**“Find new ways to spread the word of God to every corner of the world.”- Pope Francis**

**CHAPLAIN’S REPORT**

Father David McGuigan

Brother Knights, April gives way to May and there is much to celebrate including Mother’s Day. At St. Joseph’s boy and girls will celebrate their First Holy Communion and teens will celebrate Confirmation. Those are important steps in faith formation, experiences of God’s grace and our Lord’s commitment in love to young members of the body of Christ. Recall, Jesus’ lesson to his own disciples about the example that children offer: “It is to such as these that the kingdom of God belongs.” In the society and culture in which Jesus ministered, children had no status or power, and they could exercise no influence. Certainly, they could be loved and cared for, but no one was interested in their opinion. Life in ancient times could be harsh and cruel, especially to the young. Infant and child mortality rates were high although, if you could survive childhood, chances were adults could see their fifties or sixties. Sadly, in our own time, children born and unborn are similarly at risk.

Jesus used children as an example to teach adults because they could not conceal their complete state of dependence, or do anything about it. To be a child was to be one who needs. For us, as adult men, it can be very

difficult to acknowledge that we need. Much of what it means for us to demonstrate that we are adults consists in meeting needs, providing, getting things done, independently, carrying our own water. It makes me wonder what it was like for the Apostles to hear Jesus’ response to their request for a lesson in prayer: “This is how you are to pray: Our Father in heaven, hallowed be your name, your kingdom come, your will be done, on earth as in heaven. Give us this day our daily bread; and forgive us our debts, as we forgive our debtors; and do not subject us to the final test, but deliver us from the evil one.” (Mt 6:9-13) Feed us. Forgive us. Protect us. Recognizing that we need God’s mercy, love,

forgiveness and strength is merely to admit the truth. And the truth, as Jesus said, sets us free.

On May 17, Westminster's Tender Care Pregnancy Center holds its annual banquet to thank supporters and encourage ongoing support for pregnant women and the new life they bear. Maybe, a reconsideration of our own state of dependence on God can inform the perspective from which we pray and advocate for unborn children, and care for the children in our midst. It is one thing to say, "I can do something." Or, "I want to do something and I am going to decide what that is." It is another thing to say, "I'm just like you, kid, only my size is XL." (Or, XXL...) "I need God and I need others." It is good for us to be aware, along this line, that brotherhood in the Knights of Columbus is not a luxury but a necessity, a compass point. As the poet, John Donne, wrote, "No man is an island."

## GRAND KNIGHT'S REPORT

Greg Lofton

The eleventh month of this fraternal year! Many activities are about to come forth this month and next, keeping many of us busy serving those of our church, council and community.

We will have supported our Council's Marigolds (or Marygolds in some circles) for Mothers this past Sunday. Remember that this was a program in which Council 7612 first started and which has grown to become not just a Maryland State program, but has spread.

While in Dallas, Texas the first week of May, I visited several locations dear to my past, my family history and to my heart. I found the grave stones of my grandparents, the place my grandfather worked for over 30 years, and a house typical of their home. It felt good to back in the state of my birth and family.

I visited the only Catholic Church that I came across. While walking the grounds on a nice spring day, I encountered a young Priest sitting in the sun and reading a book. He greeted me

as I came near to him and we spoke of many things. One activity that they were preparing to perform, and was in their 7<sup>th</sup> year, was the marigolds program for the coming Mother's Day. I did not tell him that it was my Council that started the program in Maryland many years ago – I didn't want to come across as bragging to this Priest, but I did tell him that we were preparing our Marigolds Program at our church in Maryland. So, you see, one small movement locally can make a huge impression across Maryland and beyond!

The Maryland State Knights of Columbus Convention is this month, and it will be my first to attend. I'm a bit nervous about representing our Council at the convention, but I'm also excited to experience this wonderful event. My wife, Ann, is quite fearful of attending the convention and supporting me by doing so. She doesn't like any limelight and is worried about embarrassing me and our Council. I keep trying to find ways to calm her down, but she is still apprehensive. She will do fine once she gets there and things start happening.

We still support coffee and donuts on the 3<sup>rd</sup> Sunday of the month, which will be May 15 this month. That is the last day of the state convention, so some of us will be occupied, but others will be there to open up and provide coffee and donuts to the church community after the 8 AM and 10 AM Masses.

During our business meeting, Wednesday, May 11, we will be hosting an Admissions (1<sup>st</sup>) Degree. As of this writing, we'll have three candidates from 7612. Though no Brother Knight is more special than any other, one of the candidates for 7612 is the son of Past Grand Knight. I'm sure we'll make the candidates warmly welcomed.

Then on Thursday evening, May 19, we will be hosting the Formation (2<sup>nd</sup>) Degree in the St Joseph's Formation & Fellowship Hall upstairs. All current 1<sup>st</sup> Degree Knights of 7612 are encouraged to attend the Formation (2<sup>nd</sup>) Degree. Just let us know your intentions so we can properly prepare. The following night,

Friday, May 20, the Knighthood (3<sup>rd</sup>) Degree will be hosted by St John's Council in Westminster. Here again, all 2<sup>nd</sup> Degree Knights of 7612 are encouraged to attend the degree ceremony and completing your journey to Knighthood in our Order. This trifecta of degrees was also a Council 7612 original program, where we hosted all three degree ceremonies in three nights in a row. We are currently speaking with our Worthy District Deputy to try to get all three ceremonies back with 7612 next year, to continue that tradition.

