NEBRASKA STATE COUNCIL

Anthony (Tony) Hergott, State Deputy

Grand Knight Message

We are having a First (Admissions) Degree on Monday, March 21 at 7:00 PM @ the Knights Hall, 1900 Central Ave.

I have talked with the 2nd & 3rd degree teams and if we can get enough candidates, they are willing to do a degree here in Kearney sometime after Easter. This way no one has to travel very far. As we all know we are all getting older and we can use new blood and new ideas. Also when it comes time for things like the fish fries or bingo! if we can get some new members no one would have to work more once or twice. As it is the same guys have to do most of everything.

District deputy Report

Brothers: We have an opportunity to shine on March 21 with a 1st, admission degree at the Kof C Hall, 1900 Central Ave. Kearney, Ne. Please have candidates ready for the evening at 6:30 for a meal with degree following.

We will have the regional free throw on March 13 in Hastings at St Cecilia School at 1:15pm.

State convention is April 22-23-24. All Knights are welcome to attend the general meetings, ask your Grand Knight about meal tickets.

I hope the Lenten season is a true growth in grace and holiness for you and your family.

Field Agent Message

A Founding Notion: Protecting the Breadwinner's Income

While jobs may be safer in 2016, accidents, injuries, and illnesses that can impact your ability to work still happen. Most, in fact, do not happen on the jobsite or place of employment. Did you know that a 2011 study revealed that more than 95 percent of the long-term disability claims on file were not work related? The Knights have always sought to protect members' families from the "loss" of a breadwinner. I'm sure you know all about Father McGivney's vision for our first, insurance program. But you may not know that Father McGivney also wanted to find a way to help members who couldn't work because of an illness. After all, the "loss" of the breadwinner does not have to mean that person's death; it can also mean the loss of the breadwinner's income. Consider that loss for a moment. How would your family fare if a source of income suddenly stopped? Could a dualincome family manage on one income stream? What about young families with a working father and a mother who cares for the children? What if his income halted due to an accident or illness? I've heard some people say they have coverage at work, but too many aren't sure what this coverage entails, how much income it would provide or for how long. Having this protection counts for something, certainly, but it isn't "yours"; it's provided by the company for which you work at their discretion. It could be eliminated tomorrow. That's where a personally-owned disability income insurance product, like Income Armor, comes into play. It can offer valuable income replacement in the event of an injury or illness.. If you have a job, you must know about this coverage.
