### CHAPLAIN'S MESSAGE

Monsignor Donald Essex, Pastor, Our Lady of Grace Church

#### Brother Knights and Ladies:

It's hard to believe that Holy Week will soon be here. Palm Sunday of the Lord's Passion is March 20th! I encourage you to be present for all the services of Holy Week, especially the Easter Vigil. At the Vigil and Easter Sunday Masses we will renew our Baptismal Promises, for which we have been preparing all during Lent. We will be asked "Do you renounce Satan, and all his works, and all his empty promises?" Now is the time to focus on making a resounding "I do" to each of those questions.

As you continue your Lenten journey, and look forward for the celebration of Jesus' Resurrection, may the Lord bless you and your families. Happy Easter!

### DISTRICT DEPUTY'S REPORT

SK Stephen E. Goldhammer, District Deputy (30)

E-mail: [SEGoldham@aol.com](mailto:SEGoldham@aol.com) ~ Phone: 301-570-9613

**"When you get to your wit's end, you'll find God lives there."**

Congratulations to our Council for being one of the **top two** Councils in Montgomery County who collected the most donations for the annual Tootsie Roll campaign for Developmentally Disabled children! PGK Joe Krempasky represented our Council at the Tootsie Roll funds distribution meeting and ensured that the three charities that our Council regularly sponsors all received a sizeable grant.

St. Patrick's parish is beginning its 50th anniversary celebration on Thursday, March 17th with a mass, reception, and concert by Irish Tenor Mark Forrest and the touring company 'Seasons' with pipers, Irish dancers, and traditional Celtic Instrumentalists. Tickets for the concert are available after all Sunday masses at St. Patrick's until SUN/MAR/13.

Marilyn and I wish all of you a Happy St. Patrick's Day. Celebrate it sensibly.

**Motto: Lord, help me to say "Yes" to Your will.**

#### Brother Knights and Ladies:

The New Year has presented some challenges as a result of inclement weather! It has also provided opportunities for us to adapt, reschedule and come together to continue our mission. We continue to thank the Lord for our many blessings.

The Communion Breakfast was rescheduled and occurred on SUN/FEB/21 in St. Peter's Parish Hall following the 9 a.m. Mass. This event was well attended and the presentation by Jack Giacalone addressed how we can support the ongoing Knights Culture of Life program. This fundraiser will support the placement of ultrasound machines into pregnancy centers throughout the State of Maryland.

Our program dedicated to the support of our youth and their development occurred after our February Business meeting. I thank our Brother Knights, Homer Chen and Eddie Edmunds, for their presentations and insight. This was well received and refreshments and fellowship were shared after the seminar.

The Council also prepared a meal on the evening of Shrove Tuesday, TUE/FEB/09, at St. Peter's. This event spurred the comment: "The Knights of Columbus have outdone themselves again! Thanks so much for supporting our Youth Ministry at the Mardi Gras dinner. You are the best!" We are happy to be of service to our Church and their ministries. We also participated with the Olney Lions Club to host the 40th annual Pancake and Sausage Day. This was well attended and a fun event for all. It is one of our largest fundraising events and supports our Council Scholarship Program.

The Council is conducting a Mulch Sale fundraiser (an event flyer can be found in this newsletter). Please call Joe Krempasky to purchase mulch for your Spring cleanup and/or to help with the deliveries on SAT/MAR/12. Joe also has the lead on our annual Easter Egg Hunt on FRI/MAR/19. Details are in another flyer available in this newsletter. My thanks to Joe for all that he does for our Council. We are blessed to have Brothers like Joe who give so much of themselves.

Our Social Meeting on WED/MAR/23 at Our Lady of Good Council High School will feature a program "What Jesus saw from the Cross". That program was first presented last year during Lent and was an event not to be forgotten. The presentation will be in the High School Chapel, followed by fellowship and refreshments. Plan on attending this year and be prepared for a truly inspiring event.

