**THIS IS A CRITICAL ACTIVITY FOR THE HEALTH OF THE COUNCIL**

It is vital that we get as many tickets sold as possible so we can get started on the project to bring our storage buildings up to city code, but we also want to promote the hall to any potential renters. and of course, we always want to take the opportunity to invite other men to join the knights. Flyers about hall rentals and form 100's will be provided for you to give to any interested parishioners.

If you can support this effort by helping to sell after masses, contact me (Terry Bachman) at, [tm1979@sbcglobal.net](mailto:tm1979@sbcglobal.net).

P.S. Donations are also welcome to help us offset this expense. (Editor)

## **A NOTE FROM THE BISHOP**

**Bishop Vann's Invitation to the Knights of Columbus**

**Brother Knights:**

**Since its inception, our diocese has been blessed to have a number of councils involved in the Annual Pro-Life Banquet. Please know how**

sincerely grateful I am to all of you for your past support. I am writing to you this year to ask those of you who have supported us in the past to please do so again and to those who have not been involved to make this the year you join us.

The reason for my request is this. As we have all seen in recent months, never has the sanctity and dignity of human life been so trivialized. Those who would have us think and act differently have challenged our core beliefs, beliefs that define us as Catholics. I am proud to say that we have not stood idly by. Along with a number of dioceses, the Diocese of Fort Worth has taken a leading role in defending our beliefs. This will be a long struggle, but an important one.

In the past, when our moral beliefs have come under attack, the faithful have rallied together to show their support and solidarity. If we are to prevail again, we must do the same. This year's Annual Pro-Life Banquet provides a forum for us, as Catholics, to come together to challenge this affront to human life and send a powerful message to all that we will defend our moral beliefs. My brothers, your attendance is crucial and your support is vital.

It is my fervent prayer that your council will be represented at this year's event. For further information or to answer any questions you may have, please free to contact Michael Messano, Director of Advancement at [mmessano@fwdioc.org](mailto:mmessano@fwdioc.org) or by phone at 817-560-2452 ext. 174.

In closing, I wish to thank our District leaders for their help and support of our efforts. I pray for God's continued blessings on your council as well as your loved ones.

Vivat Jesus

Most Rev. Kevin W. Vann, JCD, DD  
Bishop of the Diocese of Fort Worth

## Sunday's Reading

Brothers:

Mark 8:27-35 [www.usccb.org/bible/readings](http://www.usccb.org/bible/readings)

Who is Jesus for you? In Sunday's gospel, Peter recognizes Jesus as

the Messiah, the anointed one of God.

Jesus clearly understands that the fulfillment of his mission will lead to suffering and death. We who follow him must expect the same. Our Lord tells us that if anyone wishes to come after him, they must deny themselves and pick their cross.

Jesus will test each of us personally with the same question. "who do you say that I am?"

The Lord be with you.

## Charity Deer Hunt

For Knights Only

Benefits the Knights of Columbus Council #759  
This hunt is on a property that has not been hunted for deer in over 50 years. There is a lot of Trinity River frontage on this property and a

considerable amount of heavy woods, and for this reason it attracts the deer like crazy. This is a hunting trip you don't want to miss out on. The property is located in Wise County just north of Eagle Mountain Lake and 40 minutes from St. Elizabeth Ann Seton. Don't miss this hunt, get your deer and be home in time for supper, ya can't beat that!

All proceeds will go to the Knights of Columbus Council #759.  
Five 2-day hunts are available. Each hunt will have two groups for each weekend making it a total of 10 spots available (Blind A and Blind B for each hunt). Two persons per blind, 1 gun and 1 observer (1 gun per blind ONLY).  
Opening Day Hunts are the only ones permitted to take a BUCK, all other hunts are doe and spike only.

Following are the dates and prices per blind:  
November 3rd & 4th (Opening day) \$450.00 each blind  
November 10th & 11th \$350.00 each blind  
November 17th & 18th \$350.00 each blind  
November 24th & 25th \$350.00 each blind  
December 1st & 2nd \$350.00 each blind

This hunt is being offered to Knights in good standing, only. If there are not enough Knights in this council to fill up all the spots, we will invite Knights from our neighboring councils, but we will try to fill it here first. We want all the Knights in Council #759 to have a fair chance, so if we have more applicants than spots available, we will have a drawing. To get the full details, call Buddy Austin (490-433-3981) or Jimmy Wright (817-988-0822) and they can give you any additional information you need and sign you up for the days you select. Please do this as quickly as possible so we'll know whether we need to contact another council to participate.

All applications need to be called in by October 4th, 2012.  
Call Buddy Austin 940-433-3981 or Jimmy Wright 817-988-0822

## Increase to Budget Line Item

Brother Knights,

Several years ago a donation of two shipping containers was made to the Knights of Columbus, we gratefully accepted the donation as we needed a secure place to store chairs, tables, work supplies and equipment.

December 2011, Keller passed a city ordinance that basically says, "No Shipping Containers are allowed within the city of Keller." The city can enforce the ordinance with a \$2000 per day fine when there is a violation, if they so desire.

The City Council can and will, refuse any building permits on our Church property until the ordinance is in compliance. Our Hall is on Church property. Therefore, the building plans of our Church are in jeopardy. Knights are now very much involved. We must, comply with the ordinance.

Some may ask that we might be able to get a waiver or be grandfathered, that has been explored with the city and the answer was "no".

All that being said, meeting after meeting with the hall committee, council officers meeting, parking lot meetings, church meetings with Mr. Steve Howe, etc. have been held since late May to the present, to discuss all options. It was decided to try to keep the square footage the containers provide.

Discussed was removing the containers, eliminating one of the containers, moving the containers to the pole barn, selling the containers for scrap value of \$1000 if in good shape but \$250 to move or relocate, what to do with the contents of the containers if we take that option, and many other ideas. Council officers, discussed and measured the idea of building a building to house our furniture etc. The cost was approximately \$40,000 to build the same square footage using our Knight's labor. An evaluation was made to try to keep the square footage the containers allows us to have, along with the security the units placement provides to the rear of the hall. Therefore we estimated the cost to modify our containers per code. We had several Knights involved to get estimates for the work and materials. We were blessed to have one Knight associated with Lowe's who got us a 50% discount on materials. Our estimates revealed \$8500 is for the stucco or EFIS alone and is the biggest expense. \$5,000 to \$6,000 in roofing and foundation material costs and we would use Knight's labor for all work except the stucco application.

Meetings were arranged with the City of Keller to discuss our plans and we furnished a drawing of what we could do to keep what we have and meet the requirements of the ordinance. Those meetings were fruitful and consideration of our charity money was a deciding factor by the city in allowing the Knights to adjust the appearance of the containers, the city of Keller was in sympathy with our cause, however an ordinance is an ordinance and must be enforced. We can keep the containers if we make appearance changes that meet code. As information the ordinance says that the exterior of buildings of this size must be built with stone, brick or stucco. We would need to put on a roof and install a foundation and adjust the doors appearance to meet code.

At the September 6th Council Business Meeting, there was a motion to increase the line item of the budget by \$10,000.00 to cover the expense, the motion was tabled till next meeting. The motion will be voted upon at the October 4th meeting beginning at 7:30 PM. 1907 Whitley Rd. Keller, 76248.
