Message from Church Director

Ed Leal

The Storms of Life

When life is smooth sailing how often do we forget how present God is to us? But then the storms blow in. Our boat fills with water and we become afraid. And where is God? Did He fall asleep on the job? Why are we afraid? Why is our faith so little? The Lord has not forgotten us. He will rebuke the winds and calm the seas - even when that seems to be an impossibility. Thank God for His everlasting love. We have stepped into the boat with Jesus. He will not let us perish. Lord, when the storms of life surround us, help us to rest in your embrace.

ADOPTION:

Adoption is a very generous way to become parents. I encourage those who cannot have children to expand their marital love to embrace those who lack a proper family situation. They will never regret having been generous. Adopting a child is an act of love, offering the gift of a family to someone who has none. It is important to insist that legislation help facilitate the adoption process, above all in the case of unwanted children, in order to prevent their abortion or abandonment. Those who

accept the challenge of adopting and accepting some- one unconditionally and gratuitously become channels of God's love. For he says, "Even if your mother forgets you, I will not forget you" (Is 49:15)."
