## Staying EXCITED as We See the Hints of Spring!!!

### GRAND KNIGHT'S REPORT

Joe Eagle

410-549-3675 (h)

EagleFamily76@gmail.com

March is upon us and Spring is right around the corner. We will be putting away the cold weather coats and opening the windows to let the sunshine in! As we look toward Spring I cannot help to be excited about all of the events that are coming up for our Council.

But, let us not forget all of the accomplishments in February. The Valentines' dinner and entertainment was great. Thank you so much to Brothers Weido DiMaio and Mike Piechocki for planning and making the dinner. It was terrific! The Sheen's Colleens really made the home look special & romantic.

On February 20th we had the second annual Squires Circle breakfast after the 8:30 AM mass. The event was well attended and thanks to all of the cooks that made it happen. A special thanks to the Gruel family for all that they did to make this happen on short notice. Although I am still waiting on my special order (Denver omelet), the food was great. And to

Brother Mike Piechocki – we could not have done it without your planning and purchasing of all of the food – thank you for your time.

On February 23 we had our beach party. We had to reschedule the beach party once because of the snow and then the snow came again – albeit one day early, but we still had the party! Over 8,000 pounds of sand was moved into the Council home for the party. The food was terrific and the games so much fun! Thank You to Brothers Tom Greul and John Hundertmark and everyone else who helped!! It was a fun night for the kids as well as the adults! Look for your pictures on the Council web page.

March begins with the Lenten season. First we have our traditional Shove Tuesday celebration on March 8th, then Ash Wednesday on March 9th and our March business meeting will be on Thursday, March 10.

The Knights / Squires basketball game will be on March 12 and the St. Patrick's Day Dinner also on March 12th. This sells out early so get your reservations in quickly.

On Sunday, March 13th we will have a celebration to thank Deacon Todd and Jan for all that they have done for the Knights. As you may or may not know, Deacon Todd has been transferred to Philadelphia for work and will be relocating there in the immediate future. The celebration will take place at the Cobblestone restaurant in Eldersburg. If you would like tickets, please contact Chancellor Dave.

Remember the Knights also sponsor Lenten dinners each Friday during Lent at St Josephs. See the Church bulletin for more information.

Lent is a time when Catholics remember the 40 days and nights Jesus spent alone in the desert without food being tempted by the Devil. Jesus used this time to prepare for His work by fasting and praying. Some Catholics try to follow the example of Jesus in the desert by giving up luxuries and practicing self-discipline. And they try to put aside more time for prayer and religious acts so that they can really let God into their lives. I think this is important to remember during the season of Lent.

Have a great March!  
Serving you for a successful year....

We have been working on the pillars in the center of the hall and have been able to reduce their size from roughly two foot by four foot to a mere six inches square. This has made a great difference in the hall and has made it appear to be much bigger. With their much smaller size there is no bad seat in the home. We have made many repairs to the heating system and the duct work in the home and in fact just this past Wednesday at the council's beach party social we were able to keep the hall at a balmy 87 degrees all night.

We have also taken the ceiling out of the back room and exposed all of the hand honed timbers of the ceiling. We have asked brother George Snediker to make us two replacement timbers to replace two that have some rot from the years. We intend to whitewash the ceiling, install new lights between the timbers and leave it the way it is because the natural look is very impressive and is a great look into the past of our great building.

We have completed all of the work on the restrooms including the handicap covers on the sink drains and we have called for our final building, plumbing and electric permits. We are very proud of the way they have turned out and are glad to be done this amazing project.

I want to personally thank the men who have worked so hard with me to make these amazing improvements to our home. I could not have done any of this without their hard work and dedication. First my officers, Otto Greul the VP, Dave Smith the Treasure and Ray Miles who is the recorder, secretary, keeper of the renting schedule, and my confidant who keeps me going in the right direction. My team who works so hard doing everything from cleaning, mopping, demolition, painting, trash removal, organizing, plumbing and rebuilding. They do everything I ask and so much more. Thanks to John and Dan Hundertmark, Roy Wagner, Alasandro Pacifico, Tom Harrington and Otto Greul. These men are at the council home two or three times a week working all day till we are all too sore to drive home. There are several other men who have come up from time to time to help with one project or another and I could not begin to mention all of them. Thank you all for everything you do! You are the best.

If you want to rent the hall please call or email Ray Miles or myself and we will be glad to give you all of the info you will need to have a successful event. The more we can rent the hall the more we can do it keep improving it. Please help support the Home Corp and your council and consider renting the home for any of your gathering needs.

## **CHAPLAIN'S REPORT**

Deacon Todd Smith  
deacontodd@comcast.net

Hey all,  
This is a difficult time of year, isn't it? Still longing for those long daylight hours, incredibly

depressing cold, rain, snow, power outages and high winds...

