### WHY, WHY, WHY...

Why do we press harder on a remote control when we know the batteries are almost dead?

Why do banks charge a fee on "insufficient funds" when they already know there is not enough money?

Why in winter do we try to keep the house as warm as it was in summer when we complained about the heat?

Why does Superman stop bullets with his chest, but ducks when you throw a revolver at him?

Why doesn't Tarzan have a beard?

Why do Kamikaze pilots wear helmets?

*Part of being a Brother Knight is to take advantage of these events by attending and where possible volunteering to help make it successful.*

*If you need a ride call or contact us through this letter or our web page. Please be part of this Councils' 2009 Activities.*
