**Ed Leal**

**Friday, May 13, 2016**

**Be Still**

**One of the most awesome commands that God gives to man is, "Be still" (Psalm 46:10). This means that we must learn to trust God without having to know what He's going to do, when He's going to do it, and how He's going to do it. Recognize that He is God, and just let Him do it! Ask the Lord for His will in your life, then be still and know that He is God. Starting today, be still and know that He is God. Be assured that as long as you trust Him, He will never fail you or disappoint you.**

**Read Psalm 46:10**

### **ADOPTION:**

Adoption is a very generous way to become parents. I encourage those who cannot have children to expand their marital love to embrace those who lack a proper family situation. They will never regret having been generous. Adopting a child is an act of love, offering the gift of a family to someone who has none. It is important to insist that legislation help facilitate the adoption process, above all in the case of unwanted children, in order to prevent their abortion or abandonment. Those who accept the challenge of adopting and accepting some- one unconditionally and gratuitously become channels of God's love. For he says, "Even if your mother forgets you, I will not forget you" (Is 49:15)."

**Pope  
Francis**
