### THINK ABOUT IT

Anger is a condition to which the tongue works faster than the mind.

You can't change the past but you can ruin the present by worrying over the future.

When you think of any of your successes, be thankful to GOD for your family, and friends that enriched your life.

### DEAR LORD

*So far today, am I doing right?*

*I have not gossiped, lost my temper, and been greedy, grumpy, nasty, selfish, or self-indulgent. I have not whined, complained, cursed, or eaten any chocolate. I have charged nothing on my credit card.*

*But I will be getting out of bed in a minute, and I think that I will really need your help then.*

GK Joe

### ***A prayer for healing***

Dear God, we place our worries in Your hands. We place our sick in Your care and humbly ask that You restore Your Servants to health again. Above all, grant us the grace to acknowledge Your holy will and know that whatsoever You do, You do for the love of us. Amen.

### *The Advantages of Children's Policies*

It's quiet at home, now that the kids have gone back to school. If you and your spouse have sufficient life insurance for yourselves, you may want to investigate policies for you children.

There are a variety of reasons why the K of C encourages members to consider purchasing policies for their children. The most important one is that someday, your children will go off to college, start careers, buy homes, get married, and have families of their own. By starting low-cost children's policies now, you can help them meet this future need.

A guaranteed purchase option rider lets your child purchase additional coverage on six future occasions without evidence of insurability. Doing so will cost much less than if they have to purchase their own policies as adults.

Moreover, what if your child develops a medical condition later on? If you've already started the policy, this won't be an obstacle to obtaining coverage – nor will your child be placed in a prohibitive rate class.

Last but not least, the cash value of a permanent life insurance policy is one more source of funds for meeting your child's future financial needs. What's more, the cash value increases over time and any dividend declared will increase these values.

Helping to secure a more financially stable adulthood tomorrow for a member's child today is a worthwhile endeavor for a fraternal benefit society such as the K of C. It's also a logical extension of our Order's mission to "protect families for generations." Talk to me to find out more.

### **MEMBERSHIP**

Brothers we are off to a very good start this year, thanks to the efforts of our Membership Team. Let's all support them in the future so that we can achieve our goal "Double Star Council". In August we were able to get five form 100s signed, sealed and delivered to the Degree Team.

I personally would like to welcome Pat Connolly, Edward J. Drabicki, Fred C. Falgiano, Vincent Frey, and John A. Russ to our Order. They will make their 1<sup>st</sup> Degree on 6 September and I hope our Council Brothers will attend their installation. The addition of these Catholic men to our ranks will increase our wealth of talent and open the door to future members. Remember "Every Member a Recruiter".
