Issue 31 Number 3

Grand Knight Message

Brothers,

On February 15th we had a very nice Valentine's Dinner Dance with a large attendance; I would like to thank all those that made the event special.

We have formed the nominating committee for next fraternal year's officers: Dominick Bevacqua, Jim Healy, and Jessie Powell. Thank you for agreeing to be on this committee. If anyone is interested in being an officer next fraternal year, see one of these brothers.

The District Deputy, Deputy Grand Knight, and I attended the Tidewater caucus for the candidates that desire to be next State Warden. What I found interesting was there are five candidates applying for the position; it's good to see so many people that want to keep the order moving forward.

As we enter the last quarter of this fraternal year our Council has several events schedule—I would like to see our Council support the people we honor at these events .

Vivat Jesu,

David Kerstetter, Grand Knight

Knight of the Month

The March Knight of the Month is Garth Hallenbeck. When the council needed a newsletter editor, Garth immediately answered the call and continues to publish the newsletter on time despite some of our submissions pushing the due date. Garth is a member of Our Lady Queen of Peace and is an active member of our Council. Congratulations, Garth on being the March Knight of the Month for Council 5480.

Family of the Month

The Family of the Month for January is Carroll and Fernanda Kelley. Carroll and Fernanda are on the Fellowship committee at St. Jerome Church and have been asked several times to lead the team that cooks when Fr. Patrick hosts visiting priests for special events such as Reconciliation Mass during Lent. Carroll is also head usher at the Noon Mass and adds some excitement with his costumes at church events. Carroll has been the point of contact for the March for Life bus and the state bowling tournament for the last several years and is helpful with advice on council events. Congratulations Carroll and Fernanda on being selected as Council 5480's Family of the Month .

Founder's Day

In March, the Knights of Columbus will celebrate Founder's Day, marking the 125th anniversary of the reception of its charter from the state of Connecticut. Knights of Columbus councils throughout the world will be joining in this commemoration of 125 years of service, faith, and fraternity.

Councils throughout the Order are urged to observe this day—among their own members and with the community at large—as a reminder of what the Knights of Columbus has accomplished in the past years, the ideals of the Order, and their own local achievements. Council 5480's observance will be in the Lounge on March 15th at 6:30 pm.

Brothers,

The first of March is upon us; this marks the last part of the Fraternal Year. There are many things left to be done. Recruiting, of course; Programs that never stop; Mass at least weekly; and Lent, followed by Easter Season. Our short respite from the Christmas Season is just about over and on the first Wednesday of the month comes Ash Wednesday. Things are different for us Catholics and it is even more noticeable during Lent; the saying "I gave it up for Lent" is not "I gave it up for about forty days before the Easter Bunny visited." Be kind to our fellow parishioners always, but be even kinder to those that seem like they are a bit lost or confused during their pilgrimage to the church this year. The face of kindness is the best advertising any organization or church can get.

The Quarterly State Meeting is in Fredericksburg on March 2nd. Officers, and those wishing to be Officers, should plan to attend. See me for carpooling ideas. The State Annual Convention will be in the Dulles area near D.C., on May 3rd & 4th. See the State website at www.vakoc.org for details.

And of course, this is the time of the year when you start hearing terms like Nomination Committee, Budget Committee, and Elections. Please do keep yourself aware of these announcements as they happen.

The Family Dinner Dance is on March 9th. Get your tickets now. There will be a Mother's Day Breakfast in April, and a Father's Day picnic in June. But do not forget about all those soup suppers, stations of the cross, fish fries, and the Sacred Triduum. Defend your faith by your presence at church, defend your family with your faith, and defend the Brotherhood of the Knights of Columbus .

Vivat Jesu!

