### COUNCIL CHAPLAIN, FATHER ROSHAN LOY D'SOUZA, CSC

Dear Brother Knights,

Greetings of Easter:

May the Risen Lord bless your families and fill you with Easter Joy.

This Lent, Holy Week and Easter was something different. We believe, pain and suffering always must precede the joy of Easter. We live in the shadow of the cross. It reminds us life is not in our control. We don't act like it. We act like life will go on forever. But we are vulnerable, we are weak. We have a great victorious savior who went through that and came out on the other side, and we will too.

Will we find hope of new life? Yes, certainly. We need to carry the message of hope beyond the Easter Sunday. Anything that disorients us gives us an opportunity to experience God in a different way. We might be able to discover something new in our faith.

God the father is looking for his children to worship in spirit and in truth. The physical church building is a beautiful place to gather in normal times. This time, we are together in spirit.

Easter is joyful and powerful. It is the ultimate end of the way we understand the salvation of the world. It doesn't mean death fear and grief don't have weight. Easter means resurrection, and the return of new life.

I hope what will happen for people this year is we will be reminded to hold on to our hope. The reason we're doing this is to preserve life. When the world returns to normalcy, people will gain a new appreciation for it. There will be such a richness and sweetness in being able to gather, together again. There will be a first time we meet, when it's safe, that will be like Easter.

Yours in the Risen Lord,

Fr. Roshan Loy D'Souza, CSC

Chaplain.

Message from the Grand Knight:

May is now upon us and many, if not all of us have spent the past month dealing with living in a global pandemic that has hit every part of Canada. Many of us know someone who has been affected by the virus. Most of us were forced into self isolation, or had very little interaction with family and friends other than our immediate family whom we reside with. For many, it has been quite an adjustment from not having a daily routine/schedule at all. For those of our brother knights with younger families, it meant spending a lot more quality time with their children (grown up ones as well as younger ones too). The pandemic had a profound effect on all of us in terms of going back to the good old days of playing board games, cards, taking walks with our loved ones while adhering to social distancing and watching movies as a family. Family games and movie night became popular once again, while really appreciating more than ever before, your spouse, children and your pets. For those who live by themselves, it has become even more of a challenge as each day passes for we are all social creatures who are used to getting out on various outings with family, neighbors and friends. Whether it is a simple group of people enjoying a nice day at a local park, or going to mass, or taking in dinner at your favorite local restaurant, or just going to see a movie at a theatre, or even taking in an award-winning play or musical, none of those options were available to any of us. To have these things in life taken away from us was truly extremely difficult. I watched a movie, "The Ten Commandments" over Easter on TV, and the solitude of Moses in the desert, reminded me of a metaphor for the isolation that each one of us has been facing to some extent. Jesus suffered on the cross for our salvation. Let us never again take anything or anyone in our lives for granted. When we are finally able to get out into civilization, let us follow the teachings of Jesus, and conduct great deeds for the less fortunate within our community as members of the Knights of Columbus.

I inserted this new photo of me because like everyone else, I had no access to a barber or hairstylist and decided to take matters into my own hands and cut my own hair. I must say, it didn't turn out as badly as I would have expected. **I am now extremely envious of men who are bald!!!**

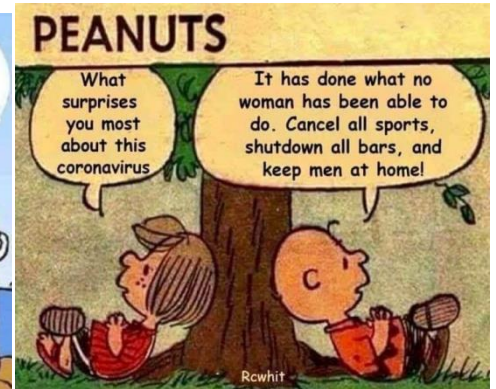

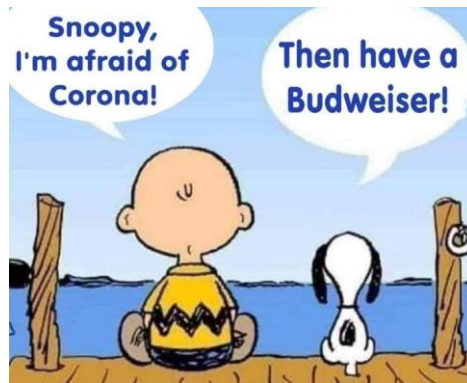

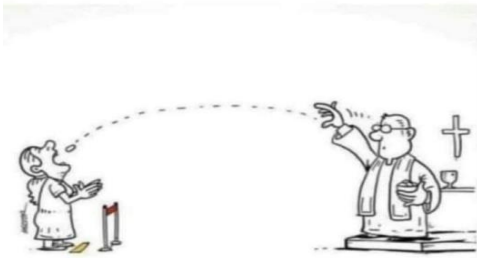

Vivat Jesus and fraternally yours,

Michael Mark (Grand Knight)

**40 DAYS FOR LIFE**

This year, the forty days of life was unfortunately partly interrupted by the pandemic which does not allow for groups to gather for this very worthwhile cause. We did accomplish a fair amount during the days that we were able to gather as a group. We would like to thank brothers Steve Germann, brother Paul Muller and his wife Mary, amongst other brother Knights who did spend some time to support this important cause.
