approaching and we are going to need lots of help. Our council's main participation in this event is providing food for everyone to enjoy and we need lots of help to make this years festival a successful and profitable event for the council. The date is Oct 8 and 9 and we will be serving from 9 AM to 8 PM Saturday and 10 AM to 5 PM Sunday. We will need men to volunteer for the following schedule. The more volunteers I get, the less hours everyone has to work. I am confident that as always we will have people step up and do what is necessary to make this a success but this year I would like to see lots of new faces and give the regulars a hand. It is a lot of fun and fellowship for everyone who works this event.

| Task | # Volunteers needed/shift |
|-----------------|---------------------------|
| Hamburgers | 1 |
| Curley Fries | 2 |
| Hot Dogs | 1 |
| Funnel cakes | 1 |
| Outside counter | 2 |
| Inside counter | 3 |
| Total | 10 |

This is the minimum we need at any one time. We can always use help but if we had enough to keep the sifts to 3 or 4 hours it would be great. It really is a lot of fun so volunteer early and volunteer often. **Please send me an email (tm1979@sbcglobal.net) if you plan to help and what time you would be available. If you're flexible on the time, I will let you know ahead of time when you're scheduled to work.**

Also the fall fest committee will be cleaning the barns and festival grounds Friday 9/23, Saturday 9/24, Saturday Oct 1 and setting up Friday Oct 7. If you would like to come and help with the cleaning and set up, any time you can offer will be greatly appreciated

GOD BLESS AMERICA!!!

Subject: Angelina Corso - Thank you

Please pass on our sincere thank you to your groups! I have attached a thank you letter since Angelina was not able to get them done before she left at 7am today. As much as I wished she'd been able to get individual/group thank you's done, we're very proud that she remained true to her calling throughout the process. In addition to working at SEAS School Extended Day in August, Angelina continued volunteering at the CFR's Mission every Tuesday and would not miss their Saturday Lay Associate's Day. She spoke to groups regarding her vocation and at the last minute stepped in and taught a 6th grade Religious Ed class that needed a teacher. It's been a busy but blessed time.

Please keep Angelina and our family in your prayers. Your financial support helped get her where she needed to be, and now we just need prayers for a smooth transition and to put everything and each other in God's hands.

Mike and I know we are blessed to be a part of St. Elizabeth Ann Seton Catholic Church and School.

God Bless,
Linda Corso

P.S. I didn't know Catholic Daughter's of America's e-mail. If someone does, can you please forward our thanks?

September 22, 2011

Dear Benefactors,

Please excuse my generic greeting. I am writing on behalf of my daughter, Angelina, who left at 7am today to start her life with the Franciscan Sisters of the Renewal which your donation helped make possible.

We are eternally grateful for the generosity and support received! While there are too many individuals and families to acknowledge by name, we are astounded by the financial support received from St. Elizabeth Ann Seton School families and employees, the Columbian Squires Council #2040, the Knights of Columbus Council #759, the San Juan Diego Assembly #2857 and the Catholic Daughter's of America. Not only was Angelina able to raise the \$6,000 medical insurance required but an onslaught of donations and birthday monetary gifts were received within the last two weeks and she was able to take the Sisters an additional donation of over \$2,200. Thus, she was elated and overwhelmed. I've no doubt the Sisters will also be eternally grateful.

Angelina had hoped to hand write everyone an individual thank you and did attempt to while preparing for her new life and ridding herself of worldly possessions. While I nagged about being proper and she would agree, every time she felt overwhelmed she would return her focus to preparing her soul to answer God's call. She assures me she will work on individual thank you's as she has time (her home visit in December?), but to satisfy my worldly ways I'm writing on her behalf without her knowledge.

For those of you whom Angelina did not have time to see or acknowledge before leaving know that it wasn't because she didn't want to. We realize time goes too quickly. Angelina gets a two week home visit in December and once we know the dates we hope to have a party so everyone can come to her instead of her trying to not leave anyone out.

If you would like to receive updates on Angelina please let me (or Mike) know and provide an e-mail address. Angelina's only communication now is two phone calls (20 minutes each) a month and mail. My thought is to scan her letters and send mass e-mails to those interested. If you would like her address to write let us know as well.

Our sincere thanks to each and every one of you again for your generosity! Please continue to keep Angelina, the Franciscan Sisters of the Renewal (and Friars too), and our family in your

prayers. You are in ours.

God Bless,
Linda Corso

Message From The Church Director - Ed Leal

Brothers:

St. Matthew has a familiar Gospel this weekend. It's the parable of the two sons. This simple story is about making good choices and doing the will of God. Jesus is clear about his message. Good intentions are not enough. We must examine our conscience and ensure that our actions are pleasing to God's ways. The choices we make now will not only affect our lives today, but also our chances of getting to heaven.

Read and reflect on the Good News; Mt 21:28-32. www.usccb.org

Let us do the Lord's will!

Pax Domini,

Ed Leal

Tell everyone about "Sharing the Good News", and encourage them to become part of this faith filled ministry. Send me an e-mail to get added to the every growing list of folks who receive a short reflection like the one above Monday - Friday.

The purpose of this ministry is to "bring people to Jesus and Jesus to people."

Ed Leal

Keeping Children Safe Class

Any Knights that are interacting with the youth are required to take the Keeping Children Safe class. It's our responsibility to ensure that all Knights are compliant with the Diocesan requirements. Anyone working with the Squires, Scouts or volunteering with the youth need to take the course. The course is taught multiple times a year at various locations in the diocese. You can check the Diocesan website for more information about the program and see the scheduled classes.

Building Maintenance Committee Meeting

Building Maintenance Committee Meeting Minutes August, 2011

Hall Management Committee Minutes August 17, 2011

More discussion on hall rental charges and fees. We have established new rules and fees that are in the process of being written. They will be enacted as soon as they are written and needed for the next time we have a rental request.

It is also needed that a receipt be written for all moneys we collect. We are in the process of talking to the Keller Police to establish a system to call for a guard at some parties we rent out for. We will have the discretion to require a guard at some events and the renter will be responsible for the charges.

We will control the hours of the rentals and the noise levels at events. We have had problems with the hall being left in need of extensive cleanup and have had complaints about noise levels during events.

This will also affect the rental by members, if the committee deems it necessary.

We have a no gun allowed notice on the front door. We need no complaints from members, as this is mostly for the outsiders that rent the hall or are guests. We know we have members that carry, but we hope they have enough discretion to leave them outside as we require others to do.
