June 2019

The month of June is dedicated to [The Sacred Heart of Jesus](#). The beginning of the month falls within the liturgical season of [Easter](#), which is represented by the liturgical color white — the color of light, a symbol of joy, purity and innocence (absolute or restored). The remainder of the month falls within the liturgical season of [Ordinary Time](#), which is represented by the liturgical color green. This symbol of hope is the color of the sprouting seed and arouses in the faithful the hope of reaping the eternal harvest of heaven, especially the hope of a glorious resurrection. It is used in the offices and Masses of Ordinary Time. The last portion of the liturgical year represents the time of our pilgrimage to heaven during which we hope for reward.

Following Pentecost, the Church begins her slow descent from the great peaks of the Easter Season to the verdant pastures of Ordinary Time, the longest of the liturgical seasons. Like the lush June growth all around us, the green of the liturgical season points to the new life won for us by the Redemption of Jesus Christ, the new life of Charity. For Our Lord came to cast the fire of His love on the earth, and to that end, sent His Holy Spirit at Pentecost in the form of tongues of fire.

Ordinary Time is the hour to “go out to all the world and tell the good news.” The feasts of June highlight this expansion of the Church. At least ten times, the Church vests in the red of the martyrs whose blood is the very seed of her growth. She also celebrates the feasts of the apostles Peter and Paul, and the birth of St. John the Baptist, proto-disciple and prophet.

We too are called to be witnesses like the apostles and martyrs. May the Heart of Jesus inflame our hearts so that we may be worthy of our Baptismal call to holiness. Immaculate Heart of Mary, pray for us.

**Special
Olympics
Kentucky**

Brother Knights:

Special Olympics Kentucky was honored to once again be invited to be a part of the annual Kentucky Knights of Columbus State Conference last weekend in Lexington. It was great to have the opportunity to speak to so many of you in that morning or after the banquet. We are grateful for the \$900 donation that the State Council presented during the banquet and I want to thank Knights statewide whose support went into making that contribution possible.

As State Deputy Cameron Peck pointed out, that donation brings the Knights' total financial support this fraternal year to more than \$15,000, to say nothing of the hundreds of volunteer hours Knights have logged in support of Special Olympics Kentucky fundraisers and competitions.

The most exciting part for us, though, was having the opportunity to unveil the new Special Olympics-Knights of Columbus partnership plan we developed with the State Deputy. For those of you who couldn't attend, the plan's goals are to improve communications between Special Olympics Kentucky and the local Councils, better provide information about Special Olympics events in our areas and strengthen the relationship between Special Olympics and the Knights statewide.

What we have asked is for Councils to name a Special Olympics Ambassador, who would become the point of contact between our program and your Council, helping take one more thing off each Grand Knight's plate. The Ambassadors would receive information from me and relay it in Council meetings much like a standing committee. [Here you can find](#) an overview of the program and a form to register as a Special Olympics Ambassador.

The relationship between Special Olympics and the Knights of Columbus is one of our oldest and most cherished. We want to make the Knights' participation in our program as easy and fulfilling as we possibly can, and we appreciate the State Deputy's commitment to our athletes.

I look forward to working with your Council's Special Olympics Ambassador and continuing to strengthen our important relationship. If you have any questions about the Ambassador program or anything else about Special Olympics, please contact me at 502-695-8222 or mbuerger@soky.org.

Need - Number of members needed to achieve Supreme Quota

There are two State \$100.00 incentives to be disbursed and the Council earning the Polaris Award to be recognized. This will be done at the Organizational Meeting in July.

The State Deputy and I congratulate the 19 Councils, see attached Honor Roll, that have achieved 100% or more of their membership quota. They have earned the McGivney Award. Some Councils will ultimately earn the Star Council Award.

Kentucky State Council Newsletter

June 2019

Insurance continues to be a major stumbling block to reach the Star Council Award. Only five Councils, see attached Honor Roll, have achieved their insurance quota. While the Swope Agency is undermanned, I'm sure the agents would cover the Councils that have customers for insurance and annuities.

Submission of the Columbian Award Applications, SP-7 is slow. This is another stumbling block to Star Council. The application is totally new. There are mandatory programs to be conducted. If your Council did not have representation at the State meetings, you probably did not understand the changes. I urge you to have representatives at the Organizational Meeting in July.

A recap: to date 63 Council have positive growth, 47 Councils have 0 or negative growth.

It has been my pleasure to serve as your Membership Director for this fraternal year. There are still 20 days remaining in the year. See what you can do to change negatives to positives.

