## SUPER BOWL CHICKEN BBQ PREPARATION & RESULTS

Preparation for the Chicken BBQ shown below was accomplished on Friday, February 2 by 13 of our Brother Knights. It was started and ended with snacks provided by SK Elroy Tschirhart.

**PGK/SK ELROY TSCHIRHART, THE SNACK SUPPLY MAN**

Before any of the chicken preparation was started, hundreds of potatoes had to be washed and foil wrapped for cooking. As indicated by no one smiling, this was a task requiring concentration.

**WASHING & FOIL WRAPING HUNDEREDS OF POTATOES  
AAAAA AAAA, BBBB BBBB, ROGER MAYS, & AI Gill**

As shown below, two separate groups then started cutting unwanted parts from 1,200 chicken halves. With all their smiles and laughter, their work involved something they really enjoyed doing.

**Bill Faucher, Ralph Solis, Pppppppp, & Larry Zoller**

Only one shacking hand was required to properly season the 1,200 chicken halves. The amount of seasoning being applied is very important – hopefully Pete Blozis is just holding the container while expressing his joy in doing the work.

**PETE BLOZIS SEASONING CHICKENS**

Following is a message from SK Mile Pattillo that describes the success of the Chicken BBQ.

**Super Bowl LII was by most measurements a success. But the game is done and behind us. On the other hand, our Knights of Columbus Council 7613 Super Bowl BBQ is a greater story: it was definitely a success, and a great deal of it is still to be looked forward to, appreciated, and utilized!**

**First, it appears we netted over \$3,000. That money will be used in the future as several of St. Mark the Evangelist high school seniors will receive \$1000 scholarships to assist their families in continued education, and hopefully reminding these recipients of their Catholic faith as they advance into adulthood. We earned the money now, but this upcoming fall is when it will be treasured even more.**

**Second, many of you and our parishioners bought extra chickens to last them for the next few months. The Super Bowl BBQ will be remembered with fondness and prized not just that weekend, but now, and in March, April, and into May. “In the spring a young man’s fancy lightly turns to thoughts of love *and delicious Knight’s chicken in the freezer.* (italics are mine and apologies to Alfred Lord Tennyson)**

**Finally, the camaraderie that we gained from working, laughing, and story-telling with one another on different teams will only strengthen our fraternal bond. We had over 90 positions filled by some 70 men! (Several men worked on more than one team and some up to four teams!) What a pleasure to not just work for a good cause, but find joy in getting to know brother Knights better! That perhaps goes double for the salesmen, who present the**

face of our Council to the parish as they work many long hours manning the three sales locations with exuberance. Parishioners walk away smiling after dealing with these wonderful men. Yessir, these new and deeper relationships carry over to the future. Indeed, the Knights of Columbus Super Bowl Chicken BBQ was superior to Super Bowl LII.

Thank you to all who worked and you who purchased. Put May on your calendar for our next one.

May Our Blessed Mother smile upon you and your families.

**LENTEN FISH FRY**

A good expression of joy of having a Lenten Fish Fry is expressed in the picture shown below. Yes, even grilled fish tacos were a big hit! This expression was created by PGK SK Tex Liedtka during the February Council Meeting.

Thanks to the *Fishman* SK Richard Lee for his tireless leadership.

Following are scenes of the “Fish Fry” activities set forth by a number of our Brother Knights, the fish ready to serve, and the many parishioners enjoying the meal which includes the “*Hmm Yumi Fish Tacos*”.