Rick Schirm, Deputy Grand Knight and Programs Director

Council Chaplain

Free Will: The Root of Perfection

Venerable Brothers, "free will" is the personal ability to make an informed and uninformed choice in life. It is every person's natural birthright to make his or her own decisions and choose his or her own path, good or bad. In the opinion of Tracy Kolenchuk, free will comes from life that gives one power to act in the environment. Free will assumes the 'will to act,' and it also requires consciousness. For instance, an amoeba can make deliberate movements towards food or away from danger without 'mental' consciousness. It has an awareness of its environment, and ability to make movement decisions based on that awareness. Again, free will is the unlimited allowance of whatever any individual wants to do—whether good or bad—including rape, school shootings, adultery, mass murder, and more. According to Baruch Spinoza, if right and wrong do not exist, then freedom has no meaning, except as a synonym for free will—doing whatever a person wants. If a person feels that it is right to capture someone and assaults him or her, it is right for him or her. If a person feels that it is wrong to feed a starving child, then it is wrong for him or her. If I feel like it's right for me to dump a pot of boiling water over your head, then it is right. If right and wrong truly do not exist, then assuredly I did the right thing! Since free will is associated with freedom, it is good to define freedom.

Freedom comes from community, because communities create and enforce limits on community members, and on their freedom to act by rules or laws. Rules or laws are generally negative, placing limits on freedom. Humans grow up in families, with parents that restrict freedoms within the family, and hierarchies that restrict freedoms within villages or towns or nations. These communities benefit from community restrictions on freedoms as well as individuals in the communities. For example, a community makes a law that anyone who assaults or kills someone will be punished severely; it puts fear in people to behave well. The sanction society applies brings sanity into the community. Society itself encourages moral uprightness on the members of the community through checks and balances of its members. This leads us to the next level—what makes an action right based on moral conscience.

According to Catechism of the Catholic Church (CCC) number 1796, conscience is a judgment of reason by which the human person recognizes the moral quality of a concrete act. In the opinion of the church; "Deep within his conscience man discovers a law which he has not laid upon himself but which he must obey. Its voice, ever calling him to love and to do what is good and to avoid evil, sounds in his heart at the right moment...his conscience is man's most secret core and his sanctuary. There he is alone with God whose voice echoes in his depth" (CCC.1776). Here the church teaches us that man has the right to act in conscience and in freedom so as personally to make moral decisions. He must not be forced to act contrary to his conscience. Nor must he be prevented from acting according to his conscience, especially in religious matters (Dignitatis Humanae 3#2). The fact is that a well-formed conscience is upright and truthful. It formulates its judgments according to reason, in conformity with the true good willed by wisdom of the Creator.

Now, the question is how does a person uses his free will to act in conscience and in freedom to attain perfection? The Book of Genesis tells us that God created man in His own image and likeness. We can infer from creation account that God endows man with free will, with freedom and conscience to act in conformity to the will of God, which has been an inner voice urging man to do good and to avoid evil. But man disobeyed God and ate the forbidden fruit and they realized that they were naked (Gen.3:7). God wants Adam and Eve to use their free will to act in conscience and in freedom, but they distrusted God's goodness and abused the freedom God had given them.

April 15 (tax day) is right around the corner. It's become popular this time of year to encourage the opening of an IRA or similar retirement annuity, or the depositing of additional funds into an existing account, as a tax-savings vehicle. Or perhaps someone has tried to convince you to open an account, touting the rate of interest that money in one of these accounts can earn. Let me join the chorus of folks encouraging you to open or add funds to an annuity, but for a different reason.

Certainly, contributing money to a Knights of Columbus annuity will allow you to save some money on your income tax return. And, our annuities do pay a very competitive interest rate, consistent with our primary goal of absolute safety of principal. Opening or adding to an annuity for these reasons, however, strikes me as taking a short-term view of a product that is designed to provide long-term security. How much security? How does retirement income that you cannot outlive—guaranteed—sound to you?

Here at the Knights of Columbus, you can open a retirement annuity for as little as \$300. Consistent and disciplined savings placed into that annuity over time can—properly structured—guarantee you an income at retirement that you cannot outlive. That guarantee—along with the fact that no one has ever lost money left in a Knights of Columbus annuity (remember – absolute safety of principal)—really will provide you with peace of mind.

I am happy to meet with you—at your convenience and in your home or at my office—to explain in detail the benefits of opening a Knights of Columbus annuity, along with the benefits of our top-rated life insurance, disability income and long-term care insurance plans.

