Grand Knight's Message

Brother Knights and Families,

Happy Easter. This first week of April we celebrate the Life, Death, and Resurrection of Jesus Christ. We need to keep in our prayers our Catholic brothers and sisters who are restricted from attending weekly mass due to governmental COVID restrictions. Today, EWTN radio discussed the long-term effects of being denied the Sacrament of the Mass. Yes, they can watch the Mass on a church's Facebook page or website to keep the third commandment and meet church requirements for all practicing Catholics. But our God is a God of Community—Father, Son, and Spirit—who instituted the Eucharist to share a royal banquet with Him and for us to be one in body and spirit with Him. Without the weekly Sacrament of Eucharist, together physically, becoming one in body together; and without the joy, encouragement, recognition, and support of our Church family; that comes by being together to celebrate joys together, give help when in need, and pray for and with each other, no one even knows how much they matter to God and others. God gave us gifts not for ourselves but to help each other and build the body of Christ together. When people isolate physically they isolate spiritually. Many do not return to church. As the restrictions are lifted throughout the United States and the World, please let people know they are missed. Invite and encourage family and friends to return to Mass. Let them know you notice, and you care.

During this time of slow reemergence from COVID illnesses and restrictions, I would like to thank everyone who assisted Council 5480 with activities throughout March. The Silver Rose Prayer Service, Founder's Day Fish Fry, and Easter Food Drive were all successful. A heartfelt thank you to Michelle Elefante, who came for the fish dinner with Ben and Allie working the serving line. She saw that help was needed to coordinate orders with the kitchen crew and jumped right in.

We have two members ready for the Charity, Unity, and Fraternity Exemplification. If you are a first or second degree member, please consider moving up to the third degree. Drop me a note expressing your interest or any questions. We are planning an exemplification in the next few weeks. You may consider the challenge because a brother Knight inspires you, or you want to give back, or your help is needed somewhere. My dad encouraged me to join as a young man, and never to say no. He held every position in his Council, the Georgia State Council, the fourth degree, and even a temporary position as Vice Supreme Master for the DeSoto Province. I was not always active in the council, but I was there when assistance was needed. I liked the fraternity and enjoyed cooking with brother Knights. It felt good to give back. I was the Faithful Navigator 9 years ago. So here I am with three months left as the Grand Knight. Each task has come with challenges and each challenge has come with help and blessings. Why do I tell you all this? Not to brag but to encourage you to share your talents and consider moving up. In April we select officers for the next fraternal year with the election in May. Please do not be afraid to take on the challenge of serving your council and community. You will never regret it.

Things will slow down in April. Our next Red Cross Blood Drive is slated for 20 April. Please volunteer to assist and, if physically able, to give the gift of life. Adopt a Spot will be April 17. Restrictions are being gradually loosened on in person meetings, but until notified differently, plan on April meetings being virtual except for officers.

For everything noted above, we strive to fulfill the pillars of our great organization. Charity (giving of our time and money), Unity (teamwork), and Fraternity (a brotherhood of like-minded men).

Vivat Jesus,

Louis Federico, Grand Knight, Walter Pollard Council 5480

Greetings Worthy Brothers and Families,

I hope this finds you all healthy and enjoying the warmer temperatures. As we finish the Lenten season and observing Holy Thursday, Good Friday, and Easter, may we all reflect on the sacrifices that were chosen by each one of us. Speaking of Easter, I hope you are able to attend Easter Mass either in-person or virtually. Besides celebrating the birth of Jesus at Christmas I feel that Easter is an important service to be a part of. Don't just listen to the priests delivering their message, really interpret it, talk about it with your family, especially your children. Everyone should know why Jesus made the ultimate sacrifice for all of us. Please continue to support the "Leave No Neighbor Behind" initiative by donating food to our parishes food pantries, your time to our Catholic schools as a Bingo floor worker, or by tithing monetarily to your home or other parish. May you all have a Happy and Blessed Easter Holiday.

Vivat Jesus,

Steve Chipman, Deputy Grand Knight, Walter Pollard Council 5480

From the Faithful Navigator

Fraternity

The pandemic has allowed me to look within and reflect on the pillars of the Knights of Columbus. I previously discussed Unity and Charity, so today I would like to talk about Fraternity. Fraternity takes the principle of unity and makes it that much more personal. As I was thinking about what to say, I came across something written by Supreme Knight Carl Anderson in 2017:

"Our vocation to Fraternity is an expression of our Catholic faith. This year let us [show] in even greater ways, [what it means to be] called a brother Knight. Let us strive to be that radiant and attractive witness of fraternal communication that our church and our world so desperately needs. Let us strive to be authentic witnesses of how to care for one another, and how to encourage and accompany one another. We can and will do these things as the spiritual sons of Father McGivney. We can and will do these things because we are convinced of God's love and power."

Wow, what a true understanding and breakdown of our fraternal commitment to the Knights of Columbus. As a family, we have a brotherhood built on common goals and aspirations that has made a commitment to each other for life. We share our efforts, friendship and knowledge with each other. We learn, grow, and share the experiences of our families, communities, and parishes. As with our belief in leaving no one behind, we must always strive to be the beacon for our communities. We are a fraternal group of brothers, bound together to move our beliefs forward for the betterment of God, Country and Family.

God bless you, your family, the community, our parishes, and this wonderful country.

Easter greetings to all my members and your families! As a time of preparation, Lent helped us focus on the sacrifice of Good Friday and the hope of the Resurrection. I hope this season brings you much joy and happiness!

That sense of rebirth that comes with our Easter celebrations also can be noticed in the change in weather. Some daffodils and tulips are poking through the soil, the temperature is creeping upward, and we hope April showers are in store and not that precipitation that has to be shoveled! As I looked around my yard, I see much that needs tending to after the winter weather. I've got a few plants to transplant, some clean-up needed around the outside of the house, I see a window that's been cracked...and my "honey do" list is getting longer and longer.

I've found that I'm much more efficient with a list of chores if I write down all that I need to do. Then I go back through my list and rank order them for importance. Sometimes I get to choose the order; sometimes the order is chosen for me. In either event, the best part comes when I get to cross off the chore as being done. Maybe it's the visual of seeing one more item completed...it gives me a sense of accomplishment.

In addition to the outside chores, I have several others that always come at this time of year. I've got windows to wash and other "spring cleaning" in the house. The vehicles could use a good cleaning inside and out and I know there will be some major project to sift through a pile or maybe even a room of things we don't need, don't want, or don't fit anymore.

In keeping with that list theme, put me on the list; up at the top since it relates to your family's financial security. A virtual meeting over the computer is a way for us to meet safely and efficiently. We can discuss your needs, wants and desires. What's changed? Let's make sure nothing stands in the way of reaching your goals. The Order has provided me with a new needs analysis program (Profiles Professional) to help you track where you are, where you want to go, and how well you're progressing on your financial journey.

Mine is an item you can cross off your list and really feel good about it.

Wishing you Easter joy!

Vivat Jesus!

As the council Chancellor, Bill works with the new candidates to prepare and submit their applications and schedule their exemplifications. He also tends the bar on Friday night, providing a safe comfortable environment for members and families to enjoy themselves. Bill has been instrumental in our Fish Fry fundraisers coordinating the purchasing of food and supplies and acting as master chef in the kitchen, ensuring everyone's food is cooked properly.
