Healthy Wealth

Wealth is a gift from God, but we must be careful of becoming too dependent on money. The best way to loosen money's grip on us is to give generously to God's work.

Don't forget to do good and share what you have with those in need, for such sacrifices are pleasing to God. - Hebrews 13:16

CALL TO ACTION

After months of hard work and prayer by the advisory councils to craft a new parish mission and vision statement for the parish, the work has been completed. Father Gary introduced our Parish Vision Statement in the April Parish Newsletter.

"A welcoming and thriving Roman Catholic parish and school faithfully serving Christ in our families and the community."

As a vision statement it defines a place where we strive "To Be". So... in order to achieve the vision there is the work that needs to be done to make the vision our reality.

Brothers, as Knights one of our missions is to support our priests and our parish. We do so in many different ways. However, keep in mind the requirements are ongoing and ever changing. Our current challenge is to help our parish achieve its new mission and vision.

As our first action, if you haven't read the April Parish Newsletter, please pick up a copy. You can find copies on the credenzas at the back of the church. Father Gary has done a masterful job setting the stage and explaining the significance of what we are trying to achieve.

Also, in the April Parish Newsletter Father Gary describes six areas where he believes we can make a difference with our time and talents.

- 1) Ministry of Greeter**
- 2) Ministry of Usher**
- 3) Volunteer Office Reception**
- 4) Communications Committee**
- 5) Ministry of Sacristan**
- 6) Technology Committee**

The easiest and probably the one area that provides an immediate visible impact to the parish community and as Father Gary says, nearest to his heart, is being a greeter. The qualifications are easy, get to church 20 minutes prior to Mass, check in with Candy Warner, be able to hold a door open, be able to smile and welcome our parishioners to the Divine Liturgy. I know we have lots of Brothers who are qualified to fulfill this task. Gosh, even I qualified and I had a blast meeting, greeting and putting smiles on faces. Trust me it certainly put me in the right frame of mind for the Divine Liturgy.

So Brothers to conclude. We are leaders in our parish community. If you have skills and talents that can assist in any of the six areas defined above, as leaders I ask you to consider being involved helping Father Gary, Father Michael, Father Dennis and the parish achieve our "To Be" state.

Thank you Brothers for all that you do.

God Bless.
