Grand Knight Message

Gemma and I wish everyone a Merry Christmas and a happy and safe 2019.

Be sure to check the flyers for the Christmas parties and sign up early, they will be very nice occasions.

During our first meeting of the New Year we will have an admission degree, let's bring some new members into our Council and continue to grow strong so we can do more for the Churches and the community.

Stay involved in the Council, participation has been falling off for some of the events we hold. We want to be able to do as much for the community as possible, Council 5480 has been very active in years past.

We hosted our annual Memorial Mass this week; I want to thank all those that assisted in making the Mass a success. There was a very good turnout for our Thanksgiving Day Meals on Wheels, meals delivery, many families participated. Thanks to Frank Dougherty and his wonderful wife, Faye, for leading this important annual event, again.

Merry Christmas,

Knight of the Month

The Council 5480 Knight of the Month for December is Frank Dougherty . Frank is an active member of Our Lady of Mount Carmel Church and is the Coordinator for the PAA Thanksgiving Meals on Wheels program. This past Thanksgiving Day, Council 5480 delivered over 150 meals to those who would otherwise not have a hot meal. Frank receives the number of meals to be delivered just days before Thanksgiving, takes the members of Council 5480 that have volunteered, divides the meals in consolidated areas and maps the routes out to make the delivery as quick and easy as possible. Congratulations to Frank for being Council 5480's December Knight of the month.

Family of the Month

The Family of the Month for December is Ioane and Imeleta Pulusi, they are active members of St. Jerome Church. Ioane is a member of the Parish Council and both Ioane and Imeleta are active with the church youth. Ioane is always ready to assist in Council and Parish events. Ioane and Imeleta are very family oriented and can always be seen at events with their children, such as the recent Thanksgiving PAA Meals on Wheels. Congratulations to Ioane and Imeleta for being Council 5480's Family of the Month .

Merry Christmas! Say it with me: **Merry Christmas!** That is what our focus should be the next six weeks or so. All I ask that as you go about the busy season of Advent that you remember that we are Brother Knights and as such should be willing to help out our Priests, Church Lay Leaders, and each other if called upon.

This month we have the Children's Christmas party the afternoon of the 8th, Adult Christmas Party the evening of 14 which is free of charge and a Red Cross Blood Drive on the 20th, starting at 2:00 p.m. Please plan to attend all of these.

Please, please, please wear your KofC 5480 shirt or name badge when you are at our Parishes doing the many great things that you do.

Vivat Jesu!

Rick Schirm, Deputy Grand Knight and Programs Director

Council Chaplain

Modernization and Senses of Sacred

As societies and nations are developing, people are gradually loosening senses of sacred. One thing we need to note is that in every religion there is a strong sense of **sacred and profane**. The more a person grows spiritually, the more he or she grows towards sacredness and develops a strong sense of do's and don'ts, in order to live well with the Supreme Being or God. The more a person declines in holiness, the weaker the person's senses of the supernatural or sacred is weakened, which translates in the person's attitudes towards do's and don'ts. The person becomes more profane and trivializes anything sacred and gradually loses his or her senses of sin. Talking about this subject, Pope John Paul II opines "the obscuring or weakening of the sense of sin comes from several sources: from a rejection of any reference to the transcendent in the name of the individual's aspiration to personal independence; from acceptance of ethical models imposed by general consensus and behavior, even when condemned by the individual conscience; from the tragic social and economic conditions that oppress a great part of humanity causing a tendency to see errors and faults only in the context of society... Pope John Paul II, Post Synodal Apostolic Exhortation, *Reconciliatio et Poenitiae*; 2n December, 1984".

A careful examination of societies and nations show that many people are loosening senses of sacred and becoming more profane. The fact is that the greater a person senses of the sacred, the stronger the person's sense of sin and vice versa, because the senses of the sacred is intrinsically connected to the senses of sin. (Confer Isaiah 6: 1-5, I saw the Lord seated on a high and lofty throne...then I said, "woe is me, I am doomed! For I am a man of unclean lips, living among a people of unclean lips, and my eyes have seen the king, the Lord of hosts!") Indeed, the acknowledgement of God's holiness goes with the acknowledgement of personal sins and the need for reconciliation and penance. Hence, to trivialize one is to trivialize the other. Any person who is sensitive to the presence of the sacred seeks to be purified from sins. Similarly, a person who is sensitive to the presence of sin seeks to be reconciled with God.

Venerable Brothers, let us look around our communities and Churches and see how fast our sense of the sacred is being weakened, if not lost. Reverence for sacred, which once marked the spirituality of the saints, is gradually fading away from our churches. How many of us bow or genuflect before the Blessed Sacrament upon entering the church? How many of us keep silence in and around the church? How many of us revere the Holy Bible? How many of us take Holy Hour or adoration of the Blessed Sacrament seriously? How many of us have horror for sin? How many times do we take advantage of the sacrament of reconciliation or confession ...?

In conclusion, dear friends, the development of societies and nations should help us to see the Creator than to run away from the Creator. According to St. Augustine, man is made to live in communion with God in whom he finds happiness... (St. Augustine, Conf.10,28,39; PL32,795). The fact is that God created us to know Him, to love Him and **to** serve Him. God did not create us to develop and forget Him. The more we develop the more we should acknowledge the Creator, but the tragedy is that people love created things more than they love the Creator. Another tragedy is that people tried to improved their standard of their living and forgot about their standard lives with the Creator. How can people develop and forget God? Maybe the Psalmist is right by saying: "In his riches, man lacks wisdom: he is like the beasts ..." Ps.49:21. God is calling all mankind to its original innocence, the knowledge of the sacred, which the Holy Bible calls: the fear of the Lord is the beginning of wisdom (Proverbs 1:7; Ps.111:10. May God give us grace to maintain our baptismal innocence in order to use material things around us to know God, to love Him and to serve Him all the days of our lives. Amen!

