September 22nd Prayer Vigil: PRO LIFE NEWS

Tim Johnson, Mike Orapeza and Gabe Gutierrez were the three Knights that showed up along with 4 youth and 6 adults from SEAS. We ended up having to split up as we were informed, a crowd of Pro-Choice college kids showed up at Whole Women's Health and there was not a Pro-Life presence on site. Myself and three adults left for WWH where we prayed with the sidewalk counselors. Two Friars showed up to pray with us. **Meanwhile, at Planned Parenthood, there was a save.** The woman told the sidewalk counselors the reason why she changed her mind was because she saw Gabe praying on the sidewalk. He arrived on site before 8am and decided not to wait for us in his car, he began praying in front of the abortion mill with the woman and her mother arriving a short time after. The counselors helped to direct her to [Mother and Unborn Baby Care](#), the pregnancy help center we support in Fort Worth.

Sunday's Reading

Brothers:

Mark 9:38-48 www.usccb.org/bible/readings

John and the other disciples were upset that someone

who was not part of their group was performing spiritual works is the name of Jesus.

Our Lord rebuked his disciples for their jealousy and suspicion. Jesus explained that the person who heals in his name was not against him.

Are we not like the disciples when we get upset at the good deeds of others because they seem to shine more than us?

How can we overcome envy? By understanding that it's God's love that purifies and frees us from from all envy and jealousy.

Are you grateful for God's mercy and kindness towards you?

The Lord be with you.

Charity Deer Hunt

For Knights Only

Benefits the Knights of Columbus Council #759

This hunt is on a property that has not been hunted for deer in over 50 years. There is a lot of Trinity River frontage on this property and a considerable amount of heavy woods, and for this reason it attracts the deer like crazy. This is a hunting trip you don't want to miss out on. The property is located in Wise County just north of Eagle Mountain Lake and 40 minutes from St. Elizabeth Ann Seton. Don't miss this hunt, get your deer and be home in time for supper, ya can't beat that!

All proceeds will go to the Knights of Columbus Council #759. Five 2-day hunts are available. Each hunt will have two groups for each weekend making it a total of 10 spots available (Blind A and Blind B for each hunt). Two persons per blind, 1 gun and 1 observer (1 gun per blind ONLY). Opening Day Hunts are the only ones permitted to take a BUCK, all other hunts are doe and spike only.

Following are the dates and prices per blind:

November 3rd & 4th (Opening day) \$450.00 each blind
November 10th & 11th \$350.00 each blind
November 17th & 18th \$350.00 each blind
November 24th & 25th \$350.00 each blind
December 1st & 2nd \$350.00 each blind

This hunt is being offered to Knights in good standing, only. If there are not enough Knights in this council to fill up all the spots, we will invite Knights from our neighboring councils, but we will try to fill it here first. We want all the Knights in Council #759 to have a fair chance, so if we have more applicants than spots available, we will have a drawing. To get the full details, call Buddy Austin (490-433-3981) or Jimmy Wright (817-988-0822 and they can give you any additional information you need and sign you up for the days you select. Please do this as quickly as possible so we'll know whether we need to contact another council to participate.

All applications need to be called in by October 4th, 2012.
Call Buddy Austin 940-433-3981 or Jimmy Wright 817-988-0822

Increase to Budget Line Item

Brother Knights,

Several years ago a donation of two shipping containers was made to the Knights of Columbus, we gratefully accepted the donation as we needed a secure place to store chairs, tables, work supplies and equipment.

December 2011, Keller passed a city ordinance that basically says, "No Shipping Containers are allowed within the city of Keller." The city can enforce the ordinance with a \$2000 per day fine when there is a violation, if they so desire.

The City Council can and will, refuse any building permits on our Church property until the ordinance is in compliance. Our Hall is on Church property. Therefore, the building plans of our Church are in jeopardy. Knights are now very much involved. We must, comply with the ordinance. Some may ask that we might be able to get a waiver or be grandfathered, that has been explored with the city and the answer was "no ".

All that being said, meeting after meeting with the hall committee, council officers meeting, parking lot meetings, church meetings with Mr. Steve Howe, etc. have been held since late May to the present, to discuss all options. It was decided to try to keep the square footage the containers provide.

Discussed was removing the containers, eliminating one of the containers, moving the containers to the pole barn, selling the containers for scrap value of \$1000 if in good shape but \$250 to move or relocate, what to do with the contents of the containers if we take that option, and many other ideas. Council officers, discussed and measured the idea of building a building to house our furniture etc. The cost was approximately \$40,000 to build the same square footage using our Knight's labor. An evaluation was made to try to keep the square footage the containers allows us to have, along with the security the units placement provides to the rear of the hall. Therefore we estimated the cost to modify our containers per code. We had several Knights involved to get estimates for

the work and materials. We were blessed to have one Knight associated with Lowe's who got us a 50% discount on materials. Our estimates revealed \$8500 is for the stucco or EFIS alone and is the biggest expense.\$5,000 to \$6,000 in roofing and foundation material costs and we would use Knight's labor for all work except the stucco application.

Meetings were arranged with the City of Keller to discuss our plans and we furnished a drawing of what we could do to keep what we have and meet the requirements of the ordinance. Those meetings were fruitful and consideration of our charity money was a deciding factor by the city in allowing the Knights to adjust the appearance of the containers, the city of Keller was in sympathy with our cause, however an ordinance is an ordinance and must be enforced. We can keep the containers if we make appearance changes that meet code. As information the ordinance says that the exterior of buildings of this size must be built with stone, brick or stucco. We would need to put on a roof and install a foundation and adjust the doors appearance to meet code.

At the September 6th Council Business Meeting, there was a motion to increase the line item of the budget by \$10,000.00 to cover the expense, the motion was tabled till next meeting. The motion will be voted upon at the October 4th meeting beginning at 7:30 PM. 1907 Whitley Rd. Keller, 76248.
