COUNCIL 759 HALL UPDATE:

We have purchased 2 commercial refrigerators. They not only have plenty of room for us to store food but they will be much cheaper to operate. The old units gave out on us and were not repairable. We have a new desk unit for the hall office. As well as new wall cabinets for the hall office. Starting November 1 Michael Vega and his brother are going to repair/replace the removable ceiling tiles in the main hall area. This work is badly needed and will improve the appearance of the hall.

Brock Childress and Burnie Vaughn

BABY BOTTLE DRIVE:

Brothers we still have almost 850 baby bottles that have not been returned from this years baby bottle drive. Each bottle cost at least \$1.00 to replace and that is \$1.00 that is not going to support the respect life programs. Spread the word and help us get our bottles returned.

Thanks for your help.

NEED TURKEYS:

When you are out shopping for your Thanksgiving Turkey please look deals where you can buy a second turkey and bring it to the KC Hall for our

Message from Church Director Ed Leal

There will be seasons when we will endure trials and seasons filled with joy. During these times have you ever reflected on what God is trying to accomplish through you? Spend some time looking at your own life. Try to recognize that ways you have made a difference in other people's lives. Know that every positive thing that you do, no matter how small, is part of the way you are fulfilling God's mission for you. Today, thank the Lord for loving you and for showing you how to live your life.
