## From the Grand Knight

I apologize for sending this late. A lot of great things have already happened this month. The Super Bowl hoagies continue to be a celebrated success for our council. We made 600 on Saturday morning and were sold out by 1:30 p.m. on Sunday.

On Saturday, the 8<sup>th</sup>, the council led and participated in the stuffing of over 4,600 envelopes for the upcoming All Saints 5-car raffle. The 5750 Food Crew fed the workers a hearty breakfast and hot dog lunch. We had over 40 Knight and parish volunteers. Thank you all for making this a success for the parish. Watch your mail for the tickets and then go forth and sell!

I used to have some (well... OK a lot of) anxiety about having sufficient teams and volunteers in place for many of these onerous and time-consuming tasks and council projects. For some amazing reason and through the goodness of your hearts and Faith, we come through in everything we do. For it is through our works of charity we are able to help so many of our community and parish organizations and persons. I thank you and ask God to continue to bless you, your family and our council.

# Bingo

Bingo is this council's stalwart charitable activity. Bingo supports and maintains our council home. Bingo generates \$1,000's for our charitable giving. *Bingo is the single most important charitable activity our council undertakes.*

I thank each and every Brother who participates on a team. A good time continues to be had by all who participate! Lunch is provided. Fraternity is experienced. The attending public sees our unity.

The Bingo Manager, Komla Kudiabor, sends out weekly email reminders to you. The email tells which team is up for the approaching Sunday and subsequent Sundays. If you are assigned to a team and are unable to attend your scheduled session, please notify the Bingo Manager as soon as you find out. He will work with you to find a replacement.

Teams are lean and each team needs your commitment – once every five weeks. If priorities have changed and you can no longer participate or you can no longer commit to every 5 weeks but still would like to participate, please let Komla know. His email address is [kkakpo@yahoo.com](mailto:kkakpo@yahoo.com).

Komla will be reaching out to every one of you in the next couple of weeks. Please let him know what your commitment to our single most important charitable activity is. We need you.

## From the Financial Secretary

Council 5750 expresses its sincere condolences to the family of Joseph J. Woods, our brother Knight and Honorary Life Member, who passed away on January 29, 2014. We pray for the eternal repose of his soul with God in heaven.

Council 5750 welcomes Brother Scott Gregg who has transferred to us from Council 11780 in Covington, Washington. Scott and his wife, Terri-Lynn, have four children.

# Pancake Breakfast – Sunday, January 12<sup>th</sup> Sponsored the March for Life buses to DC

The January Pancake Breakfast Benefit generated \$500 for the parish's March for Life buses! Thank you to all those who attended and to those who assisted. We are able to assist our parish with focused charitable events.

# Pancake Breakfast Benefit – Sunday, February 9<sup>th</sup> Supported CYM, the Youth at Our Lady of Angels

Our February Pancake Breakfast benefited the parish's youth organization. The breakfast generated \$400 for the youth ministry. Thanks to the youth and its leader for assisting us with their benefit.

Brother Knights, prayerfully consider a men's program called "That Man is You!". It started last week (Thursday) at OLA and will continue through April 1st. The program brings catholic men together and tackles issues that face us as men and challenge our faith/leadership in our family lives. The program is 13 weeks long and would be a great addition to your Lenten journey this year. There is no cost and no worries if you were not there last week. Parish men will meet every week starting this week on Thursday nights at 7:30 PM in the Our Lady of Angels parish conference room H(downstairs in church). You will be provided a free meal, we socialize for about 30 minutes while we eat, watch a 30 minute (professionally made) video, break down into small discussion groups, talk for 30 minutes and be out the door by 9:15. Knights attended the first part of the program before Christmas and it was excellent.

Here is the link for the first video that was shown last week:

<http://paradisusdei.org/index.php/programs/tmiy/becoming-a-man-after-gods-own-heart-week-14-ug9v>

Please take 30 minutes of your time and see what it is about. It is a wonderful program and we are very excited to have it in our parish. Its only one night a week for less than 2 hours...and did a free meal! ;)

The program has really taken off in parishes across the U.S. and Canada. It is not cheesy and we think it will be very spiritually rewarding. Although going to every meeting is encouraged, it is one of those types of programs that you can miss a couple, but not get behind.

This is also a great opportunity to meet other catholic gentlemen and recruit them into the Knights as you get to know them.

Take a leap in faith and come join us!... the devil doesn't want you to.

To our brother knights with the white collars...Pump this up!

## Testimonials

*"There were no dry eyes this morning. That alone should tell you the effect this program has had on our men...So many lives have been changed for the better. So many marriages have been turned around. So many addictions have been set aside...I could go on and on...It was evident (that) they didn't want this moment to end." - Florida*

*"TMIY exposes many of the problems in our culture and addresses them with honesty and insight. Many men have changed their lives. I have never seen such a profound response." - Colorado*

## A Personal Message from the Worthy Lecturer: ***Walk the Talk; Don't Just Talk the Talk!***

I am writing this article to ask each and every one of you to reflect on the current environment around our nation and to ask you to consider taking action...and in the case of many of you, taking further action. Before I delve too far into this letter, I want to first recognize that all of you, by virtue of being a knight, have already taken action in defending our faith. Furthermore, I want to recognize that many of you are already doing everything you can for our church and our nation. And I want to personally thank you for your efforts.

