## **KNIGHTS AT WORK ON ST. MARK'S GROUNDS**

A tree that fell on church grounds was cut up and hauled off on a Saturday morning by SK Gerado(Zappy), SK Richard and Ryan Lee, Al Gill, Chris Huggins and Andy Totah.

As shown below, Zappy is giving instructions. He likes to supervise, but don't kid yourself, he was also lifting those logs like a young man with a strong back.

## TRASH REMOVAL FOR FAMILY IN NEED

GK Rene Flores Martinez of Council 10181 contacted PGK Ysau Flores requesting our Councils support to help clean up the yard of an elderly couple (Mr. & Mrs. Ambriz) in need to prevent losing their house. Mr. & Mrs. Ambriz are both in bad shape with heart conditions and Mrs. Ambriz has had her left leg amputated.

As shown in the following pictures, our Council pitched in to help this family save their home by removing the trash from their property. Following is a list of our Brother Knights of Council 7613 that performed the trash removal work:

Art Ramirez  
SK Ed Garcia  
Joe Velten

## **BROTHER KNIGHTS & SQUIRES WOOD GATHERING & CUTTING**

On April 14 the following group of our Brother Knights plus a working Squire split and stacked an abundance of wood at the James Hays's house in Spring Branch for an upcoming Chicken BBQ. The wood was later brought (April 24) to St. Mark's to be cut up as being shown below.

**Randy Schulze, Squire Ryan Lee, SK Richard Lee, SK Mike Pattillo, & John Rich**

Our guys shown below at St. Mark's are changing tree trunks into convenient sizes and shapes of firewood needed by future projects such as the Chicken BBQ. The big part of the effort is to produce enough firewood for such near future events.

Unfortunately, our Brother Knights were not able to finish the job due to the wood splinter breakdown. However, only five un-split logs were left to complete the job.

As seen in the last picture, Squire Ryan Lee was trying hard to get the log splitter back in service.
