## January 2021

Brothers,

My thanks to all brother Knights who were able to attend our Council 13959 Zoom meeting on Monday January 11th. Brother John Vasalani and I will spend some time in the next few weeks to examine the possibility of holding our meetings in council chambers. Much is going on in the school building, and we will rearrange the room to see if maybe we could have a smaller group who could meet and still be in compliance with all COVID 19 regulations. We will have more news about that at our February meeting.

The 2021 COAL (chance of a lifetime) program will kick off on February 1. All members will receive a letter of instruction and tickets. All the prizes are cash prizes, and we will review the program further in February.

I will be present at a Webinar this week-end to review the new meeting format that Supreme suggests that we follow in the future. This also will be discussed at our next meeting.

I am sad to report that we have lost 2 long time members of our Council. They are Andy Zahren and Dan Geyer. They were both long time members of our Parish as well, and we extend our condolences to the families of both brothers.

Brother Bob Musgrave has sent out the membership cards to all members for the year 2021, and he is appreciative that so many of you have already responded, and in a very timely fashion.

I'm very happy to report that we have most of the paperwork in and we will have 7 new Knights joining our Council in February. These men will use a new virtual program, and all will be 3rd degree when completed. We also have a new Brother in our Council transferring from Wexford. As I have said before, this is a very good time to

Speak to those you know who would be great additions to Council 13959 and they would be 3rd degree on day one.

My hope is that all members are staying safe and well and we welcome all to join our next zoom meeting Monday February 8th
