

ASSEMBLY 3414 NEWSLETTER ARTICLE

March, 2018

I missed the newsletter for February so we have two Sir Knight of the Month selections to present. Our Sir Knight for January was Keith Angus pictured on the top. Keith stepped up to join the volunteers at Tahoma National Cemetery in Covington. He has been doing an outstanding job with traffic management and control for the last several months. The picture was actually taken at the Public Information Center at the cemetery. Thanks Keith.

For February Sir Knight Peter Berg is our selectee and is pictured on the bottom. Since his return to the Assembly from the Portland, Oregon area Peter has been

a great support to the Color Corps taking part in the many ceremonies we are asked to do. Additionally, Peter has volunteered to take command of our Color Corps for the next fraternal year beginning 1 July. Thanks for all you do my brother.

Doug Johnson and I have been busily planning an upcoming 3rd Degree Appreciation Dinner scheduled for 13 April to be held at St. John the Baptist. All 3rd degree Knights from both the St. Barbara and St. John the Baptist councils and their spouses or significant others are invited as well as all 4th degree members of Assembly 3414 and their partners. This is a free event and will include a baked lasagna dinner with garlic bread and a green salad. There will also be a bar serving beer and wine selections on a free-will-offering basis. As an added attraction we are hoping to have the same band that played at the SJTB crab feed held last month. Invitations will be emailed out in the very near future. Please come join us in this event and see how many folks we can recruit to join us in the wonderful work being conducted by our Assembly.

For the leadership in both Council 11736 and Council 11780 I hope you to take advantage of the 2nd and 3rd degree exemplifications being conducted in our area. The last 4th Degree Exemplification for this fraternal year will be held at St. John the Baptist on June 9th and we hope to have as many candidates as possible from both Councils.

In His name,

David Foley, FN 3414
