CHOC WORK

Eleven of our Brother Knights seemed to be hard at it to get the jobs done, all seriously looking with no smiles. More than 300 chairs plus many tables were reviewed cleaned and as necessary, repaired. Not shown below working is the picture taker (and also worker) SK Gerardo Zapata.

Shown immediately below was some “outside work” involving the repair of sprinklers and gardening in our Hall Garden. The gardening work included replanting and mulching.

The CHOC team wasted few words in getting the work done quickly and efficiently – well, there is one in the 2nd picture below smiling and just holding onto the gardening tools.

ST MARK'S ANNUAL EASTER EGG HUNT

Children 8 years and older participated in the egg hunt and enjoyed the fun of finding their treats. Pictured below is Deacon Steve and Chris Huggins. Deacon Steve started the event with a blessing and Chris followed by making the announcements regarding what was to follow.

The two grand children of PGK/SK Ysau Flores pictured below (left) show that they really are enjoying the event, especially by their welcoming by the *Easter Bunny*. Pictured at right shows more fun of others.

As shown in the following four pictures, this year's Easter Egg Hunt was well attended.

Then, as shown below, the action of children doing what they came to do – to have fun finding eggs.

SPECIAL OLYMPICS

Our guys, shown below, cooked 270 hamburgers, bagged them with chips and delivered them to Rutledge Stadium where the Special Olympics field games were held on April 13. The sides of the tent had to be lowered because of the storm.

Not shown below is the photographer and cook GK Andy Totah.