To all new and more seasoned Brother Knights, journey through the degrees is instrumental in your growth and continued service as a Knight. History shows that where Brother Knights delayed in processing through the degrees, they typically reduced their engagement in Knight Activities. So, stay active and continue your journey. Should you be nervous or hesitant for any reason, reach out to your Brothers for support and encouragement. And I am always available to assist you, as I'm here to serve the Council and its Knights.

June will also be a busy month, so rest when you can and help when and where you can. Service through Charity is fundamental to our Order.

Keep your Faith strong, for yourself, your family, your Church, your Community, and your Brother Knights.

Greg Lofton  
Grand Knight

## DISTRICT DEPUTY'S REPORT

John Trainor, District Deputy

It is hard to believe May is already here and the Maryland State Council Convention is only a few weeks away. Your Grand Knight and Delegate will be going to Ocean City to help elect the next slate of officers who will guide our order into the future. All of District 21's councils have submitted their Book of Reports summary of the activities each of our councils have done over the past fraternal year. It was certainly impressive reading all of these reports and makes me proud to be a member of this fine organization. I hope each Grand Knight gives a copy of their council's report to their newsletter editor to be published so that their entire councils can see all of the accomplishments they have done.

Councils will also be having their own election of officers over the next two months. Many of our councils are in need of people to fill the various positions from officers to committee chairmen to individual activity chairmen. Please consider volunteering in some way for the new fraternal year. Remember our current State motto "Be not Afraid, Our Faith is Our Courage". You will always have the help in accomplishing your job from your brother knights. See where your incoming Grand Knight needs help and volunteer today.

It's not too late to keep recruiting new Knights. We still have two Admissions Degrees

(1<sup>st</sup> Degrees) remaining in this fraternal year, May 11<sup>th</sup> at ABP Fulton Sheen Council and one on June 7<sup>th</sup> at Westminster Council. There will be a Formation Degree (2<sup>nd</sup> Degree) on May 19<sup>th</sup> at ABP Fulton Sheen Council and a Knighthood Degree (3<sup>rd</sup> Degree) on May 20<sup>th</sup> at Westminster Council. If you have not yet received all three degrees, contact your Grand Knight so you can take advantage of these opportunities to learn all three lessons of Knighthood in our order. I also invite all brothers to come and review the lessons of these degrees by observing if it has been a while since you took your degree.

Deputy Grand Knights are encouraged to plan out their year by getting their budgets, chairmen and activities ready for the coming year. Don't wait until after the election, assume that you will become the next Grand Knight so that there will be a smooth transition into the next fraternal year. Also be prepared to attend the Leadership Seminar scheduled for June 24-26<sup>th</sup> at Solomons Island.

May also brings some special days. Please be sure to thank all the moms on Mothers' Day for choosing life and having the devotion of being a caring and loving mother. Many councils will be honoring the mothers by participating with the Marygold Program. May 30<sup>th</sup> is Memorial Day. Unfortunately many Americans only take this day as the start of summer or a day for cookouts. Please remember those who gave their lives for the freedoms we enjoy today. Try to start the day with Mass or at least a prayer for those brave men. And finally May is the month of Mary and her rosary, please remember our pledge to carry that rosary with you always and pray it as often as you can.

### **Family of the Month**

George and Pat has always been an anchor for Saint Joseph Catholic Community is very fortunate to have Deacon Vito and Doris to support our liturgical services during the season of Lent and Easter services. Doris, along with her husband Vito, established the Hope for Morrope Foundation, to give a post secondary and preparatory education for underprivileged

young adults in Mórrope, Perú. Deacon Vito and Doris continues to raise necessary funding for a needed building as classrooms for the local young adults to prepare them for a very competitive college exams, and a better future through higher education. Deacon Vito and Doris is always present at our church for catechesis, and other sacramental preparations. For their commitment to church, to our community and to our faith, we elected the Piazas' as our Family of the Month.

### **Mother's Day**

For Mother's Day we give out Marigolds. Just a small token of appreciation for our Moms, but the hugs we take and the love we give is memorable. Take a moment to cherish. Let's bring forth the blessings for Moms.

### **Assistance needed for our Christian Brothers and Sisters in peril:**

An excerpt from KofC. Org Press Release titled **Facing Genocide and Extinction**, 4/1/2016  
*"The Knights of Columbus began its Christian Refugee Relief Fund in 2014 to aid persecuted Christians and other religious minorities, especially those in Iraq and Syria. To date, nearly \$10 million has been raised to provide housing, food, medical aid, education and general relief.*

*"While we applaud and welcome the genocide designation, it is now vital that we redouble our efforts to assist those who have faced this attempt at exterminating them. The survival of the individuals affected, and of Christianity as a whole in the region, depends in large measure on not turning away now, thinking that ISIS will soon conform to the norms of the international community," said Supreme Knight Carl Anderson.*
