[40 Days for Life Prayer Campaign](#)

Brother Knights,

I am excited to share with you the news of the upcoming 40 Days for Life prayer campaign in Fort Worth. For this year, the fall 40 Days for Life prayer campaign will take place from September 22 thru October 31. If you are unfamiliar, The 40 Days for Life is a 40-day peaceful, prayer campaign focused on bringing about an end to abortion through prayer and fasting, community outreach, and a 40-day, round the clock, prayer vigil kept in front of the Planned Parenthood abortion clinic at 301 South Henderson Street in Fort Worth. If you need additional background information, please see the attached tri-fold brochure about the 40 Days for Life.

As is the case every year, we really need the help and the participation by the Knights of Columbus. I encourage you to sign up for a time slot on our schedule, which is a weekly commitment to be present in prayer on the sidewalk across from Planned Parenthood for that particular hour for each of the weeks of the campaign, which is only a short 6 weeks. You can participate as a Knights of Columbus council or you can come out and pray on your own as an individual. And if you are unable to participate in the prayer vigil on the sidewalk, please join us in prayer at home. Any contribution that you can make is greatly appreciated. We especially need help with the night hours (esp. midnight to 5:00 am) because we try to keep the ladies off of the streets at night.

I would like to also encourage you to attend our Kick-off Rally, which will be held on the first day of the campaign, Wednesday, September 22nd at 7:00 pm on the sidewalk in front of Planned Parenthood. The speaker for the Kick-off will be Abby Johnson. Abby is the former director of Planned Parenthood in Bryan/College Station that had a conversion experience and left her job last fall during the 40 Days for Life. We are expecting a wonderful, powerful, and uplifting speech to kick-off our 40 Days for Life, and we don't want you to miss it!

Please join us in prayer as we continue our work to bring about an end to abortion. Thank you all for everything that you do to help bring about a culture of life. Please contact me if you need any additional information or have any questions.

Jeff Williams**

Major Degree Exemplification - 2nd / 3rd Degree

Gentlemen:

Attention 1st Degree Members! Save the Date!

This is a reminder about the Knights of Columbus Major Degree Exemplification to be held at St. Joseph the Worker in Arlington on September 18. The event is an all day event starting with mass at 8:00am, the 2nd and 3rd Degree Exemplifications, and a luncheon ending around 3:00pm.

If you have not made your 2nd and/or 3rd Degrees yet, now is a great opportunity to complete your journey to full Knighthood. I think that you will find these ceremonies even more inspiring and encouraging than your 1st Degree. These events are generally held in the diocese about 3-4 times per year, with about 60-100 men attending.

We plan to carpool to the event from the KC 759 Hall, though you can drive yourself there directly if you like.

I need two things from you:

- 1. Let me know if you plan to go (email or cell phone will work), and if you will carpool with us (leave the KC 759 Hall at 7:00am)**
- 2. Let me know if you plan to attend the luncheon (starts at around 2:00pm, wives, kids are invited to the luncheon, they will need to drive there separately) and how many family members are going to join us. They should plan to arrive at the luncheon no later than 2:00pm. They may have to wait a few minutes until the ceremony concludes prior to entry into the hall. The ceremony and luncheon will be held in the community center.**

I need the above info as soon as possible, but at least by September 12 so the host council can plan on the total number of attendees.

Yours in Christ,

Rob Meyer

Message From The Church Director - Ed Leal

So what is wisdom? In the Gospel of Luke this Sunday, we hear Jesus talking about practical wisdom that each of us needs to follow Him. Are we willing to give up everything? Can we make Jesus the center of our lives? Sometimes we prefer pleasure following the Lord. Sometimes we prefer money. Sometimes we prefer power. These are all great temptations.

Jesus invites us to look carefully at our personal lives today. As happens so often, we have the choice between good and evil; a choice between following the Lord or following other values.

What will I choose today? I hope to choose the Lord, the goodness of life! Jesus has revealed to us once and for all that God loves us and is committed to us and wants our salvation.

Understand that only God can give us sound advice on how to live in this world.

Let us pray for one another and realize that that we can trust in the Lord to help us with everything.

May God bless you and keep you and grant you His peace.

Our Seminararians

New Seminararian Gary Picou

August 22, 2010

Dear Jim,

Thank you for your support of the diocese's seminararians in general, and myself in particular. Below is a quick summary of what has led me to return to the seminary after 13 years.

I am originally from Houston, Texas. In addition to my parents, my family consists of a younger sister and two younger brothers. We have lived in

Texas and Louisiana depending on where my dad's company sent us. In 1988, I graduated from Tomball High School in Tomball, TX, and then went to the University of Houston for mechanical engineering. I graduated from U of H in 1993. During college, I was discerning whether or not to enter seminary. After college, I elected to submit my application to the Diocese of Galveston-Houston. I was accepted by the Diocese and started my pre-Theology at Holy Trinity Seminary in Irving, Texas. After two years of pre-Theology, I attended St. Mary's seminary in Houston, Texas. After my Clinical Pastoral Education experience (a lay hospital chaplain) at St. Luke's Hospital in the Houston Medical Center, I left seminary. Some of the reasons were that I questioned what was the role of a parish priest, could I live that role, and what did it mean for me to be a priest. I felt that I could not answer that in seminary, and with the faculties approval, I took a leave of absence. I was only intending about six months to a year for this. Little did I know, it would be thirteen years. After the seminary in 1997, I moved up to the DFW area.

