For all those whom have been impacted by the many natural disasters that have taken place and for all the first responders and volunteers who are tending to the needs of their brothers and sisters in Christ.

For those Brothers and Sisters who are suffering and need our prayers.

May God's grace be with all those in their time of need.

For an end to the scourge of abortion.

For all those out of work or concerned about the future of their jobs.

In thanksgiving for the leadership of our Bishops, Priests and Clergy in standing up for and teaching the Truth

For our Country and its leaders - especially the "pro-choice" Catholics that they see the truth.

For the Christians around the world who are being persecuted and murdered because of their faith in Jesus Christ.

For our military who protect our freedom.

For our veterans who have served to protect our freedom.

Prayer

There is more to prayer than just getting an answer. As you persist in prayer, you gain a greater understanding of yourself and your motivations and whether they are aligned with God's direction for your life. God wants to use you in bringing about his will in the world, and this involves you seeking His will and not your own.

Communication with God through prayer is necessary if you want His power for living. How does prayer help you understand God?

**Pray for each other so that you may be healed. -
James 5:16**

Please ask them to consider and see Brothers Dale Shipman, Miguel Chaidez, Ray Antio or Kevin Bast for questions or assistance.