And football is over! What a shame!

But I think our parish is doing well. We have good priests who want to give themselves in every pastoral way to guide us in our spiritual journey. And the Knights are plugging in to give ourselves in every way. The youth need our help, the catechists need help, Eucharistic ministers need help, and every where we turn, help is needed. What a gift it is to belong to a religious community that cries out in hopes that we'll respond with our gifts of time and talent! I mean this is truly a God-given gift.

I'm reading a book by a professor of religious studies at Harvard who claims that religion today has become nothing more than a set of individual beliefs mixed with personal spirituality that leaves no room for organized church. No liturgy, no priest, no Eucharist, no church related activities. The bad news is, many people today would agree with his conclusions. How many people have said to you, "Oh, I have my beliefs, but I don't need a church – I don't need to go to church on Sundays." I feel sorry for folks who don't see the value of faith based communities. They are deprived of so much. What happens when we have the Otto Greuls of life who ask us for prayers as he enters into difficult surgery? Or how about those who are on their last few days of life? Is there no one to pray with them or bring them communion? I wish I could introduce the professor to our council and to our St. Joe's Catholic Community to at least let him catch a glimpse of what organized religion really means.

We have so much to offer each other, and so much in community that needs to be done. Yet this is who we are as Catholic Christians – and so we do as Knights. Thanks, guys.

## COUNCIL BENEFITS ADVISOR

Mike Hurley  
410-913-7835 (c)  
michael.hurley@KofC.org

Do you still have only group life insurance through your work? As a Knights of Columbus Field agent, I hear about group insurance every week.

If you have it, it's certainly not a bad thing, but it can be a misleading security blanket. Most times, the amount offered is less than what you need, and the only way to determine what you really need is with a comprehensive needs analysis. Your group coverage is not based on any analysis. Instead they apply a formula: you make "X" amount of salary and the group life insurance amount is either a flat amount or a multiple of your salary. Either way, it has nothing to do with the amount of children you have, the mortgage balance you carry, or the amount of money your wife would need if you die. It's a completely random number.

It can also disappear at any time. All of us know people - friends, family, neighbors who have lost their jobs. When a job is lost, so is the group life insurance coverage. You do not own that policy, your employer does. If a company experiences difficulty and budgets need to be cut, group life insurance can be reduced or eliminated. And that decision could be made at the worst possible time for you.

Most group life insurance coverage reduces or disappears when you retire. Many times it can be converted to an individual policy, but at a very expensive premium payment (remember you're no kid anymore when you retire and rates increase as you age). Just because you're 65 doesn't mean that you no longer need life insurance, or need less coverage. Actually the opposite is true.

So, do you still carry only group life insurance? It must be supplemented with a personally owned portfolio of coverage. I can guide you in a plan that blends your group insurance with your KofC life insurance. Don't let the feeling of security that group life insurance through your job provides; distract you from the real issue. That is taking control

of your family's financial future. Email me or call me. We can set up a time to review your coverage.

OH my goodness Hon did we have a hoot of a time downey the ocean for the beach party?! If you missed February's social you missed a great time indeed. For those who did not come with the rest of the 7612 council family to the beach, let me paint a picture for you of what you missed. We brought about 8 thousand pounds of sand into the building, yes I said eight {8} thousand pounds of sand, and made our own little beach. The heat in the council home was set to 87 degrees and let me tell you, it was quite warm in there. We were all sweating under the hot sun. The walls decorated with scene setters that made it look like you were at the beach and seagulls were seen flying around the room. We had a full size lifeguard chair for our lifeguard Joe to use. We had great food, fun music and great prizes.

Our fearless leader lifeguard Joe the Grand Knight gave out several awards for Knight of the month and Family of the month. He also handed out awards, certificates and trophy's to the winners of the council and District free throw contest. We had prizes for the best beach outfits that went to Otto and Sandy Greul who were dressed in swim suits with snorkels and face masks and loud Hawaiian shirts. There were three winners from the Limbo contest, one from each age group. Some of the losers are still on the floor at the council home!

The highlight of the evening was watching the kids have a sand castle building contest. They were so cute and they had so much fun. The castles were amazing! Little Mathew Grasley who is almost four years old, was running around in a swim suit, no shoes or shirt, playing in the sand, he was so cute. He kept telling me how lucky we are to have a beach inside. I think he is going to be

heartbroken next month when he comes and the beach is gone. Please check out all of the pictures in this communiqué and go to the council website to see all of the pictures taken by our "Scope's" photographer. You can click on any picture and print it if you like.

