GRAND KNIGHT'S MESSAGE

SK W. Fred Taylor, Grand Knight

E-mail: Taylorwf8@verizon.net ~ Phone: 301-871-8928

Brother Knights and Ladies:

The fraternal year is off to an exciting and busy start. New Officers and Program Directors are in place and are looking forward to a full year of service and brotherhood. Monsignor John FitzGerald, Ph.D. came to our first Social Meeting of the year and delivered a presentation and led a discussion about the Apostleship of the Sea (AOS) Ministry supported by the Knights of Columbus around the world. A network of AOS port offices and Catholic chaplains establishes a parish that accommodates a seafarer's unique lifestyle and needs. The State Officer for this activity is our Brother, Innocent d'Almeida. This is a ministry that we thoroughly advocate and we hope to increase the support for these seafarer's.

Our Council supported a day of celebration and fellowship on July 25th, sponsored by the Archdiocese of Washington in honor of the Seminarians and their families. A special Mass celebrated by Cardinal Donald Wuerl, Archbishop of Washington, at St. Patrick's Church began the day. The mass was supported by the Sullivan Brothers Assembly Color Corps. A picnic followed and members of our Council and their wives provided drinks, attended the tables and assured that all was in order to support the celebration of the family in the nurturing process toward the priesthood.

I hope to see many of you at our upcoming events and activities. We hope you are preparing to participate in this year's Program for the Intellectually and Physically Challenged among us (Tootsie Roll Campaign). September will bring an opportunity

Motto: "Lord, help me to say 'Yes' to Your will."

to attend a Council Dinner at the Tavern with fellow Knights and Ladies. A Council Art Show and Auction is scheduled for October and promises to be a memorable event. We are also looking forward to a Pro-Life Mass, our annual event for the residents of the Inwood House (an assisted living community), and our Memorial Mass for our deceased Brothers. Remember the importance of recruitment; ask someone to be a Knight. Also remember the importance of retaining and engaging our Brothers and their families, making them welcome and a vibrant part of our Council.

First Lady Elaine and I hope to see you at the Installation of Council Officers on Sunday, August 9th at St. Patrick's Church. The Installation Ceremony will follow the 11:30 mass concelebrated by our Chaplain Rev. Msgr. Donald Essex. A luncheon will follow in the Parish Hall. Please let me know if you and your family will participate.

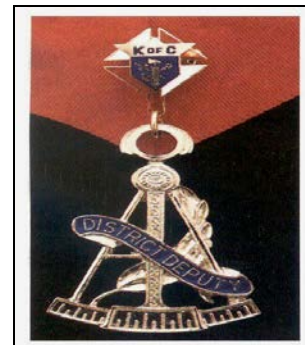

Please visit our web site at www.kofc.org or our Facebook page at www.facebook.com/KnightsOfColumbus6793. Consider coming to a meeting to help us plan and execute our activities for the year. Make the time to participate in our activities. Become a more active member of our Council. You can reach me at 301-871-8928 or taylorwf8@verizon.net.

God bless you and your families!

DISTRICT DEPUTY'S REPORT

SK Stephen E. Goldhammer, District Deputy (30)

E-mail: SEGoldhamm@aol.com ~ Phone: 301-570-9613

My Brothers All:

Congratulations to our Financial Secretary, S/K Donald Hemke, on his well-deserved recognition as Knight of the Year for last Fraternal Year and the equally deserving S/K Innocent d'Almeida family as Family of the Year for last year!

Our Council has started its busy, challenging, exciting, and successful Fraternal Year with a flurry of activity in July. Our GK S/K Fred Taylor held a well-organized Executive Committee Meeting on 1 July and there was an excellent turnout for the July

Business Meeting. Let's have an even bigger turnout at the August Business Meeting. Several of our Color Corps members have been busy attending local Council installations.

We hosted Cardinal Donald Wuerl and the seminarians of the Archdiocese of Washington at their annual seminarian mass and picnic at St. Patrick's on 25 July. Congratulations to event Chairman S/K Innocent d'Almeida for, once again, chairing an excellent event. Thanks also to his helpers who made his task easier. Please note all of the coming events throughout your newsletter and get involved to promote their success.

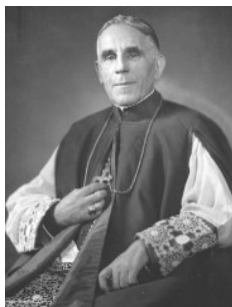

I hope to see many of you and your spouses at our Council Installation Ceremony on 9 August at St. Patrick's.

Thanks and Vivat Jesus!

