I had a visit with Michael Rhodes. He is slowly improving but still has a long way to go. As I write this, he is being moved to Zale Lipshy rehab hospital near UT Southwestern Hospital. He will remain there for about a week and a half where he will get physical and occupational therapies. He will likely be able to receive visitors though he will have therapies up to 3 times a day and may be unavailable for those periods. He very much appreciates visits, especially from his brother knights.

Answered Prayers

God listens carefully to every prayer and answers it. His answer may be yes, no, wait, not now. God always answers prayers, but he gives his answers based on what he knows what is best for you. Personally, it took 7 years before God answered one of prayers, and when he did it was perfect timing! When you don't get the answer you want, your spiritual maturity will grow as you seek to understand why God's answer is in your best interest.

I love the LORD because he hears and answers my prayers. - Psalm 116:1
