God Provides the Answer - Exodus 15:22-27

Sometimes when we are faced with problems instead of praying to God for help, we decide to complain about them. Some problems can be solved with careful thought. Some can be solved with discussion and counsel. But, for those situations that are extremely difficult, prayer is the only answer. We should make a determined effort to pray instead of complaining. Prayer quiets our thoughts and emotions and prepares us to listen. Do you trust God for the answer to your problems?

Scripture verse---15:26
