members of the Council and to keep that info constantly updated. Once this work is done and info from the old site is transferred, we can let everyone know how to get on the site. Bob Bailey and Dick Stadler are working on this with the help of Grand Knight, Ken Hall, and we will be adding another member, Troy Sipes, who brings his experience to the task.

Save the Date-Parish Golf Outing-September 15

Building on the success of last year's Parish Golf Outing sponsored by the Knights of Columbus, the committee is planning to outdo last year's effort with a bigger and better one on September 15 at Plum Creek. So get started for this event by lining up your foursome and practicing your game. There will be lots of prizes, a silent auction and some surprises. Monies raised from this outing go to Gibault, the Little Sisters of the Poor and the Parish.

Notes and Notables

*Those who have not viewed the video sent by Ken Hall about a powerful Catholic advertisement should do so. It emphasizes our responsibilities as Catholics regarding next fall's election. The HR Mandate battle is not over.

*Congrats to Jim Bagnoli who was named Knight of the Year and Scott Cunningham whose family was named Family of the Year.

*Welcome new members John Jakupco and John Cohoat

*Name Tags-The Shield and Anchor has mentioned the possibility of name tags for all members in the last two editions. It seems that we will soon have these tags thanks to the efforts of Treasurer Tom Graham who is heading up the program. So come to a business meeting soon and wear yours.

*Forty Days for Life- The fall program will begin in September. Please consider signing up for one hour on the six Mondays that have been assigned to our Parish. You won't regret it.