Special thanks to John Hundertmark and Tom Harrington who helped me get the sand into the building and to John and Dan Hundertmark, Tom Harrington and George Snediker who helped to get it all back out Thursday and clean and mop all of the floors. Thanks guys!

### For The Good of the Order

The Good of the Order "mega-pot" of \$250 was won by Collin Roden. The usual monthly Good of the Order was \$26 and Brother Michael Ward would have won the prize if he had been present. The March Good of the Order is worth \$60 and you must be present to win.

### CONCESSION STAND PROJECT

The Council has decided to not work the concession stand at Oriole Park this year. I recommended that the Council not work at Oriole Park after reviewing the non-profit contract offered by Maryland Sports Services. The Council will continue to work at M&T Stadium for soccer and lacrosse matches in the spring and football in the fall and winter. I will be contacting volunteers who must renew their TEAM/TIPS training this year. Contact me if you have any questions or if you are interested in volunteering for this project. You can contact me using the information above.

Recently squires, fellow knights, and family members attended a joint breakfast social on Sunday February the 20th. Joe Eagle, the Grand knight, spoke a few words about what the Knights are about and some of the activities they part take in. Likewise the Squires spoke about recent and upcoming events, such as recent trips to My Brother's Keeper and BWI airport to welcome troops home. The Squires also officially announced the highly anticipated Knights vs. Squires basketball game. This event will take place Sunday March the 12th around 1 pm. All are welcome and admission

for the game is foods for the Carroll County Rape Crisis/ Intervention center.

### Maryland March for Life

Please come on down to Annapolis and join us for the Maryland March for Life, Monday, March 14th. The March begins immediately after a 5:15pm mass at St Mary's church in Annapolis. I will be going after work, and I believe Kathy Reid is organizing a car pool that will leave from St. Joseph's parking lot. Please contact me or Kathy Reid, reidk@saintjoseph.cc, 443-920-9113 if you are interested.

### Lenten Baby Bottle Campaign Supporting Westminster Crisis Pregnancy Center

Our Council will be teaming with the church for a baby bottle fundraiser. We will be passing out, empty baby bottles for people to take home and deposit their loose change, checks, or paper money. The filled bottles will be returned after Lent. The details are still being worked out, but please plan to participate, and lend a helping hand after mass to pass out and collect these bottles. A special thanks to George Moriatis for pointing me and the Council in the right direction.

### House of Representatives De-Funds Planned Parenthood!

The biggest news of this month is the House voted on Friday Feb 18th 240-185 to block federal funds from going to Planned Parenthood. Rep. Mike Pence, R-Ind., who proposed the move, said, "It is morally wrong to take the taxpayer dollars of millions of pro-life Americans and use them to fund organizations that provide and promote abortion."

"Now that the House of Representatives has voted to defund Planned Parenthood, it is

the Senate's turn to do the same," said Father Frank Pavone, the director of Priests for Life. "It is time for the people to make history and defy the notion that they cannot get the Senate to defund Planned Parenthood. It is time for our citizens to speak with an unprecedented, unified, and loud voice: No more money to the most corrupt organization in America."

The Pence Amendment will most likely be stripped from the resolution in the Senate but there is no doubt that the current Congress is overwhelmingly pro-life and is willing to vote "pro-life" when asked.

Let's pray that they will continue to fight for the unborn

Please continue to pray for the unborn.  
Stay Strong, God is on our side!

Brothers – We, along with all the councils in the state, have been asked by John Fox, State Communities Activities Director, to conduct an ongoing food drive to assist those in need in our communities. The program is called Food for Families and is to be conducted during the remainder of the fraternal year. We at Council #7612 have always been very much aware of our first principal, Charity, and we will no doubt respond. We will be kicking off the campaign at St. Joseph's Catholic Community with two large boxes in the Cassidy Center and one large box at our council home. The boxes at the church will have a sign indicating the

Knights of Columbus Food for Families effort, but we are also combining with Carroll County Food Sunday, Our Daily Bread, and My Sister's Place. As I noted above, the drive will be ongoing. Please bring non perishable food items when you come to our monthly business meeting and when you attend mass. When we shop if we buy one or two additional items we can each make a difference. I thank you all in advance for your generous help.

# Fulton Sheen Council Calendar

## Council Rosary Night

**Rosary every Tuesday evening at 7:30pm at Cassidy Center.** Since 9/11/2001, Knights and their ladies of our Council family have gathered each Tuesday evening to say a Rosary in memory of those killed that tragic day and for service men and women at home and abroad fighting the war on terror.

## Perpetual Adoration of the Blessed Sacrament

We, as a Council, have made a commitment to be present every Sunday morning, between 6:00 and 7:00 am., for adoration of the Blessed Sacrament in the chapel at St. Joseph's.