With best regards,

Bill Hancock, PSD

KENTUCKY KNIGHTS DONATE \$149,650.70

The Passionist Nuns in Owensboro were elated when State Deputy Bernard Stottmann, Jr. and State Advocate Gene Roberts presented them a check for \$149,650.70 to help defray the cost of building the new St. Joseph Monastery. It took place during the awards presentation just after the banquet. Chairman Gene Roberts made the formal presentation “an enlarged check” to Sister Mary Agnes. Sister then addressed those in attendance with a very enlightening and enjoyable talk. We might mention accompanying Sister were **her two bodyguards**; Sisters Joseph Marie and Joseph Catherine. We then presented Sister Mary Agnes with a photo album of earlier meetings. George Schrode had a tee shirt made with one of the photos of all the Sisters which he displayed, and it was greeted with much enthusiasm. The Sister enjoyed it very much and expressed a desire to have one to be displayed at the new monastery. In retrospect this donation is the biggest we have ever made. It is a direct result of the good leadership of Chairman Gene Roberts and the perseverance of his committee people (PSD Robert Hood and Phil Carr). However, we must recognize that this was a great team effort of Councils, Fourth Degree Assemblies and individual Knights and could not and would not have happened without the generosity of Mrs. Clary White who donated her farm to the State Council which was sold for \$100,000.00.

[CHARITY, UNITY, FATHERLY AND PATRIOTISM]

Extract from June 1995 Knights of Kentucky newspaper VOL. 28 No. 4. Presentation was made at the 92nd State Convention. Mrs. White’s generous donation to the Knights caused Charities of Kentucky, a 501c3 entity, to be created. The additional donation of \$49,650.70 was donated by Councils, Assemblies and individual Knights. Quite a feat in 1995.

Brothers,

I am so excited! We had a great State Convention and we are getting ready to finish this year strong and head into next year ready to take on the world. I would like to thank everyone that came to the convention. It truly was a celebration of all that you and your councils have achieved this past year. We had about 45% of our councils represented at the convention, which is about normal, but I would like to see that number grow this next year. Imagine how much better our celebration would be with all of our councils there. That would be great!

We are almost finished with this fraternal year and that means that next year is right around the corner. In my State of the Jurisdiction Address that I presented at the State Convention, I said "It is tempting to view June 30th as the finish line, but similar to a Nascar race, July 1 is not the finish line, it is the beginning of the next lap of the race. So, don't slow down because we are almost there, we need to be thinking about how we can run the next lap faster, stronger, and more efficiently. I do ask you to push hard as we approach June 30th, but please don't plan on taking a 3-month pit stop over the summer to catch your breath. If we are not moving forward, we are moving backward."

I have learned a lot this past year as state deputy. Now we need to capitalize on this new knowledge so that we can show Supreme that Kentucky is a force to be reckoned with. So, we need to hit the ground running July 1st. I know that it is summer time and many of your council members will be taking vacations and such, but we need to continue to do our regular knights' duties. Please do not cancel meetings because you expect low attendance. We need to keep pushing ahead.

In my address, I also said "For a man to join us and ultimately work arm in arm with us as a brother knight, he first has to do two things. He needs to believe in what we do, and he has to be asked to join." We, I included, often forget to ask people to join. We get so busy in our day to day lives that we don't take the time to simply offer the benefits of membership to other Catholic men. During this next month, I challenge each of you to ask three men to join us. And if they say yes, please schedule a 1st degree ASAP. If we make him wait too long, he will lose interest. So, when you go to church this weekend, look around and see which men would I like to call brother, then go ask them.

There was a song in the '80s that was very popular and the lyrics were "The future's so bright, I've got to wear my shades". This is how I feel right now. With the knowledge we have gathered this past year, the great leadership we have in each of you, and the tools Supreme is giving us, the future truly is so bright that I've got to wear my shades. Keep up the great work and get ready to put it into high gear, we are going to do great things this coming year!

Vivat Jesus,
Cameron Peck

My Brother Knights,

Thank you to all who attended the State Convention. It was enjoyable to be able to celebrate what we have accomplished this year. And also thank you for giving me the opportunity to continue to serve as your State Secretary for another fraternal year. I look forward to it, and promise to do a better job this year, as now I know the job better.

A little house keeping. There are still some councils that owe state billings. Please pay those as soon as possible. State per capita is different from Supreme. We do charge for honorary members at the rate of \$2.50. This is in our state bylaws. New member fees have been discounted to \$5.00 per man for this entire year which is a bargain considering the normal rate is \$10.00 per new member. Let's get those paid. Please look at your email, the bills were sent as pdfs.

Once again thank you all for a great year. Let's continue to build momentum going forward. Keep recruiting, and keep showing everyone what kind of men we are through our good works.

Vivat Jesus,

Steve Zanone, State Secretary

State Treasurer

Tom Johnson

As the 2018-2019 Fraternal Year comes to a close, I'd like to congratulate those councils that were recognized at the State Convention for achieving the prestigious State Deputy Award and the many other councils that achieved awards. Congratulations to all!