MEMBERSHIP GROWTH IS EVERYONE'S GOAL

The membership blitz is a tried and true way for councils to increase their numbers. We see these pushes often in March, in celebration of Founder's Day, and again in October. These drives are successful because brother Knights are more visible than normal, during and after Masses and at special events. We remember to ask each and every Catholic gentleman to join our ranks for the good of the Church, community and Order.

At the beginning of the fraternal year, we set our eyes on the goal of achieving the Star Council Award. This means running many successful and varied programs throughout the year and

using this activity to spread the word about the Order. This will bring in new members.

Don't forget the strength of our life insurance, long-term care and annuities products is also a selling point of membership. For more than 129 years, our insurance has been "making a difference for life." Our ratings are among the best in the business. In fact, there is no more highly rated insurer in North America. And our ethical standards are second-to-none.

I can help not only in explaining to prospects our outstanding insurance products, but also on the many other benefits of becoming a knight. I am happy to be an advocate for the Order and for our council. Even better, I can help you feel more comfortable in making the membership "sale" to prospects yourself.

As your professional Knights of Columbus insurance agent, I look forward to helping you grow in fraternity.

My Brother Knights:

As Immediate Past Grand Knight I have had time to reflect on our past fraternal year. I score it as a success. I give high marks and sincere thanks to all who recruited new members. Many of these new members have already expressed and indeed, are participating in council events. What more can we ask?

You know there is a "more". The MORE is not to let our newest members be left out. They, as we all have done, joined for a reason.

That reason is personal and we have a responsibility to fulfill that desire to become an active Knight of Columbus to the best of our ability.

I am extremely excited as we move into this new year. We have an experienced and energetic slate of officers and chairmen and I am confident that this coming year under their leadership will once again encourage Catholic men to join our council with the vision of making a difference.

As Membership Chairman, please know that I am always available to assist in any recruitment effort.

Fraternally, Joe Feakes

◆ Pro-Life Report Planned Parenthood Clinic Closes

The Planned Parenthood (PP) abortion clinic on 16th Street, NW, in Washington, DC, closed on June 26, 2015. The site has received countless pro-life rallies, protests and prayer vigils over the years. PP said it expects to open two additional facilities, one in Prince George's County and the other in Northeast DC. No dates or locations have been given. In 2009, Planned Parenthood paid \$1.5 million to the family of 14-year old Shanteese Butler, after the girl sustained permanent injuries from an abortion procedure performed at the clinic by Dr. Colin Walters. This is the eighth Planned Parenthood abortion mill to close this year.

◆ By the Numbers

Pro-life efforts are having an effect. On June 8, the Associated Press reported that abortions have declined in almost every state. In particular:

- The number by which abortions have decreased across America since 2010 – 12%
- The number of abortion restrictions that have been enacted in 31 states since 2011 – 267
- The approximate number of abortion clinics that have closed in a dozen states since 2010 – 70
- The national teen pregnancy rate, which was last measured in 2010, reached its lowest rate in decades.

Unfortunately, Maryland (like California, New Jersey, New Hampshire and Wyoming) is one of five states that do not report their abortion data.

- **Monday Mornings, 8-10 A.M. in Germantown**, pray & witness for life on Wisteria Dr. (at Executive Park Cir.). For directions and to view the movie trailer documenting this pro life effort, go to: PrayforGermantown.com
- **Volunteers needed** at Pro Life Booth at the Montgomery County Fair (Aug. 14-22). If interested contact Mr. Roberts 301-962-5611 or rtlmc@verizon.net
- **Isaiah's Promise** - offers prayer, hope & compassion to mothers (& families) who have pregnancies that have been given severe or fatal diagnosis. Learn more, view their new video at www.IsaiahsPromise.net
- **Natural Family Planning (NFP)** free initial consultations at Gaithersburg Fertility Care (gaithersburgfertilitycare.org), 301-512-7451

WORLD MEETING OF FAMILIES

Brother Knights:

The World Meeting of Families (September 22-25, 2015) and Pope Francis' visit to Philadelphia (September 26-27, 2015) is expected to attract more than a million people to the City of Brotherly Love. While in Philadelphia, the pope is scheduled on Saturday to celebrate Mass at the Cathedral Basilica of Sts. Peter and Paul, visit Independence Mall and the Festival of Families. On Sunday, the Holy Father will meet with bishops at St. Charles Borromeo Seminary, visit the Curran-Fromhold Correctional Facility and celebrate the concluding Mass for the World Meeting of Families on Benjamin Franklin Parkway before returning to Rome.