Many other opportunities to serve our Church and Community are on our agenda for the upcoming months. Take a moment to be informed, keep an eye on the newsletter, and attend a Business Meeting to find things that suit your particular interests and join us. The satisfaction is enormous and it's also fun!

Remember the importance of recruitment and retaining and engaging our Brothers and their families, making them welcome and a vibrant part of our Council.

Please visit our web site at [www.kofc6793.org](http://www.kofc6793.org) or our Facebook page at [www.facebook.com/Knights\\_of\\_Columbus6793](http://www.facebook.com/Knights_of_Columbus6793). Consider coming to a meeting to help us plan and execute our activities for the year. Make the time to participate in our activities. Become a more active member of our Council. You can reach me at 301-871-8928 or [taylorwf8@verizon.net](mailto:taylorwf8@verizon.net).

## UPDATE YOUR BENEFICIARIES

Sometimes it's easy to overlook the simplest of things. Take, for example, the beneficiaries on your life insurance policies. If your policy was applied for and issued several years ago, it may very well be that the person you originally selected as the beneficiary is no longer the person you would want to receive the policy proceeds. If you bought the policy when you were single, for example, you may have named your parents as beneficiaries. If you have since married, your policies should be updated to reflect your spouse as beneficiary. Maybe you've had children since, who are not named on the policies.

Most people list a primary beneficiary, who is specifically designated as the first in priority to receive policy proceeds. We also encourage the naming of a contingent beneficiary, an alternate person designated to receive policy proceeds, usually in the event that the original beneficiary predeceases the insured.

I routinely call all of my policyholders for annual review appointments, usually near the anniversary date of your policy – that is, the date it was originally issued. One of the matters that I'll discuss during this review is the status of your beneficiary designations. If they need updating, and they often do, I can complete the paperwork during that appointment.

I look forward to meeting with each of you to discuss your family's needs.

### Carhart Sends Another Woman to a Hospital

LeRoy Carhart sent another patient to the hospital as a result of a faulty procedure. On January 19, Carhart saw 21 patients, seven of whom were risky, late-term abortions. At 7:46pm that evening, an ambulance arrived at his Germantown facility, and shortly after left with a woman on a gurney. This was only a month since he had another patient transported to a hospital for an emergency. Carhart has not held hospital privileges anywhere, including Maryland, since 1982, yet, the Maryland Board of Physicians allows him to practice his deadly trade. One day after this incident, Operation Rescue named Germantown Reproductive Health Services as one of the six most dangerous abortion businesses in the country.

Physician-Assisted Suicide in Maryland Legislation will be introduced for the second consecutive year in the Maryland General Assembly to allow doctors to legally prescribe a lethal dose of pills at the request of a mentally competent patient with a terminal diagnosis of six months or less to live. Physician-assisted suicide violates the most basic tenet of Catholic belief in the sacredness of life and poses many dangers to vulnerable populations. There are battles continuing in a number of states to legalize the practice. It has been approved in six states, but defeated in several other states, including Colorado, Massachusetts, and New Jersey. Let's make sure it is defeated once again in Maryland. Join the Maryland Catholic Conference's Catholic Advocacy Network at <http://www.mdccathcon.org/action> to stay informed of developments on this issue and others of concern to the Catholic Church in Maryland. You're encouraged to read the full article at: [http://www.kofc.org/un/en/news/supreme/detail/fromthesk\\_20150112.html](http://www.kofc.org/un/en/news/supreme/detail/fromthesk_20150112.html)

## **BUILDING THE DOMESTIC CHURCH WHILE STRENGTHENING OUR PARISH**

Therefore, I am announcing a new Order-wide initiative to strengthen both our parishes and our families. It is titled *Building the Domestic Church While Strengthening Our Parish*. This new initiative builds upon our past programs and accomplishments. At the same time, it requires that we do some things differently in the future.

