

KofC_Grand_Knights_Report_for_Oct_15_15

Vivat Jesus

Halfway through October our Council still needs a leader for our Church Committee to inform our membership of opportunities to assist our clergy in their mission. As well, for our Youth Committee, to seek out and satisfy opportunities to encourage our children in attending church and religious education, learning their faith, and practicing their values. We now, also, need a Recorder due to work conflicts for Matthew Servedio, who has had a change in his schedule and will have late classes on Monday. We have so many dedicated individuals already filling responsible roles. I would ask all brothers not presently engaged in a position to consider stepping up to volunteer at: eldonbmyrtlbch@aol.com .

Alan Holet will be chairing the Blood Drive in December. We have had contact with the local American Red Cross to coordinate activity and we will have information at the Business Meeting November 2.

Our Social Meeting on October 19, was a Pro-Life Committee event featuring dinner and the video program " Final Blessing". About 28 people attended to see a recorded testimony to the value of natural death. The opportunity to let go of life, as opposed to having it wrested from you, was viewed from a perspective across national and cultural boundaries as well as multiple ages and disease processes. Fr. LeBanc offered his experienced opinion on Advance Directives/ Living Will vs. Healthcare Power of Attorney.

As you have seen displayed multiple times, October 24th is a 2nd and 3rd Degree exemplification. We have several candidates from our District. This exemplification only takes half a day, no extra travel, and is the best opportunity for our own 1st and 2nd degree Knights to progress to full Knighthood. Please contact the Financial Secretary today by opening our website at www.kofc5086.org and click on the "contact me" block by his picture.

October 25th is the Pro-Life chain reschedule date. 2 PM Sunday. GET YOUR MOMENT IN THE SUN, come and carry a sign to support the Right for Babies to be Born.

October 30th, 5-7 PM Knights will be passing out candy at the Halloween Party in the CLC. Anne Lindequist is chairing the event for our Columbiettes. Please come in costume, help judge the kids costumes, be a proud father of the parish.

Remember Taste of the Town on Thursday November 5th.

Our Next Business Meeting is November 2nd, Officers at 6PM, membership at 7 PM.
