Dates to remember: Every Friday Fish Fry 4-8 PM

Thank You: A big thank you to all who helped in any way to make the February 28 Fish Fry one of the biggest ever. The Folks from Hope Unlimited, the Boy Scouts, the Sisters of Service, and all our Brothers really put on a great show. Yes, there were a few glitches, but most have been addressed and we hope for the biggest Lenten season ever! With your help and God's blessing we can do it!

Second, Third, and Fourth Degrees: Hopefully, nearly every one knows there will be a Fourth Degree Exemplification in Bowling Green on April 26-27. Anyone interested please contact Bob @270 559 6036 or Dave Speis @270 519 6090. For anyone who needs to complete the Second and/or Third Degree beforehand, If you haven't been been contacted at some point already, contact Bob at the above number. The State Deputy has promised that there will be at least one more Second and Third Degree Exemplification in Western Kentucky before The Fourth Degree in April, and I will see to it that you have the opportunity to attend.

Fourth Degree Regalia: Dear Fourth Degree members, we are going to discuss options that will allow members who want to participate in 4<sup>th</sup> degree events to obtain Regalia. Two examples have come up, if a fallen Knight who attend SFDS wanted an Honor Guard service the majority of the current Honor Guard are from St. Thomas More. I am sure the family would like to see recognizable members of SFDS on the team. Same question would arise for a Fourth Degree Mass. The Priest would like to see the majority of Honor Guard, as members of their Church. At present, there are only a couple of members of SFDS able to perform this honor. Arrangements are not yet complete, but are underway to make it easier for all members to obtain the Regalia to serve their church. Next event will be the Memorial Day Mass.

## Plan for this Tax Day and into the Future

April 15 (tax day) is right around the corner. It's become popular this time of year to encourage the opening of an IRA or similar retirement annuity, or the depositing of additional funds into an existing account, as a tax-savings vehicle. Or perhaps someone has tried to convince you to open an account, touting the rate of interest that money in one of these accounts can earn. Let me join the chorus of folks encouraging you to open or add funds to an annuity, but for a different reason.

Certainly, contributing money to a Knights of Columbus annuity will allow you to save some money on your income tax return. And our annuities do pay a very competitive interest rate, consistent with our primary goal of absolute safety of principal. Opening or adding to an annuity for these reasons, however, strikes me as taking a short-term view of a product that is designed to provide long-term security. How much security? How does retirement income that you cannot outlive — guaranteed — sound to you?

Here at the Knights of Columbus, you can open a retirement annuity for as little as \$300. Consistent and disciplined savings placed into that annuity over time can guarantee you an income at retirement that you cannot outlive. That guarantee — along with the fact that no one has ever lost money left in a Knights of Columbus annuity (remember – absolute safety of principal) — really will provide you with peace of mind.

I am happy to meet with you – at your convenience and in your home – to explain in detail the benefits of opening a Knights of Columbus annuity, along with the benefits of our top-rated life insurance, disability income and long-term care insurance plans.