**First**, this initiative requires that we accelerate the process of moving *away* from the home association system and moving *toward* more parish-based councils. We should no longer expend valuable resources supporting home associations whose activities are outside the mission of the Knights of Columbus or of the Church. The deployment of our resources should be made on the basis of mission integrity with our core principles of charity, unity and fraternity. Some home associations, for example, served important social purposes in the past, such as hosting receptions and parties, as well as degree ceremonies and business meetings. However, because of the need to generate a constant stream of revenue just to maintain their buildings, many home associations have been forced into the facilities rental business, in which they are now subject to market forces, government regulations, and liability risks. Needless to say, this situation has diluted the mission integrity of the councils that use those buildings. These home associations may, at times, actually impede the work of the Order. For this reason, I am asking every council using facilities owned by a home association to undertake a serious assessment of how that relationship supports the council in its fulfillment of the core mission of the Knights of Columbus. And every council using facilities owned by a home association should, as soon as practicable, enter into the contractual agreements required in a resolution adopted by the Supreme Council at its 2014 convention.

**Second**, our Building the Domestic Church While Strengthening Our Parish initiative requires that our parish-based councils move toward greater integration into the life of our parishes. Councils should begin to phase out the duplication of programs that may compete with parish activities. Instead, we will use our resources of time, talent and money to strengthen parish-based and parish-sponsored programs. One important area where this will occur is youth-based parish ministry. Perhaps more than at any other time, our youth are in need of greater evangelization, catechesis and pastoral care. This pastoral care must take place within the parish and at the direction and supervision of its pastor. Today our youth need more not less involvement in the life of their parish. There is no better organization today in so many parishes than the Knights of Columbus to assist our pastors in this responsibility. Councils should seek ways to work more closely with parish-based youth ministry programs. And councils should also seek new ways to support the activities of parish-based schools.

The Board of Directors has thus decided that as part of this new initiative, local units of the Knights of Columbus will no longer sponsor Boy Scout troops. Councils should move to end sponsorship as soon as practically possible — in many cases by the end of 2015 and in no case later than 2016. Instead, local units should encourage troops that they presently sponsor to become parish-sponsored troops. Such new parish-sponsored Boy Scout troops can and should receive the volunteer and financial support of local councils. But the key change is that the mission and activity of scouting will be more properly integrated into a comprehensive strategy of the parish's youth ministry under the direction of the pastor. After considerable deliberation, we believe that this is the best way to provide for the future sustainability of

an authentic Catholic scouting program and of the Catholic identity of the young men who participate in it.

**Additionally**, councils should seek to more closely integrate the activities of Squires circles and their other youth activities within the youth ministry goals of the parish. Councils and assemblies in the United States and Canada that do not presently sponsor Squires Circles are encouraged not to institute new circles. Instead, these local units are encouraged to support existing parish-based youth ministry programs. In parishes where youth ministry programs can be improved, councils should work with their chaplain and pastor to find ways to begin new or more effective parish-based youth programs. In the future, youth activities of the Order should be measured by how they assist the overall goals of parish youth ministry programs and how well they are incorporated within our Building the Domestic Church While Strengthening Our Parish program. As we move forward we will incorporate many existing programs into this initiative.

***"Be not afraid, our faith is our courage!"***

[Website: [www.kofc-md.org](http://www.kofc-md.org)]

In late 2015, Supreme Chaplain, Archbishop Lori, highlighted the Order's program of outreach and assistance to Christians and other persecuted minorities in the Middle East. Those who are suffering need our material support, and to-date the Order has provided more than \$4.4 million in direct assistance. They also need our prayers. Hence, Archbishop Lori introduced the "Solidarity Cross" and "Prayer." The Maryland KofC Council encourages its members and others to regularly pray this prayer.

**Oh, God of all nations, the One God who is and was and always will be - in your providence you willed that your Church be united to the suffering of your Son.**

**Look with mercy on your servants who are persecuted for their faith in you. Grant them perseverance and courage to be worthy imitators of Christ.**

**Bring your wisdom upon leaders of nations to work for peace among all peoples. May your Spirit open conversion for those who contradict your will- that we may live in harmony.**

**Give us the grace to be united in truth and freedom, and to always seek your will in our lives.**

**Through Christ our Lord. Amen.**
