MESSAGE FROM OUR SPIRITUAL DIRECTOR

Msgr. Edward House

Dear Brother Knights:

The following appeared in the April edition of KNIGHTLINE. I thought it worthy of bringing it to your attention.

In March, the Knights of Columbus was named one of the World's Most Ethical Companies by the Ethisphere Institute for the second year in a row. All Knights should be proud of this tremendous honour and achievement. You are part of a fraternal society that puts integrity above all else.

Tremendous though it is, being one of the world's most ethical companies is not just an achievement; it's our legacy and our responsibility. We owe it to our founder, to our Church, and to our members. As a business, the Knights of Columbus holds a unique place in the world. For us, this means that we must conduct our business in accordance with Catholic principles.

We have established a strict screening process for our investments, and we refuse to invest in companies that provide or fund abortions, contraception, human cloning, embryonic stem cell research and pornography. We are an organization by brother knights, for brother knights.

Congratulations to our new Brothers; Jim Hession, Michael McNamara and Carlos Paixao who took their First Degree on April 28.

The month of May will also be a very busy month with nomination for next year's executive, Roses for Life on Mother's Day weekend and the Fourth Degree Exemplification on May 23.

Upcoming Events

**THURSDAY, MAY 14, 2015
PARLIAMENT HILL – OTTAWA**

March for Life 2015 – Ottawa

The Canadian National March for Life is an annual event that commemorates the passage of the infamous Omnibus Bill C-150, which decriminalized abortion. Every year thousands of pro-life Canadians descend upon Parliament Hill to express their outrage at the legalized and government funded murder of the most innocent and vulnerable Canadians – the unborn.

Political leaders in Ottawa insist that the abortion debate is closed, but thousands of people who will march on Parliament Hill on Thursday, May 14 beg to differ. The 17th Annual March for Life will again see parents, grandparents and large swaths of high school students calling on the feds to ban abortion in Canada.

SPECIAL OLYMPICS BOTTLE DRIVE

Activity levels should start to ramp up again starting in May with the launch of our Special Olympics Bottle drive for 2015.

We plan to focus our collection efforts around the long weekends including Victoria weekend in May, the July and August long weekends, Labour Day and Thanksgiving.

April Events

Hopefully everyone had a nice Easter and also enjoyed the beginning of spring. The Knights of our council participated in the Easter celebrations at the church and some of our council members carried the cross on Good Friday. We had our meeting on April 7th and the 4th degree members met on April 9th. The writer then deserted the cooler weather and headed to Florida with my wife Dianne. While we were enjoying the hot weather the rest of our council members were enjoying the 4th degree annual dinner held on April 17th. Then on April 24, 25 and 26 the state convention was held in Toronto.