Details of these and all World Meeting of Families events, as well as volunteer registration are on the WMF Website: <http://www.worldmeeting2015.org/get-involved/volunteer/volunteer-positions/>

Special Education Center Serves Students with Intellectual Disabilities

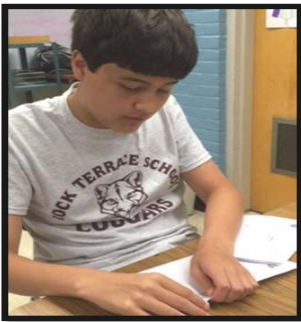

Reprinted, with permission, from the *Courier* (Jul/Aug 2015 Edition)

If you're reading this newsletter on printed paper, thank the students of Rock Terrace School in Rockville, MD for getting the newsletter into your hands! For at least 16 years, students at this special education center serving students with intellectual disabilities have assembled, folded, collated and labeled the Knights of Columbus Council 2323 newsletter, among many other projects meant to help them learn vocational skills, can-do work attitudes, and how to communicate and solve problems.

Rock Terrace is the only school of its kind in Montgomery County, where more than 160,000 students attend public school; Rock Terrace serves 85, and one of its most successful programs, the Work Orientation Center (WOC), is run by Nancy Lloyd, Ph.D. Principal Kathy Lertora says students often land paying jobs, based on skills learned in this program, before they graduate.

WOC takes on contracted work from businesses, non-profits and the county educational system, and operates a bulk mailing service that offers folding, stuffing, sealing, collating, stapling and labeling, among other services. Students also shred sensitive documents, assemble materials, and do piece work for businesses. A recent Parks & Planning job included the assembly of foam dinosaurs into hats—2,500 of them!

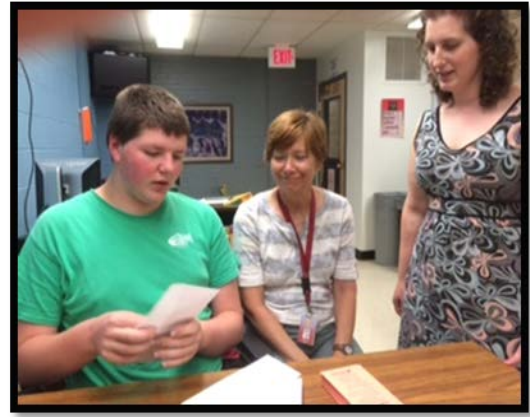

"This is a great opportunity for project-based learning," says Principal Lertora. *"As more organizations move to online publication, this gives students an opportunity to follow a sequence of steps in an office setting. We most certainly are looking for other projects for our students."*

Gavin puts adhesive tabs on newsletters.

The school's goal is to help students receive an education that promotes productive citizenship and vocational success. The program tries to help students develop skills, attitudes and behaviors they'll need to become as independent as possible. Rock Terrace students have significant cognitive disabilities and other sensory, emotional or behavioral issues. Many of the students have autism spectrum disorders and/or multiple disabilities. The program is divided into middle school, high school and upper school. Students may enter in middle school,

and graduate at age 21, earning a completion certificate. Of seven students graduating this year, two left with paying jobs.

Casey stuffs envelopes as Dr. Lloyd (center), WOC Director and Ashley Doyle, Special Needs Coordinator, observe.

While Rock Terrace offers culinary, food safety and woodshop programs, WOC is a popular elective, says Dr. Lloyd. It's a step toward independence, and helps them gain experience and confidence in the workplace. For this newsletter, after it's printed, they spend one to two days folding the 400+ issues, then a day tabbing them, then a day labeling. They usually do a project each week, for a small business, or church, or synagogue, or a medical practice, usually mailings or postcard reminders.

Secure shredding has become more frequent, as well, although the school is down to one shredder; replacements cost more than \$1,000—another Knights' project? Several Knights of Columbus councils have, from the Campaign for People with Intellectual Disabilities, donated \$1,000 in the past for beanbag chairs and "fidgets," which help children with sensory issues focus. KofCs also have combined to donate a whiteboard to the school. The school has a great need for a new copier/printer, but it's unlikely the funds for a \$50,000+ replacement will be provided soon.

All money earned from this work go toward a fund that pays for projects or activities for the entire student body, such as pizza parties. Dr. Lloyd says that while there's a push in education for students like those at Rock Terrace to be included in mainstream schools, Rock Terrace students thrive because it's a comfortable place—a small place they can call all their own. *"Parents are a huge part of what goes on here,"* she says. She adds that seeing graduates on their own *"is why we stay here so many years; we see the finished product. That's very satisfying."*

To donate to the school and WOC, or to contact Dr. Nancy Lloyd for contract bulk mailings or other projects for your business or nonprofit, contact the school on 301-279-4940, 390 Martins Lane, Rockville, MD 20850.
