## COUNCILS IN COLABORATION President's Message:

Brother Knights and Friends:

This year again we hosted a hospitality suite at the State Convention and it was a great success just like last year and It was wonderful seeing everyone there.

The suite was stocked to the brim with a delicious spread of food and drinks. This event is always one that brings about a great sharing of ideas amongst our Brother Knights throughout not only Chicago but, all of Illinois.

In these past two years it has been both an honor and a privilege to serve as your Chapter President. I would like to thank a few Brother Knights that have helped me through my two years of Presidency.

John Lugh has been there for me anytime I need him. He will always be a great friend of mine for that. Bob Bukowski, who does a fantastic job putting together all of the newsletters and is also the keeper of our email list, has provided me guidance through these years. Last but certainly not least, Bill Doody. Bill has brought me into the Chicago Chapter and has supported me with everything I have done.

Although my reign as President is coming to an end, I will still be supporting the Chicago Chapter in everything they do. I am grateful I was provided with this opportunity, it is something I will remember forever.

God Bless,

## Scott

*Soldier; rest thy warfare, o'er  
Dream of fighting fields no

knows not breaking, Morn of  
toil, nor night of waking.*

It was **General John A. Logan** of the Grand Army of the Republic who designated May 30, 1868, "as a day for strewing with flowers" or otherwise decorating the graves of comrades who died in defense of their country, and whose bodies now lie in almost every city, village, or hamlet churchyard in the land.

"It is the purpose of the commander-in-chief to inaugurate this observance with the hope that it will be kept from year to year while a survivor of the war remains to honor the memory of the departed."

## **Mother's Day**

In the United States **Mother's Day** was first suggested in 1872 by Julia Ward Howe (who wrote the words to the Battle Hymn of the Republic) as a day dedicated to peace. Ms. Howe would hold organized Mother's Day meetings in Boston ever year.

In 1907 Ana Jarvis, from Philadelphia, began a campaign to establish a national Mother's Day. Ms. Jarvis persuaded her mother's church in Grafton, West Virginia to celebrate Mother's Day on the second anniversary of her mother's death, the 2nd Sunday of May. By the next year Mother's Day was also celebrated in Philadelphia.

Ms. Jarvis and her supporters began to write to ministers, businessmen, and politicians in their quest to establish a national Mother's Day. It was successful as by 1911 Mother's Day was celebrated in almost every state.

President Woodrow Wilson, in 1914, made the official announcement proclaiming Mother's Day as a national holiday that was to be held each year on the 2nd Sunday of May.

In the United States, the first modern **Father's Day** celebration was held on July 5, 1908, in Fairmont, West Virginia.

It was first celebrated as a church service at Williams Memorial Methodist Episcopal Church South, now known as Central United Methodist Church.

Grace Golden Clayton, who is believed to have suggested the service to the pastor, is believed to have been inspired to celebrate fathers after the deadly mine explosion in nearby Monongah the prior December.

This explosion killed 361 men, many of their fathers and recent immigrants to the United States from Italy. Another possible inspiration for the service was Mother's Day, which was recently celebrated for the first time in Grafton, West Virginia, a town about 15 miles away.

## Council 11981 helps w/bats for Exceptional Children

Council 11981 Inverness, received a call in early March, for help, from the largest Challenger league, for exceptional children, in the state of Illinois, located in Bartlett. The challenger league consists of 10 teams, over 110 exceptional children participate.

Little league had suddenly changed all their bat requirements, which means that the Challenger league needed to purchase new bats at a cost of \$5,000 with only 6 weeks to raise the money.

The Knights of Columbus, working with the great people of Wilson Sporting Goods CO. we're able to deliver on April 17th to Gigi's Playhouse, in time for the opening of the league on 4/21, \$5,000 worth of brand new bats

For every child that participates, Little League is a highlight, but for the exceptional children it means so much more. It gives them the sense of ownership & belonging. It allows them to feel just like every other child.

## COUNCIL ELECTIONS

Election of council officers is quickly approaching. Section 128 of the Laws of the Order indicates that officers are to be elected by ballot at a regular business meeting held between the first day of May, up to and including the fifteenth day of June. Section 128 also states that college councils may elect officers at a regular business meeting held between the first day of March, up to and including the first day of June. Immediately after the election of officers, the financial secretary should report the officers-elect to the Supreme Council using the Member Management Application located in Officers Online on the Knights of Columbus web site or by using the Report of Officers Chosen for the Term (#185).

## COLUMBIAN AWARD APPLICATIONS

Applications for the **Columbia Award (SP-7)** are due at the Supreme Council office by **June 30, 2018**. Every council should submit a **Columbian Award** application.

Qualifying for this award is necessary for consideration for the **Star Council Award**.

## Hail Mary full of Grace

*By tradition, the Catholic Church dedicates each month of the year to certain devotion. In May, it is the Blessed Virgin Mary.*

*This devotion arose among Jesuits in Rome in the late 18th century and quickly spread throughout the Western Church. By the time of Pope Pius IX's declaration of the dogma of the Immaculate Conception in 1854, it had become universal.*

*May crowning's and other special May events in honor of Mary, such as public recitation of the rosary, stem from this time.*
