WATER HEATER

For those Brother Knights who have not visited the council in some time we have some physical updates to show you. Many Brothers have donated their time to paint the inside of the building as well as do minor projects just to keep the building in shape. One of the talented Brother Knight is Michael Baldivia and recently he installed a 75 gallon water heater to replace the leaky one. Mike has also done many improvements to the kitchen dish washer, stove and drains etc. Needless to say Mike is an all around handyman. Then we have Del Roco, headed by Brother Manuel Carabajal Sr. With his guidance and approval of the other men on the Del Roco board improvements have been made in the lounge area, conference room, Steward's office and copy room. Most notable of all is the refurbishing of the bingo cage with shelving for supplies and an updated storage of the cabinets and cubicle storage for bingo papers. And of course the floor has some beautiful tile now. Last but not least is the installation of a "Numbers Board" on the South wall in the main hall. This board will display numbers called during a bingo game and it will help players who come to play bingo. As you well know, maintaining a building such as we have required an ongoing crew of willing workers. So a big thank you goes out to all the unsung Brother Knights who willingly donate their time to keep Council 4488 ship-shape. It is hoped that the included pictures will encourage you to drop by to see the improvements. The installation of the "Numbers Board" and remodelling of the bingo cage was done by "HO Construction" and in the final picture you see Grand Knight Sam Gutierrez shaking hands with Mr. Ho while workers "Juan" (left) and "Dat" (right) smile for the camera.

Grand Knight - Sam Gutierrez

**Pardon The Dust**

On Tuesday April 8th, Mr. Tu Ho, of Ho Construction, began installing the first of two new Bingo Flash Boards, that Del Roco purchased for our Bingo Operations. Hopefully the second Bingo Flash Board will be installed by Tuesday April 16th. Jim Lewis of Marathon Distributors, our Bingo products supplier will connect the board to our Bingo computer and by Friday April 19th, we should have every thing up and running..

**Bingo on my Mind**

Our Bingo Chairman, John Henry, and the Bingo committee members have been working very hard trying to implement various new types of new Bingo and pull tabs games in order to keep current with other Bingo operations in our area. Our Bingo committee is constantly working to streamline and improve our Bingo and currently needs new committee members to assist. Contact Deputy Anthony Arreola if you're interested.

Brother Patrick Beauregard and Brother Ray Lobato have recently developed a play sheet listing all current Bingo and pull tab games. This new play sheet will greatly help our Bingo callers by reducing confusion on which type of game is being played. Our Bingo workers, will benefit from this new play sheet as they can now more easily follow Bingo/pull tab games and sell the right product at the right time.

**More Bingo**

State District #0110 District Deputy, Anthony Despart, and Grand Knight Jim Nadzieko, of Council 10925, Moreno Valley

I received a call early Monday morning April 1, from District Deputy Despart, inquiring on behalf of Council 10925, asking if Council 4488 would be willing to share its experiences in operating a every successful Bingo operation with the members of Council 10925? Absolutely I replied, and later Grand Knight Jim Nadzieko, called me to request permission to personally attend and witness our Bingo operations in order to learn how his council should organize its own start-up Bingo operations.

Council 10925 currently meets at St Patrick's Catholic Church, parish hall in Moreno Valley and would initially operate a much smaller Bingo operation

GK Nadzieko and several of his officers have since came by and witnessed our Bingo already and were recently introduced to our Bingo Chairman J. Henry, Financial Secretary Jack Mielke, Treasurer Pat Beauregard, and others. GK Nadzieko was impressed with the success of our Bingo, and the professionalism of all our workers and has requested permission return in order to observe, learn more.

**DEL ROCO INC. Support**

To the DEL ROCO INC. and its board of directors, the Bingo Committee acknowledges and appreciates your support and approval of expenditures for improvements for our Bingo Hall and its operations.

Del ROCO authorized the purchase and installation of the two new Bingo boards in our hall, and previously approving the remodeling of our Bingo Cage, and authorizing installation of new outside parking lot lights so as to improve the general night time visibility of our buildings parking lot.

