Brother Knights,

Are you one of those who received the Covid stimulus relief checks this past year and find yourself not needing it? Consider donating to Council 4580. Brother Tom Kuehn has challenged each of us to consider making any size donation for what has been a tough year in running money-raising events. Also, consider that the SHSST has given us the name of 9 seminarians in need.

March is upon us and so is lent. With lent comes our annual 40 cans for Lent at St Martin of Tours. The idea is to collect one can for each day of lent. The food collected is being donated to the St Martin of Tours Food Pantry.

Sign up for the Men of Christ virtual conference on Saturday March 20th is open on the St Martin of Tours website. An excellent opportunity for fellowship with other catholic men in the area.

Also, don't forget that online membership is free for 1 year if done by June 30th. If you want to invite a non-member to one of our meetings or to just say the rosary with us that would be great.

Fraternally,
Ken Keefer

If anyone knows a brother knight who is ill, in distress, or has passed on, please contact the Grand Knight or the Financial Secretary.
