Grand Knight's Report

Hello Brothers

I pray everyone is doing well and staying safe. COVID-19 is definitely something we haven't seen in our lifetime and I'm sure it's a BIG adjustment for everyone. Please know if you need anything please reach out to me or anyone of your brothers. Now more than ever our brotherhood is put to the test and our job is to pray, be here for each other, and help for those in need. KUDOS to Chad, Bruce, George, and a few others who organized and made a health check calls to many within our brotherhood and our congregation. I encourage everyone to do the same in some capacity, if it's a simple phone call or a quick porch visit.

Please reference last month's business meeting notes and reply if you have any concerns.

Jerry Hightower asked all in favor of accepting the list of officers say “Aye”, opposed “No”.

Aye’s carried. Officers for the next year are as listed above.

Voting was also open on the Council website for any not at the meeting in the event a quorum was not at the online meeting. Since there was a quorum the voting on the website was not necessary.

Josh Gomez accepted the position of Grand Knight and thanked the council for all they had done during the current year. It was a successful year even though it was cut short because of the pandemic. He stated that this next year he would like the council to focus on Family.

Josh Gomez announced that the Knight of the Month was Brian Perry and the Family of the Month was Ron & Mary Hawk.

Joe Bason stated that we had not spent all the funds in our budget and recommended we hold the funds for next year. All agreed that we should carry the funds over into next year budget.

It appears that the council is on track to make Star Council this year.

It was requested that Gil Frausco’s father be added to the prayer list.

Family of the Month May

Congratulaations to Ron and Mary Hawk for Family of the month of May 2020. Ron became a Knight sometime in the 70's in York, Nebraska. He was born and raised in Wisner, Nebraska. He attended Wisner High. And followed a carrer in plumbing, heating and air conditioning. He worked a lot of large commercial buldings such as high rise, hospitals, etc. He started his own plumbing, heating and air conditioning but is retired now. He met his wife Mary in York, NE while working on a high rise project. When he saw Mary, he said to himself that now she is someone who could be my wife. They dated and married December 30, 1972. His job took him to various places and ended up in Texas by way of San Antonio, Tx and then to Ft. Worth, TX in 1985 and join St. Thomas the Apostle church same year. Mary has a college degree and worked for about 6 months then they decided that she would be a stay-at-home Mom and could live on his salary. They have 3 children 2 girls and 1 boy James, who is also a Knight. They both do the music ministry and attend the 10:00 o'clock mass. He has the mowing program and helps out with the 4-H fencing the animals. He's too busy for any hobbies so work seems to be his hobby but spend some time with the grandchildren.

Knight of the Month May

Congradulations to Brian Perry for Knight of the month of May 2020. Brian has been on the 1st degree team, financial secretary, Grand Knight, major degrees, trustees, etc. He became a Knight in 2002 and was recruited by Charlie Parr. Brian was born and raised in Pasadena, TX, he attended Pasadena High. He join the United States Marine Corp. and continued his education in communication, audio, video, etc. In 1996 the Marines sent him to Ft. Worth, TX and became a member of St. Thomas the Apostle church in 1999. He and his wife have a business with 2-way radios. Brian takes care of the audio, video communication in the church, he's our Information Technician (IT). His main hobby is having family gatherings in his back yard.

Thought for May

To judge the "quality" of the Christian life of a community is always a difficult task, and perhaps a foolhardy one. There are so many factors that should be taken into account. And the most important of them are hidden!

Nevertheless, if the Holy Mass is the central act of our Catholic life, then Mass-going must surely remain one of the most indicative of these factors. With good reason therefore we consider the number of people coming to Mass, not only on Sundays but also very specially on weekdays. With even better reason we try to assess the "quality" of their participation in the Mass; their understanding of its nature

and their application to their own lives of what it should mean for them. And we often think of the ways in which we can help them.

This is where our catechists on the Mass must come in: a constant catechesis, with big groups and small groups, with Sundays congregations and very particularly with the weekday ones; a constant and simple catechesis that is not afraid to drive home the basic points by dint of repetition.

The following commentaries one for each day of the month were first prepared for school use, with the idea of repeating them once every two or three months. They can easily be adapted for use on a different basis. The person-to-person style is no doubt more suited to the spoken word or to be put down in writing, but it seemed preferable not to change it.