The State Convention was a great success. The State Convention is a time of celebration and a time of reflection. While we witnessed many successes, we also recognized that as a State Jurisdiction we had some short falls particularly in membership, insurance, new councils, retention, roundtables and reporting our good deeds. Our Worthy State Deputy and State Officers recognize these shortfalls and are committed to making the 2019-2020 Fraternal year a banner year for the State of KY but we need your help.

ORGANIZATIONAL MEETING

The upcoming Organizational Meeting on Saturday July 20th and Sunday July 21st is the first step. Don't just blow this meeting off thinking you already know what is going to be said and that you already know how to run your council. You are the leaders of your council. Exemplify that leadership and be a positive example to your council members

Treasure's Notes:

Recruitment is not about quotas or incentives – it is about changing history, one act of charity at a time. State Convention Awards

Last month, we concluded our 116th State Convention in Lexington. Many Councils and Individuals were acknowledged for their efforts during the Awards session.

Your Councils' Good Works

Congratulations to all who participated throughout the Fraternal Year with their many Council Programs and reported on them. Keep up the good work!

Let's Work Towards Completion

We are down to our last few weeks of this fraternal year. I know that we still have work to do to make this year a successful year for your council.

Time to wrap up your Membership and Insurance goals. Don't forget about the Online Membership method when asking a Catholic man about joining the Knights of Columbus and get him scheduled for an Admission Degree as soon as possible. Make sure we also include our KofC Insurance Agents with the Degree information.

Time to complete the Safe Environment Training. If you have a question about your status, please contact me.

Time to get the SP7 Report complete and sent in to Supreme for the Columbian Award. If you should have events planned for June, put them on the SP7 now and send in to Supreme as if they were already complete. Follow up with all your reports and make sure they have been sent in to Supreme and State.

Even if there is a council report which is long overdue, fill it out and send it in.

(#185 Officers Chosen was due 7/31/18)

(#365 Service Program Personnel was due 7/31/18)

(#1295 Semi Annual Audit for period ending 12/31/18)

(#1728 Survey of Fraternal Activity was due 1/31/19)

(#4584 Special Olympic Report Form – Please fill out report even if your Council did not participate in any Special Olympic events last year)

Current and New Council Positions

Many of you will be leaving current Council positions and your successors will be taking over. Let us share our experience and knowledge with them so they may have a smooth transition into the new Fraternal Year. My sincere "Thank You" and appreciation to all Brother Knights for all of their hard work and efforts. Your work, support and help are very much appreciated

Brothers Knights,

2019 State Convention

I am truly honored, humbled, and appreciative that the delegates at this year's convention re-elected me as the State Warden for the 2019-2020 Fraternal Year. I want to thank all the outgoing District Deputies and Council Officers for their service and congratulate those who have or will accept the challenge to follow in their footsteps, as well as those of you continuing to serve. I look forward to meeting you and to joining the other State Officers in service to you in the next Fraternal Year.

The convention was even more enjoyable for me this year because of all the new acquaintances I made during the past year at the regional meetings I got to attend this year. Many councils are not represented at the convention. As a GK, DD, and now as a State Officer, I've found the conventions and other meetings to be not just valuable to improving our ability to conduct the business of the Order, but also very enjoyable in celebrating our accomplishments and in developing great friendships – practicing the hallmark of the 3rd (Knighthood) Degree, Fraternity. I strongly encourage everyone who can make it to these meetings to join us!

We've got a month left in the Fraternal Year. Please schedule one more Admission Degree and help the State meet our Membership quota. Take advantage of two new potential member pools. Most of our parishes had men in their RCIA classes; these men need to be surrounded by the Knights to continue in their formation as new Catholics! There are also Seminarians being assigned to parishes for the summer to further their preparation for the priesthood. I approached Cole McDowell after Mass when he was introduced to the parish and asked him if he was a Knight. He gave the right answer – "Not yet"! Low hanging fruit, guys!

If each Knight asks 4 men a year to join the Order, and only one of them says yes, you'll still double the size of your council. If you don't ask, you don't grow. Be sure to use the new eMembership as a tool to get men to take the first step toward full membership.

Immediate Past State Deputy

Gabe Cabral IPSD

My Brother Knights, we are closing out yet another fraternal year. For the last 11 months, councils across the state have been working hard to complete their programs for the betterment of their communities, and bettering themselves in the process. Doing good things for others, without expecting anything in exchange (CHARITY) has an unexpected return on the time you invest. You can see it in a child's face at a KofC Christmas Party or Easter Egg Hunt. You can see it in the tears of a handicapped person when their wheelchair ramp is finished. And you can see it in the dedicated priests who are sponsored by the RSVP program. So why not share these rewards and opportunities, and help create some potentially great Knights? Just as many of us have just planted our spring garden for a summer crop, now is the time to begin planting the seeds of interest in next year's crop of new Knights.