Since I had a degree in engineering, I applied for some jobs in the metroplex. In late 1997, I began my first job as a design engineer. After two years working as a design engineer for a small machine manufacturer, I was laid off. God was watching over me, and led me to an engineering sales support job for a German automation company. I worked for this company for almost nine years in various roles: applications engineer, lead district engineer, and finally as a sales engineer. During this time, I picked St. Michael's parish in Bedford as my home parish. I volunteered in youth ministry, and have stayed involved for the past thirteen years as one of the adult leaders. I have also helped lead Little Rock Scripture Study for the past six years.

In late 2008, my company started having layoffs. These continued through the Spring of 2009. I had survived these, but also had more work after each one. In May of 2009, the company offered a voluntary severance package. My boss called me to let me know that he intended to take the package. Of the eight people in my local sales office, seven of us took the package. I had a choice to make: stay with the company and give up my work at church or take the package. I took the package. I was looking at transitioning into youth ministry or teaching, so the timing was good for me. But, as I prepared to take the package, God started to direct me to reconsider my life choices. I had been looking at some job websites in my local school districts, and found a job that I would really like. Once I informed my company that I was taking the package, I went back to the website, but the job had been filled. I started asking what was my calling. Some of the youth at my parish, and the adults from bible study had mentioned that I ought to consider the priesthood. I contacted some close friends to ask them to help me discern my future direction. Through them and a priest friend from my seminary days, I contacted Fr. Kyle in the Fort Worth vocation office. With his direction, I visited some seminaries to see if this is where God was calling me at this time.

After visiting three seminaries, and much prayer and support, in November of 2009, I began the application process. I continued to volunteer at St. Michael's, but I informed the staff and the youth group that I had applied. I received much support from them, and this also helped to validate my choice. I completed the application in February of 2010, and in May was accepted as a seminarian for the Diocese of Fort Worth. I will be attending Theological College in Washington, DC for the next few years. The previous year has been one of much growth. I noticed that for me, the

priesthood is about being in a particular relationship with God's people. I cannot wait to return to the Diocese and begin ministering as a priest there.

Sincerely yours,
Gary Picou

MEET THE TROOPS, SEPTEMBER 18th,

The next scheduled MEET THE TROOPS will be Saturday, September 18th, at Terminal "D" DFW.

Below I'm sharing a note that I received from Luis Rivera, Warden of Council 7641 regarding support of our troops.

I encourage all members and their families to consider participating in either meet the troops or helping an organization working with the DFW/USO at GATE B-14.

My personal "THANKS" to the KNIGHTS from Council 7641.

Jerome:

This is an FYI and does not require a response.

Today for the 2nd time in 3 months, we have delivered paperback books and other sundries items for our departing Troops out of the DFW/USO Gate B-14. Members from 7641 graciously donated these items during a 3 month span.

There were 3 of us from council 7641 (which happen to be 4th Degree) delivering these goods. Once again, It was a great experience meeting a few of these brave Men/Women who are on their way back to conflict areas such as Iraq and Afghanistan.

[Community Store House](#) (Tom Jones)

The Community Storehouse fed a total of 5590 children a hot lunch this summer at our Warm Tummies program, educated 130 children at our summer reading camp, coordinated the passing out of 1300 school supplies, fed 567 families a month summer lunch and gave 171 individuals comprehensive case management! These numbers represent children and families are being taken care of at the Community Storehouse!

This is a great organization and deserves our continued support!

KNIGHTS BLOOD DRIVE - Ken Robinson, Chairman

WOW!!!

Thank you so much for your hard work! YOU FOLKS ROCKED!!!!!! Summer is extremely tough on us and we are so grateful for your support during this time. Participation is lower due to vacations and such, but patients continue to use blood during the summer!

You had an AWESOME turnout. We saw a total of 39 donors and collected 31 units of whole blood and 5 red cells. That is wonderful! Since each donation saves 3 lives, 123 patients will benefit from your efforts. ! And when you figure each donation impacts 6 babies, that is some powerful stuff! (246 babies)

As you know, those units we collected will soon be transfused to patients in need throughout our service area.

Thank you for allowing us to be a part of your church family. Giving blood is a meaningful way to show your support and also touch the lives of others in need. Also, you can remind your donors that they can go to www.carterbloodcare.org and check on their cholesterol and blood type.

Our next Blood Drive will be on Sunday, November 7th 2010 8.30 am-1.30 pm