From the Faithful Navigator

Sir Knights, Brothers, and Worthy Family,

The beginning of the last part of the Fraternal year is here. Things happen a little quicker during this quarter. Officer nomination committee work and elections, Memorial Day Weekend USS Scorpion/Four Chaplains Ceremony, and before any of that gets going, Lent followed by Easter. Please be visible, helpful, and attentive to others, as always.

Our Worthy Faithful Captain, Tyrone Fuller, has arranged a spectacular Dining Out in March. The date is 5 March 2019, and the venue is Plaza Azteca, 12099 Jefferson Ave, Newport News, VA 23606 (near the corner of Jefferson Ave and Oyster Point Rd) starting at 6:30 p.m. The mystery speaker is a mystery.

We have a close-by Patriotic Degree Exemplification coming up on the 27th of April. This time, it is in Richmond at St. Edwards. Start looking for those who should be on the All-Star Team and get them to fill out a Form 4. We have plenty of Forms 4, so the sky is the limit on this Exemplification.

Stay Patriotically Proud,

Rick Schirm
Faithful Navigator, Father Michael J. Bader Assembly 2430

Free Will: The Root of Perfection

After they disobeyed God, Adam and Eve now lived in fear as they tried to hide themselves before God. As Christians, we are called to live morally upright lives. However, the day we may abuse our free will and freedom and act against our conscience, we will also see ourselves naked and start living in fear. The day any of us may indulge in rape or adultery or any sin, our conscience will not set us free. On the contrary, if we live in conformity to the will of God and obeys the inner voice that entreats us to do good and avoid evil, it will lead us to perfection.

In conclusion, Venerable Brothers, deep within our heart God is calling us each day to do good and to avoid evil. Let us do our uppermost to act in conscience and in freedom in conformity to the will of God than our own so that we may not sin against God like Adam and Eve. The more we live innocent before God the more holy we become; and the more holy we are the more perfect we become in the sight of God. May God give us grace so that we can act in free will, in conscience and in freedom to do the will of God all the days in our lives. Amen!

You Didn't Hear It From Me, But . . .

End of an Era	Knightline has gone digital. If you wish to view, go to www.kofc.org/knightline .
The Degree Team Challenge	Council 5480 was, at one time, one of the best 1st Degree teams in the State and certainly the best on the Peninsula. Time and age have taken a toll on the Team. We can regain our position as the best with a little bit of effort from some new Brother Knights. All team members joined with trepidation on the task before them. Monologues to be memorized, movements to be learned—who has time for all that? Well, the wise men say to eat an elephant, it is best to do it a bite at a time. Come join the team, take baby steps, learn a few of the simpler positions with the goal of moving into a primary position. See the Grand Knight, David Kerstetter or the Deputy Grand Knight Rick Schirm to begin this important journey.
Did You Know?	The Knights of Columbus is celebrating the 1,000th Ultrasound Machine placed in pro-life pregnancy centers. As reported in the most recent edition of the Columbia magazine by the Supreme Knight, Carl Anderson and at the March for Life Rally, the Supreme Knight spoke about the initiative that began in 2009 called the Ultrasound Initiative. He reported that the program has helped save hundred of thousands of lives and foresees a time when over 1 million unborn children will be saved.
Spiritual Reflection Program	Under the new Faith In Action initiative Council 5480 will host a program in which we can unplug for a bit and enjoy deepening our spiritual awareness. This event will be open to the parishioners within the parishes of Council 5480 and Brother Knights of local Councils. This will be at the Faith and Life Center, at St. Jerome's on 6 April 2019. Exact start time and schedule of events will be announced later. We do need some assistance with refreshments; please contact the DGK Rick Schirm if you can assist .
Advertising	During this upcoming Lent and Easter Season there will be a ton of events within our parishes and we Knights will be extra busy. Take time to put your KofC name badge on or wear your council shirt. Go ahead and show off! It ain't bragging if it's true!
Founder's Day	Founder's Day will be celebrated in the Lounge on March 15th.
Bingo!	Are the Knights of Columbus getting out of the bingo business?! Hope not. But to keep it going we need everyone helping. All the funds donated to the parishes, outreach programs, Catholic youth, Catholic schools, and community partners come from the proceeds from bingo. Come find out how you can help, please!