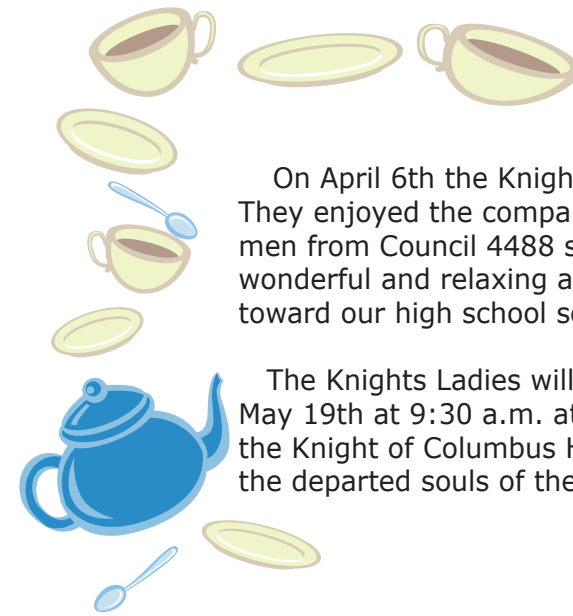

DEL ROCO also recently purchased a new 45 gallon water heater replacing an old 75 gallon hot water, leaking water and damaging the surrounding walls, on April 9, Brother Mike Baldivia changed out the water heater.

**Thank you Mike!** Club steward Gina Reynolds recently had to have a beverage service company come out and replace the soda beverage dispensing pump and hand held dispensing unit.

**Help Needed**

If you haven't yet noticed the walls in the Bingo hall are beginning to show signs of needing a new coat of paint, DEL ROCO just recently purchased 5 gallons of interior paint for the Bingo hall, and additional 5 gallons of exterior paint for the buildings exterior, to paint over continuing graffiti markings.

There's a lot of need for building maintenance and your support is needed. **(Continued on page 3)**

**Knights Ladies**  
by President Kathy Ewing

On April 6th the Knights Ladies hosted their Annual Tea Fundraiser. They enjoyed the company of family and friends while some of the men from Council 4488 served as their waiters. All experienced a wonderful and relaxing afternoon. The proceeds from this event went toward our high school senior scholarship funds.

The Knights Ladies will have a Memorial Mass for all the deceased members on Sunday, May 19th at 9:30 a.m. at Our Lady of Hope Church. There will be a reception to follow at the Knight of Columbus Hall after the service. Please come and join us in remembering all the departed souls of the Knights Ladies.

### Record Business 2013 By David Keeling

#### FIELD AGENT'S REPORT...

The very last thing we do in this World is create & leave financial debt. Final expenses-other remaining debts are what more surviving spouses/heirs are having to deal with today, than ever before.

Costs for a nice funeral today can run some \$15,000 for a survivor family who walks in the door to pay the out-of-pocket expense. But that is just a pittance to the other leftover credit-card & mortgage debt. It should always be remembered... some debts are too much for the survivor(s) to handle. When you leave, you take some or all of your monthly income with you! If they don't have the cash in hand, your surviving spouse/children can lose the car, the house, even the family business. Is that what you want?

Let's look at some statistics on reasons to purchase Knights of Columbus life insurance:

- 36 out-of-every 100 workers will not see age 65
- 82% of all couples are carrying debt (63% with mortgages) into their retirement
- 85% of all wives survive their husbands
- 91% of all heirs received no inheritance since the year 2000

(References: LIMRA, Employee Benefit Research Institute, US Government & MSN-Money)

When was the last time you measured your life insurance versus your debts, reviewed the life insurance you have and how long it covers you? 2-Mondays ago I saw a working member-couple who thought they had lifetime Term Insurance. They did, but I saw only the first 10 years did it have level premiums. In 3-more years, the premiums jump from \$2,395 a year to \$13,235 and \$15,900 the next & so on every year. I provided a service they now are glad they asked for.

## Church and Bible Study

Dear Brother Knights,

As we come to the end of the Easter season and enter into the season of Pentecost and the evangelization of the world by spreading the Gospel of Our Lord Jesus Christ, consider how many men or women that you, personally, have shared the role Jesus Christ has played in your faith. If the answer is zero or just your immediate family, consider Christ's divine command found in Matthew 28 to "go into all the world and baptize in the Name of the Father, Son and Holy Spirit."

If you would like to know how to better apply this command of Christ, please join us on Wednesday evenings at our Bible class at 7:00 p.m. If you feel that you are not "qualified" to evangelize, then recall that Christ did not choose theologians, lawyers and newspaper editors to preach the Gospel...He did choose humble fishermen, a tax collector, a zealot and various others of humble origins. Please feel free to come and share your own faith experiences with our group, and the names of anyone of your family, friends or associates that may show an interest in the Catholic faith, or WHO HAS LEFT OR NO LONGER PRACTICES their faith conferred on them at Baptism.