On a personal note, I would like to thank the Delegates and attendees of our recent State Convention for their support of our State Council and congratulate the returning State Officers for their second terms in office. I had hoped to be in attendance, but spent the weekend battling a serious infection. Fortunately, 10 days of powerful meds have me nearly recovered.

Over the last decade plus, I have had the great pleasure of meeting and working with some of the finest Catholic gentlemen & families I have ever met. Through your example, you inspire us all to be better husbands, fathers and Knights of Columbus.

Vivat Jesus!

Brother Knights –

The end of the fraternal year is virtually here. Star Council has become the focus for me and for many of you, I am sure. As of June 2nd, I would like to congratulate the members of Council 16125 in Knottsville for having met all of the requirements for Star Council, including membership, insurance, programs, and reports! Congratulations!

Several other councils are poised to earn the top award in the Order but still need to meet one of the Star Council criterion. If your Grand Knight has not been contacted by me, please let me know right away as I have been following more than 20 councils' progress towards the Star. The goal is 19 Star Councils, and I have every intent of reaching that goal for the State, however, there is still a lot of work to be done.

If you need help with recruiting, contact your District Deputy or Membership Director Billy Hancock. If you still need to meet your Insurance quota, about the only option left for you is to reactivate an Inactive Insurance member before June 30th. If you need to file the Columbian Award (SP-7), please contact me immediately. This report should not prevent a council from earning Star Council, but you need to complete it and send it to Supreme right away.

IMPORTANT: There is one more item that could disqualify your council from earning any Supreme Award this year if it is not addressed. ***Any council that is not compliant with their SAFE Environment training for the Grand Knight and Program Directors is not eligible to receive any Supreme Award.*** This has been communicated throughout the year, but there is still time to get it resolved if you are not yet compliant. If you have any doubts or need to become compliant, contact State Advocate Luke Williams immediately as he can help steer you through the process. Please do not let this keep your council from earning the award that you have worked very hard to achieve.

Lastly, now is the time to schedule your 2019-2020 program calendar. Meet with your Chaplain and leadership team as soon as possible. Every council should strive to put their program calendar in place by July 1st. If you need any help, let me know. I am glad to help! **Remember**, the Faith in Action programs are now the focus, including the ***Mandatory*** programs which must be a part of your program portfolio. Information on these programs can be found at the Supreme Council website at <http://www.kofc.org/en/programs/index.html>.

With this year's program overhaul, ***I strongly recommend that every council send a representative to the Organizational Meeting in July to learn more about Faith in Action.*** Councils that did not attend the Organizational or Regional meetings were left behind and likely struggled to catch up. If this was your council, plan for the Organizational Meeting now. Even if you were at last year's meetings, the Organizational Meeting still provides a great opportunity to refresh yourself and your council on what these programs involve.

General Program Director

Bill Schmidt PSD (cont.)

As always, remember to use every program as an opportunity to invite a fellow Catholic gentleman to join the Knights of Columbus. Invite a friend to join us and be part of the programs your council has to offer.

Sir Knights –

There is one more opportunity for Third Degree members to join the Fourth Degree before the end of the fraternal year. June 15th in Clarkson at Council 6743, a Fourth Degree Exemplification will be hosted by Fr. Michael J. McGivney Assembly 3021. Your Grand Knight and Faithful Navigator have the information packet, or you can access it at the State website at <http://kykofc.com/fourth-degree-exemplification-june-15-2019-clarkson-ky/>. This will be the last opportunity for Assemblies to meet their intake quota before the end of the fraternal year. I strongly recommend that Assemblies that only need one or two more members take advantage of this opportunity to meet their quota.

Remember that Assemblies can earn the Star Assembly Award by reaching their membership quota, earning the Civic Award (similar to the Columbian Award), entering the “To Be A Patriot” competition, publishing a monthly newsletter, and submitting the required Supreme reports. More information can be found at <https://www.kofc.org/en/resources/service/council/10486-star-assembly-award.pdf>. All Assemblies are encouraged to shoot for the Star Assembly Award! If you have any questions, just ask me.

Lastly, once your Assembly has elected their officers, please send me the report of officers chosen so that we can update the directories. This is the most important information that your Assembly has to offer. Please email the report to BillSchmidtPSD@comcast.net.

In order to grow the Fourth Degree, we must first grow in the First, Second, and Third Degrees. Recruit new members into your council and advance them through the higher degrees so that they can become Sir Knights in the Fourth Degree. Our councils, parishes, and communities need us Sir Knights more than ever. Let’s build up our Army of Knights to fight for what is right and just.