Keep Christ in Christmas

At Christmas we honor the birth of Jesus Christ. At times our Savior is forgotten in the commercialization of the season and the rush to get ready for holiday festivities. Each year the Knights of Columbus takes a leading role in reminding society that Christmas is first and foremost a holy day. Keeping Christ in Christmas is keeping the very heart and meaning of the Christmas celebration alive.

**Merry Christmas from my family to yours.

From the Faithful Navigator

Merry Christmas and Happy New Year to all Sir Knights and their wonderful families!

Advent and Christmas is really a busy time of year for practicing Catholics and it is also a busy time for our Parishes. Every Christmas and Easter our pews get crowded with those that only show up once or twice a year. I ask everyone to reach out to these infrequent visitors and try to engage them. If you ask them to join you for coffee or a small snack they'll probably say yes. We all want our guests to feel invited, to do that we actually have to invite them to do something, like another Mass or coffee or something.

The Assembly will join with Council 5480 for our Christmas Party on 14 December at the Columbian Center. The rest of the calendar includes a Dining in on 4 December, a Renewal of Obligation Ceremony and Dining In on 8 January 2019.

Other business includes the Annual Survey of Fraternal Activity for the period of 1 Jan—31 Dec 2018. When you are filling out your form for your Council please write 4th Degree in the upper right hand corner so the Assembly can also turn in an accurate count.

Please continue to be the awesome leaders that you are!

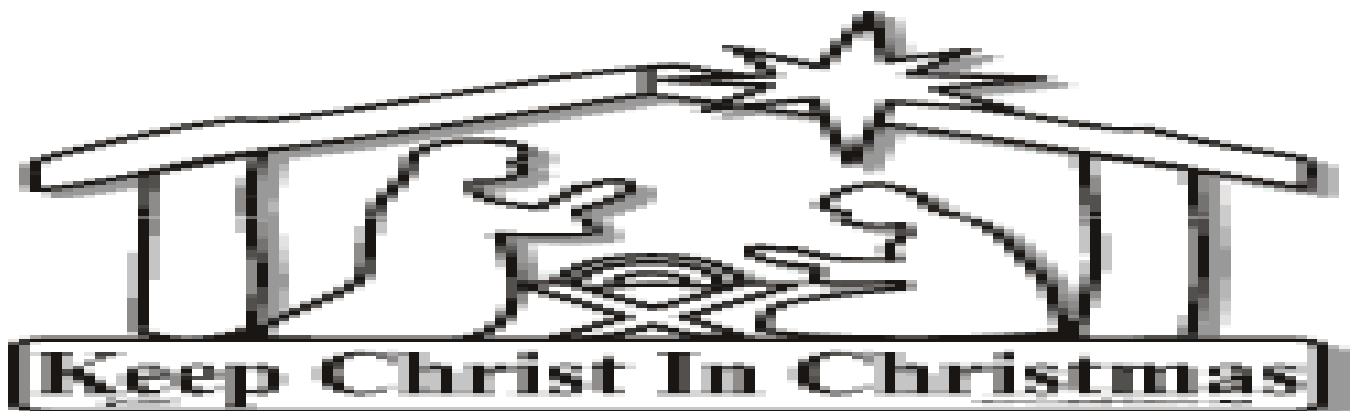

Rick Schirm

You Didn't Hear It From Me, But . . .

Food for Families Program	This year Council 5480 is coordinating a new food drive. We are working with one of our strategic alliance partners: Foodbank of the Virginia Peninsula. We are enticing our bingo players to donate non-perishable food items and we in turn give them a raffle ticket. For every 25 items received we draw a \$25 Gift Certificate payable at our bingo sessions. Monday, the 26th of November, we received 48 items and drew two raffle tickets, the following Thursday we received 175 items and drew seven raffle tickets. On Friday, 30 November, we weighed it at 270 pounds at the Foodbank. Thanks to Jeff James, Jim Hooker and the De Bartolo family for making this work!
A Few Good Knights	The Council is self-supporting for Admission Degree Exemplifications. There is, and always shall be a need for Brothers who can participate in this important endeavor. We always need to train understudy personnel who can step in, and of course we are looking for a super hard charger to become the Degree Team Captain. If you are interested in participating, please contact the Grand Knight, David Kerstetter.
Did You Know?	The Knights of Columbus served as guardians of one of America's most enduring symbols of American Freedom. In 1915 the Liberty Bell traveled from Philadelphia to San Francisco to be at the Panama-Pacific Exposition and it was guarded by three KofC Brothers who were police officer's in Philadelphia. Three other Brother Knights also served on the Committee of Councilmen that accompanied the Bell. The Orator for the Bell was a Brother Knight by the name of Joseph Gaffney. It was estimated that 10 million people saw the Liberty Bell during its' roundtrip travels. The Liberty Bell returned to Philadelphia under the watchful eyes of KofC Brothers and as remained there ever since.
New Newsletter Editor	Brother Garth Hallenbeck has stepped up to be the Knightly Newsletter Editor starting with the January edition. He can be reached via email at ghjh1@yahoo.com. With the exception of the Grand Knight, Chancellor, Financial Secretary, and Fraternal Benefit Advisor, all articles will still go to the Deputy Grand Knight and should be there no later than the 20th of the month. Thanks for stepping up Garth!
Winter & the Homeless	It is definitely the cold time of year. We, the richest country in the world, still have a homeless problem. Newport News solution to helping the cold homeless families is to institute a program called PORT. Both OLMC and St. Jerome's participates in this program. All are highly encouraged to assist during the week's your parish is hosting our guests. Be the leader in the parish.

Merry Christmas!