For the Greater Glory of God, Ad Majorem Dei Gloriam,

SK Bob Herness, Church and Bible Studies Director

Feel free to call me if you would be more comfortable talking privately at: (951)845-2615

## Chaplain's Corner - Fr. Einer Manuel de Jesus Ochoa Rodriguez

### The Risen Lord and the "World"

As we celebrate the Resurrection of our Lord in this Easter season we ponder about His words of living in the world but not being of the world.

Jesus Himself went into His surroundings once He received the baptism of the Holy Spirit and then came out of the 40 day wilderness test with the devil. From there, He embarked on a major three and a half year miracle ministry before He went to the cross to die for all of us.

During those three and half years, Jesus was constantly preaching, teaching, healing and delivering people. At first glance, it looked and appeared as if He had become an actual part of the world with how much interaction that was going on between Him and everyone else that was around Him. But as you will see in the explanations below, God the Father Does want us to become actively involved "in" the world so that we can fully accomplish all of His perfect will for our lives.

God wants His people to become very active "in" the world so they can make it a much better place to live, work and play in. How can you witness, save, teach, and help deliver other people if you are not "in" the world trying to reach and connect with them in the first place?

This particular revelation from the Lord has two sides. On the one side we are to be "in" the world. As you will see in one of the Scripture verses below, Jesus is telling His Father not to take us out of the world, since we all have a mission and a call from Him to help in the salvation of as many people as it is possible.

We cannot "reach" the lost, the downtrodden, the helpless, the poor, the sinners, and the people who are being held in some type of captivity if we are not "in" the world trying to reach them with the message and gospel of our Lord and Savior. This is what the Lord means when He tells us that we still have to continue to be living "in" this world.

We all are born into this world with the consequences of the disobedience of our first parents and until it is our time to leave and depart from this life, God wants each and every one of us to know, love and serve Him according to His will.

Once we enter into a full surrender with the Lord, He will then place us into His perfect will for our life. And once God places us into His perfect will for our life, then He will lead us into the divine plan and destiny that He has set up for our life. And in that divine destiny will be our call, our mission, our divine assignment, and the specific people that He will want us to work with in our beloved Church and in the world.

Again, we cannot properly complete our call and our divine assignments for the Lord if we are not willing to get actively involved "in" the world. This is one side of the call where we are supposed to be "in" the world.

However, this revelation from the Lord also has another side. Though we are to be actively involved "in" the world to the degree that God will lead us to, we also have to realize and be very aware that we are not to become a part "of" the world.

As we will see in one of the verses below, God is telling us to keep ourselves unspotted from becoming of the world. In other words, He does not want us to become spotted, contaminated, and tainted by the bad and evil things of this world. And the only way that we can keep ourselves from becoming spotted and contaminated from this world is not to get too deep and friendly with the ways of this world.

In other words, God is asking all of us to be actively and properly involved in the world so we can reach and help other people-but at the same time making sure that we do not fall into the actual evil, depravity, and corruption of "the world".

I have set before you life and death, blessing and cursing; therefore choose life, that both of you and your descendants may live; that you may love the Lord your God, that you may obey His voice, and that you may cling to Him, for He is your life and length of your days. (Deuteronomy 30:19)

Notice God says absolutely nothing about any type of middle or neutral grounds with this proclamation. Either we choose to follow God and live this life the way that He wants us to live it - or we can choose to follow the ways of this world and eventually bring down death and cursing upon us and upon others.

Though most of us know exactly what the Lord is trying to tell us with the revelation and knowledge that is in these verses, for many Christians in this day and age, this one is a real hard one to try and keep on top of.

With the incredible advances in technology and knowledge in the last one hundred years, much of the world has become a much better place to live, work and play in. As a result of all of this incredible advancement in technology and knowledge, we now have many things and material possessions that we can all strive to acquire more of. We can now strive for bigger and better houses, bigger and better cars, and bigger and better material things for our lives in general.

With all of these types of material blessings from our Lord, it becomes very easy for many to get out of balance with all of it. Instead of realizing where all of this abundant type of wealth is really coming from in the first place and choosing to stay humble and accountable with it in their walks with the Lord, many Christians start to get too caught up in the actual pursuit and desire for this material wealth.

As Christians, we have to realize that we no longer even belong to ourselves, much less to the world in general. We have been bought back at a severe price through the death of our Lord and Savior, and we now belong to God, and God alone. We now work for God, and God alone.

Though there is much in this life that will be very enticing and tempting to want to cross over and experiment with, realize that there are going to be certain things that we are not suppose to go after in this life. We are in the world but we are not of the world.