As many of you are aware, our beliefs and way of life are under constant attack by those who do not believe as we do. What I am specifically talking about is our belief in Christ and the 10 Commandments. Our country was founded on Judeo-Christian philosophy and has celebrated Christianity since our founding fathers declared independence. Many of our founding government documents are peppered with positive statements about God and religion. The Supreme Court to this day has a plaque hanging in the building displaying the 10 Commandments.

Unfortunately, on January 22, 1973, our faith was dealt a severe blow when the Supreme Court decided *Roe V. Wade*. Since then, there have been approximately 55 million Americans slaughtered in abortion clinics. As time marches on, it is becoming more and more difficult for Catholics to practice their faith. Homosexuals, pro-abortionists, and other extreme liberal people are having more and more influence on our laws and lifestyles. Society's rules and our laws are changing before our very eyes and it is becoming increasingly difficult to shield our children and grandchildren from the evils around them.

Here is a few examples of how our laws are changing or our way of life is under attack...When the Attorney General of Virginia (Mark Herring) was sworn into office this January (last month), under oath, he agreed to defend the Constitution of Virginia. Just last week, Attorney General Herring announced that he will not defend the Virginia constitutional amendment banning same sex marriage; which was approved by voters in 2006. He went even further in saying that he would side with same sex plaintiffs in federal courts if need be. Our new Governor (Terry McAuliffe) backs up the new attorney general. Since the Affordable Health Care Act went into law, religious organizations and people of faith all over the country are in courts fighting our government over providing contraceptives and abortion drugs to their employees. The fight has gotten so bad that the nuns of the Little Sisters of the Poor were being ordered to provide these drugs to their employees by lower courts. Fortunately the Supreme Court stepped in and placed a stay on the order. This battle will be fought this summer and the outcome is not certain.

With a majority of Americans claiming to be conservative in poll after poll, you have to ask yourself...why is our way of life under constant attack? Let me offer you a possible explanation. The squeaky wheel gets the oil. Conservative, church going individuals are generally not the kind of people who stand in the street and protest, get in anyone's face or speak out loudly on behalf of their beliefs. They tend to watch the news on television, shake their heads and complain to their fellow conservative friends. These people have convinced themselves that even though they are concerned about an individual event, overall, their way of life is not really threatened; they just bury their heads in the sand and pretend all is going to be ok.

The Catholic Church is under constant fire for standing up for life and traditional marriage. If the evildoers can take down the Catholic Church, there will be nothing standing in their way to stop their agenda. Our country is in the situation it is in because conservatives have kept their mouths shut and allowed others come after us. If people want to preserve our way of life and defend our faith, they are going to have to take action. Politicians only react to their constituents in order to keep them happy and secure their votes. So what do we need to do?

1. Stay educated on the news of the day; locally, statewide and nationally. We can do this through Fox News, Catholic radio stations, Catholic periodicals and other Catholic and conservative media.
2. Every time there is legislation being introduced that is contrary to our beliefs, we need to contact (by phone and/or email) our legislators and tell them we want them to not support the bill or policy.
3. Participate in the March for Life every January.
4. Volunteer to stand in front of an abortion clinic with signs displaying your nonsupport.
5. Donate money to reputable organizations that stand up for life, traditional marriage and religious freedom.
6. Sign petitions in person and online that support our way of life.
7. Join organizations that stand up for life, traditional marriage and religious freedom.
8. When appropriate, speak up for life, traditional marriage and religious freedom during private conversations.
9. Know our faith and evangelize our friends and neighbors.
10. Continue to pray that politicians will do the right thing.

*Continued...*

## Walk the Talk; Don't Just Talk the Talk! concluded

These are just some ideas of things we can do to defend our way of life. We might not be in a position to do all of these things, but whatever we can do will help the cause...because prayer alone is just not good enough. Just think if everyone in the country who thinks like we do participated in all 9 suggestions above. Do you think our country would be in the state it is now? So we need to decide whether we think our way of life is worth the effort to stand up and be heard. Our family's well-being rests on our shoulders and they are depending on us to lead them down the correct path.

Walk the talk, don't just talk the talk!

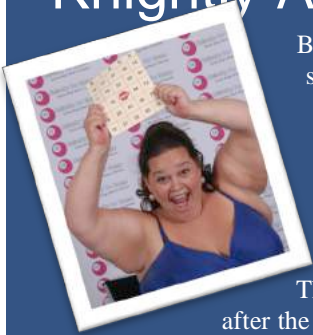

Lastly, I want each and every one of you to know that this letter in no way represents hate for other human beings or has any intent for you or anyone else to consider action that is violent or not peaceful.

Bill Petrak  
Lecturer
